Detail Drawings
A detail drawing indicating the specification of posts, braces and stretch bars is included to clarify the project specifications. From the standard detail drawing attached, delete the plunger bar from gate installations. The specification calling for two “strongarm” type latches at gate installations remains unchanged from the project specifications.

Bid Format
Bidders are asked to specify a price for the installations. A bid price shall be listed separately for each of the following locations using the attached bid form:

- East Reservoir Location
- Electric Substation #7 and Campus and Harding Booster Station

Acknowledge Addendum
Bidders will acknowledge this addendum in their bid submittal.
