## Instructions

Let's see how well you know Garden City! On page 3 of this handout, there are 15 fun assignments to complete. Finish one or finish them all, but remember, there will be a prize for the highest scoring individual. For the assignments that require a photo, you may use your own camera, use your phone or let Ashley know and we will provide you with a disposable camera. If you use the disposable camera, there is no need to develop the film; we just ask that you use the numbers below to identify which picture corresponds with which homework assignment. Pictures taken on personal cameras or on your phone can be e-mailed to [maria.loving@gardencityks.us](mailto:maria.loving@gardencityks.us). Completed packets and cameras are due to Ashley at the **April 26<sup>th</sup>** session of Citizen's Academy. Have fun exploring your community! If you have any questions, please feel free to contact Maria in the Neighborhood & Development Services Department at 620-276-1170.
