SPRING CLEANUP

APRIL 1- 12

Clean up is for Residential Areas **ONLY**
(No Commercial)

ALL ITEMS to be picked up must be placed on the street curb, NO alley pickups

Please do not put your debris on the water meters

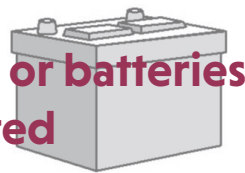

IMPORTANT

We are unable to pick up refrigerators or air conditioners unless arrangements are made with the Street Department. The Street Department is not responsible for having the units decharged of all refrigerants. A copy of the certification must be attached to each unit before collection.

Shingles or roofing materials are not permitted

Vehicle motors or batteries are not permitted

One truckload of tree branches/
brush per home

Building demolition debris is not permitted

Liquid paints and petroleum products (oil, roofing tar, crack sealer, gas, diesel and etc.) are **not permitted**. These items can be dropped off at the Household Hazardous Waste Facility. Call 620-276-1278 to make arrangements.

The cost of all tires and rim removal will be charged back to the address the City crews collect them from.

We can pick up tree trimmings as long as they are no longer than **8 feet** in length

Any waste created by a contractor for tree trimming, home remodeling, appliances, and etc. will not be accepted. The contractor is responsible for the removal service.

Because of landfill regulations, we ask homeowners to separate tree trimmings into one pile, old furniture and boxes into another, and old appliances into another.

For those individuals who have been missed, please call 276-1270 before Friday, April 5th or Thursday, April 11th, to make arrangements to have your trash collected.

This is a great opportunity to clean up old furniture and junk in the alleys. The City of Garden City encourages all residents to take pride in the appearance of Garden City by participating in the 2019 Spring Cleanup Program.

Finney County Residents (Outside City Limits): You may take your debris to Waste Connections on Friday, April 5th and Friday, April 12th for a small fee. The above rules still apply. If you have questions, please contact Waste Connections at 275-4421. The Household Hazardous Waste Facility will be open Saturday, April 6th at 8:00 AM to noon and on Thursday, April 4th and 11th from noon to 7:00 PM
