## Big Pool Input Survey (7th-12th)

536	Spicing it up, it's just a little old or plain. What would dramatically increase the popularity and attendance from what I've seen is a flow rider. A flow rider is a machine that constantly shoots up water making a wave. It allows you to wakeboard or knee board or even surf on it, kids 10 and up and even adults love going to play on them, they are one of the coolest things you can do on a cruise, there isn't even any around Kansas, if you made one of these you would get people traveling to the big pool increasing revenue and allowing you guys to make it better, it's an overall improvement to increase in people, for our community and abroad, and most importantly the fun an excitement of something new for our community.	1/31/2019 8:13 AM

Also have an indoor deck where you can go and eat in the conditioning and sit with lots of shade and not worry bout sun burns. Make the slides bigger and faster, and make the pool for the slides deeper because taller people hurt their legs if they put them down. Also make two sets of slides one for 12 and younger and one set for 13 and older. Have lots of relaxing cars with umbrellas connected so that way if the parents want to sit out there but not tan or burn they have a relaxing place to chill. Have a spot for little kids and make it where there in a safe spot. Hire more of lifeguards and make the pools bigger so there not so crowded. Keep the tube station but lower the prices. ## Big Pool Input Survey (7th-12th)

148	I think it would be a good idea to have a nice lap pool that is versatile similar to the Dodge City water park. We can have swim meets and people can come have lap time but when it's open during normal hours it has slides, diving boards, rock wall and basketball available in it. It would be fun to have a good sized lazy river and other things to do, slides? Surfing? There needs to be chairs and tables for people to hang out at.	2/5/2019 7:51 AM
149	We need a good indoors pool for swim teams and meets. And an option to the YMCA	2/4/2019 11:15 PM
150	Multiple pools/ parks is bad idea people are messy and the pool is supposed to about being the community together not sectioning it off	2/4/2019 9:58 AM
151	To make it different in many ways than how it is right now	2/4/2019 9:30 AM
152	Something for kids.	2/4/2019 8:21 AM
153	I think Garden City,Kansas needs something more then just pools. Keep in mind not all people like swimming so maybe a roller skating rink, go-carts,arcade,laser tag,trampoline park, and so much more we have to keep an open mind about everyone in garden.	2/4/2019 8:16 AM
154	To put a water park	2/4/2019 8:15 AM
155	Something for little kids	2/4/2019 8:14 AM
156	To make a better pool and maybe a laser park.	2/4/2019 8:13 AM
157	I would want a pool that is pretty accessible and medium quality	2/4/2019 8:12 AM
158	Why don't you guys just stop the big pool and make so pools were people could go to swim have some fun and even more	2/4/2019 8:11 AM

162	Swim lesson Monday through Friday.	2/4/2019 8:08 AM
163	Build a medium size pool with slides and divings board	2/4/2019 8:08 AM

169	Nothing	2/4/2019 8:06 AM
170	Make it affordable so that many people can go and have fun. It sucks when you really want to go somewhere but you can't because your parents don't have enough money or they can't afford to pay for every family member.	2/4/2019 8:05 AM
171	Keep doing what your doing	2/4/2019 8:05 AM
172	I would like if they could build a squirting water go up and down in the down town area.	2/4/2019 8:05 AM

180	MAKE MORE ATTRACTIONS	2/4/2019 8:04 AM

## Big Pool Input Survey (7th-12th)

181	I would tell them to make the pool like dodge city's but better and make it a low price because maybe if it's a low price more people would want to come because it's cheap and add shade so I won't get sunburnt	2/4/2019 8:03 AM
182	That a splash park is a good idea but can be expensive and a unnecessary purchase	2/4/2019 8:03 AM
183	A big slide	2/4/2019 8:03 AM
184	To make a splash park I dont care where but at least a splash park.	2/4/2019 8:03 AM
185	I would like a swimming pool or splash park between garden and Holcomb because that's closer to where I live and it's harder to be able to get around town if my parents don't get off work until 3 or 6 pm	2/4/2019 8:03 AM
186	More places for sports to play	2/4/2019 8:03 AM
187	To make a bigger zoo	2/4/2019 8:02 AM

197	We want a big arcade	2/4/2019 7:54 AM
198	Add more new things to each pool location if they do end up making them.	2/3/2019 10:29 PM
199	The project seems to be an incredible venue as it is, don't overdo any improvements or additions.	2/3/2019 9:58 AM
200	Our city needs a competition lane pool for our swim teams. We need NEED a year round indoor facility for us to use. We only have the YMCA and it isn't a good pool for competitions.	2/2/2019 7:20 AM
201	Make a water park or multiple pools accesible for many people	2/1/2019 4:34 PM
202	An indoor pool for our swim team.	2/1/2019 3:34 PM
203	This project needs to live up to the expectation of the older pool. A new facility needs to be accessible to all (possibly through bus routes), should be built with a large parking space, should be multi-purpose (swim team area, water park, picnic/event area, toddler area, locker room area, etc.), should be little to no charge for admission, and should not be placed in the area where the baseball field is (it would not make sense to be paying double the amount in tax dollars if we only get one equitable investment). There should also be proper shading- this is one thing that I've noticed older citizens look for in a pool area.	2/1/2019 2:57 PM
204	If I was to tell the City Commissioners I would say to build a lap swim pool for swim teams the one here in town at Y is not s great pool it's very warm it's broken frequently and it's not taken care of all the time. I would like a pool that is great for the athlete and the students using the lap pool something I can count on to work properly and work almost always. I would also like a pool area like the big pool I wouldn't change anything about it but add more activities.	2/1/2019 1:58 PM
205	Indoor pool Competition pool	2/1/2019 1:57 PM
206	Me want big park and funnel cake.	2/1/2019 1:50 PM
207	A big pool or water park would be the best, and also a swim up bar would be nice.	2/1/2019 1:50 PM
208	Keep in the same spot and make a big water park	2/1/2019 1:50 PM
209	nothin	2/1/2019 1:50 PM
210	Stop sending this survey to teenagers that live 45 minutes away. Especially students that are trying to work on their comp and are getting bothered by retarded surveys.	2/1/2019 1:47 PM

## Big Pool Input Survey (7th-12th)

211	Avoid putting in multiple facilities in different locations, the entire city doesn't need to be torn up for a swimming pool. Keep the pool where it is at now. Garden City hardly has any natural landscape the way it is. A splash park is really lame.	2/1/2019 1:46 PM
212	I want to see it perfect and make everyone happy	2/1/2019 1:46 PM
213	I would tell them that just keep everything just the same.	2/1/2019 1:46 PM
214	I do believe it is a great idea for Garden to have a good swimming pool area. Unfortunately, I have no personal opinion on the matter because I visit Garden about once a month.	2/1/2019 1:43 PM
215	Think about all aspects and who will be affected	2/1/2019 1:43 PM
216	Multiple locations is a good idea, if one location is full, customers can relocate to a different one.	2/1/2019 1:40 PM
217	Make there be a membership for the summer.	2/1/2019 1:40 PM
218	Better Baseball fields	2/1/2019 1:39 PM
219	Don't waste taxpayer money on this.	2/1/2019 1:38 PM
220	I would ask them to make this project as efficiently as possible. So it would take as little water and gave the most fun when it is completed.	2/1/2019 1:37 PM
221	I would tell that remodeling The Big Pool would be something that many will like. Not very often do we get the opportunity to have fun at a place like The Big Pool.	2/1/2019 1:34 PM
222	I would love to see an amazing swim area be built. I think it will be amazing to have a place where family and friends can meet and have fun together. I hope it works out.	2/1/2019 1:33 PM
223	I believe in you. Support you guys 100%	2/1/2019 1:32 PM
224	Make multiple pools in different locations.	2/1/2019 1:03 PM
225	I would love to go the pool and I approve of idea.	2/1/2019 12:59 PM
226	Ss	2/1/2019 12:40 PM
227	How long I tell the pool?	2/1/2019 12:40 PM
228	Make a Olive Garden	2/1/2019 12:33 PM
229	Sand volleyball	2/1/2019 12:19 PM
230	Put in an arcade place for teens	2/1/2019 12:18 PM
231	I'd do a water park similar to the one in Salina, a lot more people would go if there was more to do. If we get rid of the water theme altogether, a skating rink would be pretty sweet.	2/1/2019 12:18 PM
232	ldk	2/1/2019 12:18 PM
233	They should put a arcade	2/1/2019 12:18 PM
234	Maybe create a water park that also has other activities in a nearby building. Activities like mini golf, an arcade, laser tag, paintball, or go-carts.	2/1/2019 12:17 PM
235	Building more facilities seems like it would be a waste of resources. This survey was created toward kids, I hope you also created one for your tax payer.	2/1/2019 12:14 PM
236	BIG SLIDES!!!	2/1/2019 12:11 PM
237	I would like to see a community pool with multiple activities to do. A swim area for children 1 and older are needed and easy accessibility for elders. I want to see a joined community and make history happen. People want to see good reviews, so make it worth it.	2/1/2019 12:09 PM
238	I feel that it is not needed to tear down the old pool because by doing that your destroying history. Why don't you just remodel the current pool?	2/1/2019 12:07 PM
239	Make it into a very large water park.	2/1/2019 12:06 PM
240	I think a water park would be great.	2/1/2019 12:05 PM
241	Please do it it would offer more jobs to the high school student	2/1/2019 11:52 AM
242	To for sure have one community pool in garden city	2/1/2019 11:21 AM
243	Food and slides	2/1/2019 11:02 AM

244	Make it to where people feel more comfortable	2/1/2019 10:43 AM
245	A go cart arena (closed) or a drive in movie theater.	2/1/2019 10:42 AM
246	Do what makes the community happy.	2/1/2019 10:39 AM

248	To make it look fun but also as safe as possible.	2/1/2019 10:26 AM
249	Stop wasting my time.	2/1/2019 10:26 AM
250	Is to make it huge and fun!	2/1/2019 10:24 AM
251	Build it safe for people.	2/1/2019 10:23 AM
252	give our kids an education	2/1/2019 10:23 AM
253	The best way to get more people to go is to make the pool more appealing as there is competition with parrot's cove and the Dodge City waterpark.	2/1/2019 10:22 AM
254	Don't stop what you do. Keep making thing grow and expand. Once that stop everything stops. Just keep growing	2/1/2019 10:22 AM
255	I would tell them not to do it because it's a waste of money and it's better to save it up for other things that are important.	2/1/2019 10:22 AM
256	don't build a swimming pool build a motocross track with all the proper dirt and facilities	2/1/2019 10:21 AM
257	Waste of money	2/1/2019 10:20 AM
258	There is already a water park.....	2/1/2019 10:19 AM
259	I really don't know because I do live far away and it is usually open during my family's busy time of the summer. I hope this does work because even though I can't use it, doesn't mean other families will enjoy it. Just make sure you have a fun place for people and families to go.	2/1/2019 10:18 AM
260	Make it reasonably priced and make it convenient for everyone.	2/1/2019 10:18 AM

268	idk	2/1/2019 9:18 AM
269	Go carts	2/1/2019 9:07 AM
270	Well the big pool has memories with it I love that pool and my parents have recoded when I I would try to swim but couldn't later on my fist swim was in that big pool may be more design and fixes to it and I hope you guys can keep it we have had it for many years and I think that if you guys do build splash parks not many kids will go the only little kids but I don't think teens or 12 year old wanna go to a park that only splash them little kids enjoy it but older kids not so much teens want to swim and chat with friends and if you guys build a big watere park you mound lose business because it would cost expensive and what would be the difference that's my opinion so thank you	2/1/2019 8:18 AM
271	I would like to see bigger slides and higher diving boards and harder obstacle courses	2/1/2019 8:15 AM
272	I would tell them to update the pool or make a place like Boondocks in Colorado.	2/1/2019 8:15 AM
273	Dont make a pool in Rotary Park	2/1/2019 8:14 AM

## Big Pool Input Survey (7th-12th)

274	I would want to see creative things to do at a park with more space. Some big slides for older kids and a few smaller ones for the young ones. What if there were 2-3 sections specifically made for kids, adults, or teens. Maybe one smaller one for seniors. As an older brother of two kids I can see that they would both love obstacle courses and to have a fun play area. Something most of my family dislike about the Big Pool is the swimming test you have to take in order to go to the deeper side. We understand why you have it but if we compare this pool to other ones they don't have tests and simply rely on adults or lifeguards to take care of the kids. This helps with my thoughts on having sections of the park. Thank You!	2/1/2019 8:13 AM
275	to make a pool at rotary park	2/1/2019 8:13 AM
276	Make more things to do	2/1/2019 8:10 AM
277	If I could tell the city commission anything about what I want them to do in these project is for them to make it nice and pretty. So we can get more visitories to see how beautiful garden is. And to make it cheaper so that we can go more than 1 a week. And thanks for allowing us to be part of these decision.	2/1/2019 8:09 AM
278	I would want like a place with a go kart place, arcade, roller skating rink, trampoline park.	2/1/2019 8:09 AM

280	I would tell them to do a small pool for young kids too.	2/1/2019 8:08 AM
281	The snacks should go down and not put everything that people want to use you don't have to sell them	2/1/2019 8:08 AM

## Big Pool Input Survey (7th-12th)

306	I would tell them to make a community pool that every one can enjoy and that everyone could have fun.	2/1/2019 8:01 AM
307	I would like for the City Commissioners to put multiple pools around the city so everyone could just walk to it.	2/1/2019 8:01 AM
308	I would tell them to add a few locations instead of one so people have quick access to them.	2/1/2019 8:01 AM
309	i would like to see a project like a waterpark in our gtown but i also would appreciate it if it didnt look too modern therefore taking away attention from other locations here in garden city. it should look like it fits in with gardens citys traditional apperance.	2/1/2019 8:01 AM

315	I would say to make a turf soccer field because there are a lot of people that play soccer in this city. No matter where you go you will always see someone playing soccer at any school. It would be cool to have a soccer facility that can be opened all day so we can be there for a longer period of time. We can also stay longer if it had lights so we can still play while it is dark outside.	2/1/2019 12:20 AM
316	To make it bigger with more fun activities.	1/31/2019 10:58 PM

318	I would tell them that it should be easy for anyone to go enjoy these parks	1/31/2019 9:28 PM
319	Make it more fun and treat people good	1/31/2019 6:18 PM
320	Don't make us take that dumb swimming test before we can get on the big slides & concessions are way too expensive.	1/31/2019 6:02 PM
321	To make some type of fun center like ice skating roller blading or bumper cars some place where you could hang out with your friends	1/31/2019 5:59 PM
322	Please do a water park like the one in Dodge	1/31/2019 5:34 PM
323	Make it to where everyone has a little but of something in a swimming or having fun with friends related	1/31/2019 4:44 PM
324	make it fun but not to busy. I've been to a few places where they're is to much going on like maybe if you did a water park do a swimming area a lazy river a few slides/diving boards and maybe a few other things but don't go to overboard. One of the things I love about garden city is that it's a good sized town with a few tourist locations but the locations aren't overboard. On main one is the zoo and big pool and they aren't even that extravagant. They're plain yet unique.	1/31/2019 3:38 PM
325	Make it a place where it is fun and colorful	1/31/2019 2:25 PM
326	To make ours compete with dodge city	1/31/2019 2:23 PM
327	More entertainment	1/31/2019 2:21 PM
328	I think that anything they want to do is fine it wouldn't really bother me he they do it.	1/31/2019 2:20 PM
329	To either upgrade the pool and add more activities and/or create new activities to do in town like a skating ring or trampoline park.	1/31/2019 2:20 PM
330	I would like a wave pool and a lazy river.	1/31/2019 2:09 PM
331	Water park	1/31/2019 2:01 PM
332	Do not get rid of the pool.	1/31/2019 2:00 PM
333	To focus more on the people who swim professionally.	1/31/2019 1:46 PM
334	Make the new facility cleaner	1/31/2019 1:43 PM

## Big Pool Input Survey (7th-12th)

335	If you build another water park or swimming pool, what makes the difference of problems occurring from the big pool to be solved. Your represented failed to explain it	1/31/2019 1:39 PM
336	Save money and water. Build a arcade or a All for fun or a chucky cheese.	1/31/2019 1:33 PM
337	To upgrade the big pool	1/31/2019 1:26 PM
338	I think you guys should build a water park like the one in dodge city with a couple of slides and a lazy river and a baby pool for the little kids.	1/31/2019 1:26 PM
339	A decent sized water park and two smaller pools with splash park equipment would probably be the best compromise	1/31/2019 1:25 PM
340	Do something anything	1/31/2019 1:25 PM
341	Add an arcade	1/31/2019 1:23 PM
342	I don't know	1/31/2019 1:23 PM
343	I don't know	1/31/2019 1:20 PM
344	To just see something other than a water recreational thing. Such as a trampoline park or skating ring	1/31/2019 1:20 PM
345	A water park would be really nice	1/31/2019 1:18 PM
346	I would want them to make it bigger and a lot more options to do something instead of swimming or riding the same thing over and over	1/31/2019 12:56 PM
347	A wave pooool	1/31/2019 12:54 PM
348	Water waves in one of them and the. You can surf or just wave and you try to swim against it	1/31/2019 12:54 PM
349	Flow rider. No liability for drowning and it's a pretty much one cost time. Plus people all around Kansas would come equaling more revenue. Plus it's fun for everyone.	1/31/2019 12:53 PM
350	That if we can't do the water park then I just want us to update the big pool as that we aren't losing all that water, and only kids around the ages of 5 would use a splash park, most of the garden city population is over the age of 5 and they wouldn't want to use it.	1/31/2019 12:53 PM
351	Don't do a splash park because those are for little kids.	1/31/2019 12:52 PM
352	Find a way to make the end of the project, more known yet not as known to make it irritating to see how much advertisement of the project there are.	1/31/2019 12:49 PM
353	I am on the swim team and the current lap pool is terrible the lines are not straight and the blocks often shake when you dive off them. Also the splash parks are for little kids and we definitely need something like the big pool.	1/31/2019 12:48 PM
354	Honestly anything seems fun, water parks, more slides, or a skating rink! Or a concert stage so that we don't have to travel to go to concerts, it would make Garden City a more fun place and bigger attraction to other cities, increasing the city revenue, and overall the community could be a better place.	1/31/2019 12:48 PM
355	Hello Commissioners! My name is Sergio Garcia I love swimming I've been to the Big Pool for more than I can remember me and my friends love hanging out in the summer. I feel like there isn't much to do at the big pool big there isn't much to do I and my friends that's I'm speaking for feel like we should think outside the box! We should have big slides like the ones in dodge city but more than just 2 like 5 so the lines aren't so long and each slide with its amazing features! Have a wave pool is a must! We should have a lazy river with a water fall that is the path and the makes us jump! Have our own way or buying food is really good! I wanted to work for the big pool or help around and I'm doing my best to get the word out to my power. If you ever need my help let me know I really love this community and I will do what I have to do to make my community happy! I am a freshman at Garden City High school!	1/31/2019 12:47 PM
356	I want nice watermark	1/31/2019 12:45 PM
357	Add more activities at least.	1/31/2019 12:43 PM
358	Make it cool	1/31/2019 12:43 PM
359	Shallow pools	1/31/2019 12:43 PM
360	I would want to see more swim locations	1/31/2019 12:42 PM

## Big Pool Input Survey (7th-12th)

361	I would prefer something that's indoors and not water-related.	1/31/2019 12:40 PM
362	If I could tell the City Commissioners anything I want it would be make a a kiddy pool.	1/31/2019 12:39 PM
363	If people barely go to the big pool, why put a bigger pool. I want to add a huge mall like Wichita. We could even add a few pools/water parks around town.	1/31/2019 12:39 PM
364	I would like to see parks that are close by houses and communities so everyone can enjoy and be relaxed often with not a lot of money to spend like \$2 or \$1	1/31/2019 12:36 PM
365	Splash parks	1/31/2019 12:35 PM
366	Will to make more pools around town	1/31/2019 12:35 PM
367	Make a large water park.	1/31/2019 12:35 PM
368	Wave pool	1/31/2019 12:34 PM
369	The big pool is important to many families and kids, so make the pools you choose exciting for all. I would like a bunch of pools around garden city	1/31/2019 12:33 PM
370	Better and bigger diving boards and more then one pool in garden city	1/31/2019 12:33 PM
371	I would like something else than a water park, don't get me wrong there is a lot of people who really care about the Big Pool. But I say let's get a fun center, like games and lazar tag. It would be a lot fun for everyone in Garden.	1/31/2019 12:33 PM
372	I'm not sure. But I want a splash park	1/31/2019 12:33 PM
373	What I would like to tell them to do with this project is to put in like a wave pool	1/31/2019 12:32 PM
374	I wanna see a bunch of stuff so I won't get bored being there all day.	1/31/2019 12:32 PM
375	Make more things than just pools like sport areas. Not swimming all the time bc it gets boring	1/31/2019 12:31 PM
376	Make like a roller coaster or a Amusement park but with water splashing.	1/31/2019 12:31 PM
377	To make the pools more fun for all ages.	1/31/2019 12:31 PM
378	n/a	1/31/2019 12:31 PM
379	More space more people would go	1/31/2019 12:30 PM
380	I want to see the big pool upgrade into something better or more exciting.	1/31/2019 12:29 PM
381	Nothing	1/31/2019 12:29 PM
382	Make it colorful and fun for all ages	1/31/2019 12:28 PM
383	Make it look cool	1/31/2019 12:28 PM
384	We need a competition pool.	1/31/2019 12:27 PM
385	You should lower your prices and maybe update you locker room and bathroom	1/31/2019 12:27 PM
386	I want a go carting place	1/31/2019 12:26 PM
387	Make it that all ages will enjoy it	1/31/2019 12:26 PM
388	I think the splash parks would be a nice addition because one would be located behind my house and if we're bored in the summer I could just walk a very short distance and take my siblings!	1/31/2019 12:25 PM
389	Wave and something that's deep	1/31/2019 12:24 PM
390	Make the pool big	1/31/2019 12:23 PM
391	I want a go cart arena	1/31/2019 12:22 PM
392	MAKE A WAVE POOL	1/31/2019 12:20 PM
393	There should be a safe place where a family can go together but still be separate in the same facility for them to still be able to enjoy and watch over each other. My parents wouldn't let me go out with friends by myself but if they could also go and enjoy their time separate everyone wins. And ice skating rink or just a regular roller rink would be nice	1/31/2019 12:20 PM
394	I would want either have one big water park that had many varieties of activities to do, or community pools and either a place where we can ice skate or go- carts.	1/31/2019 12:10 PM

## Big Pool Input Survey (7th-12th)

395	If any thing is built , make sure it's not where kids play soccer at.	1/31/2019 12:04 PM
396	Do as you're told, not as you wish.	1/31/2019 11:44 AM
397	This is a great opportunity to bring the community together. And give more recreational activities for older kids.	1/31/2019 11:44 AM
398	To make the pool more fun with more activities or swim areas and more food snacks and stuff.	1/31/2019 11:41 AM
399	Update the pool make it bigger and better	1/31/2019 11:19 AM
400	We need an out door water park thats very affordable because my family is broke	1/31/2019 10:50 AM
401	To make another pool	1/31/2019 10:18 AM
402	A big pool were everyone can go to that is only 5\$ with big slides basketball goals and diving boards close to everybody be able to bring a cooler in family night and movie night with popcorn and chairs and kids could be swimming it would be outside. I think all of those would be really fun.	1/31/2019 10:18 AM
403	Work hard on it make Garden Ciry better for everyone not just the people that think it needs to be better	1/31/2019 10:16 AM
404	I would like to see a volleyball goal set up or a water park.	1/31/2019 10:15 AM
405	Yes we need community pools, but I believe there should also be funding for a roller skating rink. This way there is year round entertainment facilities.	1/31/2019 10:14 AM
406	We don't need a splash park on every corner	1/31/2019 10:14 AM
407	Make changes to the big pool	1/31/2019 10:13 AM
408	IF the big pool is closing make a better pool with different activities. Also the price being from \$1-\$4	1/31/2019 10:06 AM
409	Make improvements to the big pool like more shade and better bathroom/locker room. Also, put up splash parks throughout the city.	1/31/2019 10:03 AM
410	Work hard and have the area looking nice and presentable.	1/31/2019 9:57 AM
411	I would like for you to instead scrap the whole water facility ideas and change the big pool into a large fun center like we used to have.	1/31/2019 9:54 AM
412	Maybe make the big pool even bigger and have a bigger slide and a bigger diving board. Maybe also newer, better diving boards that aren't so stiff.	1/31/2019 9:47 AM
413	Make fun for all ages, don't make it expensive and have good stuff at the concession stand.	1/31/2019 9:42 AM
414	A lazy river would be nice	1/31/2019 9:34 AM
415	Expand the deep end	1/31/2019 9:30 AM
416	Keep the big pools location, drain the 4 foot pool and the slides. That way that whole part could be a splash area. That way the deep pool and the no drown baby pool are still open.	1/31/2019 9:26 AM
417	The pool I understand is a large part of this city's community and history. But, there are a lot of other cities whom are making their parks and pools newer. Yes, I believe the past is important, my family has lived in Garden City for over 40 years. But I also believe that the future is important too. We want to give the ne generation something to come here for, to experience the history and the fun that this city has to offer.	1/31/2019 9:26 AM
418	Just to make sure it's big	1/31/2019 9:24 AM
419	I really want them to put the elephants back because it attracts more people and because they are cute!. Something else is that instead of a water park it should be big and have a lot of play areas around.	1/31/2019 9:22 AM
420	That I think taking the big pool isn't a good idea lol, the big pool is what makes garden city, GARDEN CITY. like seriouslyyy, maybe you guys an js make it a bit more fun or something & if you decide do do pools or something, make sure there's a lot of shade! It's way to hot out there on some days! But still leave areas for tanningggg	1/31/2019 9:22 AM
421	Maybe make it an indoor park. Most indoor water parks or pools costs so much. I'd say the cost is 3 for adults, 2 for children and 1 for elders. I'm pretty sure most people don't want to get sun burned or infected.	1/31/2019 9:15 AM

## Big Pool Input Survey (7th-12th)

422	Expand or maybe make indoor	1/31/2019 9:00 AM
423	Make the pool bigger add more fun stuff to eat ,add a sand volleyball and go kart racing.	1/31/2019 8:43 AM
424	A place where there are go-carts and a laser tag and a blowing ally is something cool that can be used all year and that's indoor and cheap	1/31/2019 8:41 AM
425	At least keep/make one water park	1/31/2019 8:40 AM
426	Nothing but there doing great except they need to make more pools	1/31/2019 8:39 AM
427	i would tell them that i recommend them not having to make teens take a swimming test to go to the deep end unless they are younger than 13 and if they know how swim then they could have there parents sign a slip that says you are able to swim in the deep end without taking the test. So whenever you go to the pool again some day you just need to tell them your name and tell them an email and enter it in your computer and there it will tell you if you are eligible to go in the deep pool. i also recommend no concession stands so you can bring your own food and save money and maybe even have more people go there. also for there to have a bunch of slides and a lazy river and a wave pool. Mostly i would like a water park like the one they have in Dodge City, Kansas.	1/31/2019 8:38 AM
428	Arcade	1/31/2019 8:36 AM
429	Upgraded	1/31/2019 8:36 AM
430	awesome big slides a little area to dive a water park and concessions but cheapish concessions. not have to take a swim test but have an age limit like up to 13 yrs old. we should also have a competition swim lanes for the GCHS swim team because the YMCA'S water makes the guys sick it is to hot and the water levels are not okay. I would also like a lazy river without tubes so that people can just float on their backs or something. i would also love an intense wave pool.	1/31/2019 8:35 AM
431	Yes I would	1/31/2019 8:34 AM
432	Make it a trampoline park	1/31/2019 8:34 AM
433	Honestly do something no one has seen yet that's fun for teens, possible arcade like a fun hanging out place.	1/31/2019 8:34 AM
434	If the pool could have a wipe out themed thing.	1/31/2019 8:28 AM
435	We should definitely have a pool/water park in garden city that isn't enclosed like parrot cove so people can enjoy it in the summer.	1/31/2019 8:22 AM
436	big slides, diving boards, and something for all ages	1/31/2019 8:20 AM
437	They should open restraint	1/31/2019 8:20 AM
438	you guys can put a water park	1/31/2019 8:19 AM
439	More slides, taller diving boards, and a sand volleyball	1/31/2019 8:18 AM
440	I would want them to make the big pool bigger and a water park because more people would come especially if it's worth the same price to get in as it is now	1/31/2019 8:17 AM
441	I would tell them that I want to see them have more things around and too make it better than the last and also to keep up the great work 😊	1/31/2019 8:17 AM
442	I think that if you are going to get rid of the pool put in a skating rink and arcade because that will bring people in from all over. But for the splash park I think you should put it by the walking park but not take the park out because a lot of people go there. Same with dean Wiley a lot of family's go over there and have events. Lastly I think we should have a pool in town that's cheap we should put one by the animal hospital and one on the other side of town so there not crowded. But we should not get rid of all the parks just because we can.	1/31/2019 8:17 AM
443	how lots of things to do for all ages	1/31/2019 8:17 AM
444	Thank you!!!	1/31/2019 8:17 AM
445	To build a pool close to your home	1/31/2019 8:16 AM
446	Everybody would be happy if they build a Water amusement park.	1/31/2019 8:16 AM
447	To make a good looking water park	1/31/2019 8:16 AM
448	Make it more accessible and more attractions for the ages	1/31/2019 8:16 AM

## Big Pool Input Survey (7th-12th)

449	Make the water facility easy to clean	1/31/2019 8:16 AM
450	I want one to be big with a nice pool and I doesn't matter just make a pool closer to where abunch of the other city people live	1/31/2019 8:15 AM
451	Arcade, splash park, a swimming area.	1/31/2019 8:15 AM
452	A lazy river	1/31/2019 8:15 AM
453	They should make a mall with stores we dont have instead in my opinion because we dont have any stores.	1/31/2019 8:15 AM
454	I want a big water park but then we're going waist a lot of water	1/31/2019 8:15 AM
455	More slides	1/31/2019 8:15 AM
456	I would tell them if we could have like lights in the water or a water park kinda similar to the one in Salina	1/31/2019 8:14 AM
457	Just make a bunch of small simple pools for families like the south wind pool.	1/31/2019 8:14 AM
458	Nothing jumps out to me	1/31/2019 8:14 AM
459	If they can please make a trampoline park	1/31/2019 8:14 AM
460	Lazy river and a wave pool	1/31/2019 8:14 AM
461	FLOW RIDER. They are amazing, splash parks might be cool for kids like 7 and below but all kids and young adults or even adults like swimming, only little kids want splash parks, save that money and put it into fixing the big pool and adding cool things like a wave rider or a lazy river in the extra area behind the fence that you own. A flow rider like I emphasized in question 8. Of course this is only my experience and opinion but, no one wants a tiny pool, no one that's older wants a splash park, the big pool is such an important part of garden city and it's history, it doesn't have to be a water park, just improve it, that's what it has been needing is some more excitement. And I think a Flowrider would be an amazing thing for the big pool and would excite excitement and competition, but most importantly fun for all that come. Please Please Please think about this and bring it up to whoever you can. Thank you for trying to make our community better and even reaching out to the community, we greatly appreciate it.	1/31/2019 8:13 AM
462	I would tell them to make the slides big and fun and add more detail to the baby pool and make a decision that is good for all ages young to old.	1/31/2019 8:13 AM
463	to add a big water park and atleast one splash park in a comunity	1/31/2019 8:13 AM
464	Do something for all ages but incorporate into a water park. Also have a indoor swimming pool for the swimming team to practice and have it open all year round and open to the public. Make sure it is accessible for elders and special needs this is always important because they want to have fun too.	1/31/2019 8:13 AM
465	i would tell them that i would like a pool near by me. cause usually its the drive to the big pool that bothers me	1/31/2019 8:13 AM
466	Let kids without a bracelet go on the slides	1/31/2019 8:13 AM
467	Arcade or a lazer tag	1/31/2019 8:13 AM
468	Small pools around and just one medium sized one with arcade and bumper cars and roller skating	1/31/2019 8:13 AM
469	To build more pools there	1/31/2019 8:13 AM
470	The dodge water park is a good example of what we need	1/31/2019 8:12 AM
471	Pools put all around the city are easier for people to access. It would be better for people to have pools that they can get to easier, than have to find a ride or not be able to go to at all because it's too far.	1/31/2019 8:12 AM
472	Make it indoor	1/31/2019 8:12 AM
473	I would like to have a are for anybody that doesn't want swim but want to lay out and no one will get them wet.	1/31/2019 8:12 AM

## Big Pool Input Survey (7th-12th)

474	PLEASE PLEASE PLEASE NO SPLASH PARKS! I love to SWIM WITH FREINDS. If I wanted to play in a splash park I would just go play in my sprinklers, I really want a pool like dodge, we don't have to have a Olympic diving board or Olympic starts, size pool. But we do need a 50 METER LAP POOL. I would really enjoy some tube slides, I would love a lazy river but I don't need one, but I really love to swim. And if Garden just has splash parks every will go to Holcomb and Deighton to go swimming.	1/31/2019 8:12 AM
475	Add more activities	1/31/2019 8:12 AM
476	To have a lot of slides	1/31/2019 8:12 AM
477	To change it to a roller rink or ice skating rink or both	1/31/2019 8:12 AM
478	I would say that I want a skate park with rails and ramps and all that stuff	1/31/2019 8:12 AM
479	If they could make a trampoline park	1/31/2019 8:11 AM
480	I want to build a skate bark the kids can go to to skat and scoot and also pools because I love swimming	1/31/2019 8:11 AM
481	I would tell them that I would like to see the pool have more fun things and and to be closer to homes	1/31/2019 8:11 AM
482	Ice skating	1/31/2019 8:11 AM
483	A huge water park with a concession stand and an arcade.	1/31/2019 8:11 AM
484	I would tell them to just create a fun place for families to get together because we don't have that many places for "fun" here.	1/31/2019 8:11 AM
485	Make it into a fun and a big thing for garden city.	1/31/2019 8:11 AM
486	I think we could budget the money and do multiple things all in Whitehall would be helpful and useful to our community and visitors what if we did do a water park and a community pool and for the community pool what about putting that somewhat close to the middle of garden city, the water park maybe where the current pool is at but that spot is a city monument and is very important to locals like me and the city's history (just to keep in mind ) and maybe if we have enough left of a minny splash park just so little kids could have fun while playing of just so people can cool off during the hot summer days	1/31/2019 8:10 AM
487	Keep the big pool running because it is a staple of garden city and what would you do with the big pool if you close it and yeah it souls don't be cool with multiple pools I don't think it is nessscary for a new pools I think if you want more people at the big pool you shou,d try advertising it more because parrot cove does a great job advertising commercials YouTube videos and a lot more and reduce the prices because last time i went with my family the price was almost at 50 dollars	1/31/2019 8:10 AM
488	To put more activity things at the big pool, so that people can have even more fun.	1/31/2019 8:10 AM
489	the big pool upgrade is awesome	1/31/2019 8:10 AM
490	That this a great idea	1/31/2019 8:10 AM
491	Could we build an amusement park or trampoline park please instead of the water park stuff?	1/31/2019 8:10 AM
492	I think that we need something fun, not for little kids us middle schoolers and high schoolers are the one that like to do stuff we need something fun. We need something at a reasonable price, and at a good location that we don't have drive a hour away. Not just a plain pool something fun. We all want something different t but I thing the pools would be good. Splash parks are just spitting out water and wasting it.	1/31/2019 8:10 AM
493	they should create a skating ring or roller skating or even a fun center because pools are cool but they only come once a year, so if you make a skating ring theres more likey that people would go instead of having to travel to dodge. but you should also include a splashpark for the younger kids so they can have fun but if you add more or alot of splashparks its only going to be kids going because if you think about it no older kids are going to want to go and we just need more fun stuff to do in garden or even a better mall would do because like people like to shop and they have to go out of town if they want to go to the big stores like pink champion all like that	1/31/2019 8:09 AM
494	To do something close to what dodge has	1/31/2019 8:09 AM
495	If making one pool/park etc make it where it is accessible for most people in town since some people on the east side had to go far to the big pool. Also if making multiple make them spread out so that way everyone gets to participate.	1/31/2019 8:09 AM

## Big Pool Input Survey (7th-12th)

496	To keep the location where it's at but build into it and add more things like slides and a wave pool a lazy river and things for older kids to do	1/31/2019 8:09 AM
497	No splash parks but something big and with many different and fun things to do like cooler water slides inflatable things we could climb a zip line or a wave pool just other things we could actually swim in and not just stand in	1/31/2019 8:08 AM
498	To keep the same place but make it bigger and have it have older kid activities.	1/31/2019 8:08 AM
499	To please take there time on there deciding to what they choose	1/31/2019 8:08 AM
500	To ask the pool cheap	1/31/2019 8:08 AM
501	Nothing	1/31/2019 8:08 AM
502	6 flags	1/31/2019 8:07 AM
503	Something like the fun center and a trampoline park.	1/31/2019 8:07 AM
504	To like leave some parks(with a big area) for those kids who like playing soccer or other sports.	1/31/2019 8:07 AM
505	And more color	1/31/2019 8:07 AM
506	to build big and better slides	1/31/2019 8:07 AM
507	I want to tell them that I want a place to play sand volleyball , and want a baby pool for my niece to play.	1/31/2019 8:06 AM
508	Go kart	1/31/2019 8:06 AM
509	Make bigger slides	1/31/2019 8:06 AM
510	I would tell them to at least make a super mall like the at Dodge City and Wichita.	1/31/2019 8:06 AM
511	ldk	1/31/2019 8:06 AM
512	To have some close to home and not be \$5 per person	1/31/2019 8:06 AM
513	Make a mega splash park	1/31/2019 8:06 AM
514	I would like to see the project light up at night and to paint it very beautiful so it brightens up the location(s) the project will be.	1/31/2019 8:06 AM
515	Not to take the big pool down just fix the cracks in the floor because that's why your wasting water	1/31/2019 8:06 AM
516	do something else than water things! something we could use year ROUND! Go-Karts / Bumper carts, laser tag, skating ring. something INDOORS that can be used in the winter as well!	1/31/2019 8:06 AM
517	Nothing much lel	1/31/2019 8:06 AM
518	KEEP it like that ut make it smaller	1/31/2019 8:05 AM
519	Nothing really	1/31/2019 8:05 AM
520	If they can they should also build an arcade or something fun for people that may not be able to get in the water.	1/31/2019 8:05 AM
521	Make trampoline park	1/31/2019 8:05 AM
522	A fun center with laser tag go cart racing trampoline park	1/31/2019 8:05 AM
523	N/A	1/31/2019 8:05 AM
524	To at least build a smaller pool that people can visit because some of us want a pool more then 4ft deep	1/31/2019 8:05 AM
525	Nothing really	1/31/2019 8:05 AM
526	Make it better than an last time	1/31/2019 8:05 AM
527	Forget the pool. Give us an arcade or a skating rink. Or something else to do at any time of the year.	1/31/2019 8:05 AM
528	Make it fun and have things for more big kids that they find more interesting and would keep them their longer	1/31/2019 8:05 AM
529	Add on to the big pool like make the diving area smaller and add activities in there plus u could add other activities near the pool like golf or arcade games and other things	1/31/2019 8:05 AM

## Big Pool Input Survey (7th-12th)

530	Multiple enclosed splash parks	1/31/2019 8:04 AM
531	Connect the splash park with the big pool	1/31/2019 8:04 AM
532	Sand volleyball seems fun and interesting. I would like to have the old big pool but with new features	1/31/2019 8:04 AM
533	make pools everywhere and leave the big pool	1/31/2019 8:04 AM
534	The Big Pool is too crowded. You need to either add more swimming locations and update the Big Pool or up the price of the Big Pool. It's not fair to go and want to relax when it's so crowded and parents aren't keeping watch over their kids.	1/31/2019 8:03 AM
535	It doesn't have to be over the top huge. But i do think it should fairly big and nicely upgraded. Things do for all age groups. Wave pools, volleyball, slides, diving boards, etc	1/31/2019 8:03 AM
536	You do what you need to do	1/31/2019 8:03 AM
537	I think a good idea is to build a gallery walkway for the entrance and in the gallery you can put historic pictures from the big pool and memories of the big pool	1/31/2019 8:03 AM
538	I would want a water park that is like the one in dodge city that is a good size for are community to have a good time and ya if not a wave pool	1/31/2019 8:03 AM
539	Build an ice skating rink	1/31/2019 8:03 AM
540	A better water parker	1/31/2019 8:03 AM
541	Nothing much but probably make the pools closer to where people live	1/31/2019 8:03 AM
542	I really think a flow rider would be cool, probably a double but a single is fine then I think you charge a extra 5 dollars for a pass and a lot of kids would do this from probably ages 10-18 especially boys that would spend all day their with their friends please look it up.	1/31/2019 8:03 AM
543	Nothing	1/31/2019 8:03 AM
544	Make it free!!!!!!plz thank you	1/31/2019 8:03 AM
545	Add a bunch of colors that work	1/31/2019 8:02 AM
546	Make a trampoline park	1/31/2019 8:02 AM
547	I would like you to make a big kids area they can climb like a pirate ship with glued on squirt guns and definitely a child care	1/31/2019 8:02 AM
548	Hurry up with things and actually listen to our opinions	1/31/2019 8:02 AM
549	Do it right	1/31/2019 8:02 AM
550	Just fix the pipes under the pool, there's honestly no point in making a new facility	1/31/2019 8:01 AM
551	With this project I would like to see some aspects of the Big Pool throughout any project to keep the historic values of it. And if a water recreation is not capable, it would be nice to have a roller/ice skate rink.	1/31/2019 8:01 AM
552	Put a pool behind KH because it is just an area that we do not use	1/31/2019 8:01 AM
553	The make bigger slides	1/31/2019 8:01 AM
554	Make it big	1/31/2019 8:01 AM
555	I think it's good that your letting us have input in this project	1/31/2019 8:01 AM
556	Make a pool in every neighborhood	1/31/2019 8:01 AM
557	I think that to have a lot of splash parks in various places it would be too much and an eyesore. I don't think that we need a water park. I think that something along the lines of the old fun center would be best and would work best for all year use and the most kind using it and being able to use it.	1/31/2019 8:01 AM
558	Nothing	1/31/2019 8:00 AM
559	Make sure it's fun	1/31/2019 8:00 AM
560	make a high dive	1/31/2019 8:00 AM

## Big Pool Input Survey (7th-12th)

561	I would tell them to make like multiple areas around the town for people like all season indoor and outdoor	1/31/2019 8:00 AM
562	Make better pools.	1/31/2019 8:00 AM
563	Make multiple small pools	1/31/2019 8:00 AM
564	Please replace the pipes under so the pool is warmer but do not take away the big pool, it is apart of the towns history	1/31/2019 8:00 AM
565	Water	1/31/2019 7:59 AM
566	Make it fun and affordable for all families in the community.	1/31/2019 7:59 AM
567	To have at lest two communitie pools	1/31/2019 7:59 AM
568	Make the pools here better	1/31/2019 7:58 AM
569	Make it expensive	1/31/2019 7:58 AM
570	Nothing	1/31/2019 7:58 AM
571	It's pointless	1/31/2019 7:58 AM
572	we need an arcade/Lazartag place where people can hang out and be competitive.	1/31/2019 7:58 AM
573	Make a water park	1/31/2019 7:56 AM
574	I soul de like to see a improved pool	1/31/2019 7:56 AM
575	To tell them to make the big pool bigger	1/31/2019 7:56 AM
576	We need a pool open year-round.	1/31/2019 7:53 AM
577	I would tell them to make an arcade and bigger slides!!!	1/31/2019 7:34 AM
578	I love swimming and I love spending time with my friends at the public pool, i Definitely don't want it taken down	1/31/2019 2:01 AM
579	Better slides	1/31/2019 12:00 AM
580	Have bigger slides and have more things to do	1/30/2019 11:25 PM
581	That swimming is not the only option building a fun center would be nice too	1/30/2019 10:45 PM
582	Just make sure it is accessible and safe for every single person no matter what situation such as disability, sexuality, religion, cost, etc	1/30/2019 9:04 PM
583	A water park with multiple attractions would really draw in people. The current Big Pool is too plain, so my family would prefer to go to Dodge if we wanted to spend the day at the water park/pool.	1/30/2019 8:10 PM
584	I'd like it to be close to where I live, my should family should be able to afford the entrance, and I'd like it if was like the water park at Dodge City.	1/30/2019 7:56 PM
585	Keep the Big Pool but find some activity to add. Or a sort of food ( ice cream, snow cone)	1/30/2019 6:50 PM
586	A water park would be super cool and fun for all ages.	1/30/2019 6:22 PM
587	Make a really big pool like the one in dodge. They don't beat us in anything but their pool. Make it better!!	1/30/2019 5:56 PM
588	To have like a fun center for the older kids with like a big arcade or a go cart track something for us to do at night.	1/30/2019 5:43 PM
589	We need a water park like dodges	1/30/2019 5:31 PM
590	Ice skating	1/30/2019 4:37 PM
591	Try to add more shade places for the people who don't swim. No one likes a sunburn	1/30/2019 4:24 PM
592	To be creative and have fun with it	1/30/2019 4:23 PM
593	Please do something that would benefit all the people from Garden City more that a pool, but if not, try to make your best to preserve the environment and the best for the citizens.	1/30/2019 4:18 PM
594	Please make multiple pools around town so the pools won't be as crowded	1/30/2019 3:56 PM

## Big Pool Input Survey (7th-12th)

595	I like how the big pool is, I don't think it's necessary to make a water park or anything.	1/30/2019 3:55 PM
596	I think that we need an updated enclosed swimming pool for competition and practice purposes. We need somewhere for local swim meeting and for our swim teams. Still having a version of a recreational water activities would also be good for Garden City.	1/30/2019 3:00 PM
597	Clean water is all I ask	1/30/2019 2:55 PM
598	That I would consider a sand volleyball so people can play volleyball but have a few of them cause I bet there would be a lot of people to do that. If they build slides to build more than just a couple and have multiple sizes so there wouldn't be long lines. So the people that are going are going to have less time at the pool.	1/30/2019 2:52 PM
599	To make it nice and futuristic.	1/30/2019 2:45 PM
600	Skatepark	1/30/2019 2:45 PM
601	make more pools that are just open swim not lane swims that are cleaned and good water temperatures	1/30/2019 2:38 PM
602	Just adding more activities little kids can do as well (toddlers especially).	1/30/2019 2:28 PM
603	If they could make as soon as possible	1/30/2019 2:25 PM
604	N/A	1/30/2019 2:19 PM
605	An open area to lounge around	1/30/2019 2:18 PM
606	There's a "slow" light close to the hill by Kenneth Henderson middle school. It's also blocked by a dumb telephone line. Remove it.	1/30/2019 2:13 PM
607	Don't make yourself broke	1/30/2019 2:08 PM
608	Just clean pools that aren't crowded.	1/30/2019 2:03 PM
609	I would tell the city commissioners that it could be a benefit to everyone in the community if they make more than one public pool around the city making it accessible for everyone to attend at the convenience of the proximity of their homes.	1/30/2019 1:59 PM
610	Trampoline park	1/30/2019 1:56 PM
611	Nothing	1/30/2019 1:56 PM
612	Build an arcade	1/30/2019 1:50 PM
613	I want something fun that isn't just swimming in an open pool	1/30/2019 1:47 PM
614	To make it big, and everyone can enjoy not just certain people, also make it inside so we can go all year round and not just in summer.	1/30/2019 1:39 PM
615	I want to have a swim lesson to everyone else	1/30/2019 1:22 PM
616	Plz don't take the big pool down	1/30/2019 1:21 PM
617	It's just a pool	1/30/2019 1:21 PM
618	I'd like an arcade, like an oldschool one.	1/30/2019 1:20 PM
619	I would like a roller skating rink since we don't have one <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> ♀	1/30/2019 1:15 PM
620	Make like a pool arcade go karts and miniature golf	1/30/2019 1:06 PM
621	I would like to keep the big pool. I might not get to it at least once every week, but it is much cheaper than Parrot Cove and is more fun than a basic pool you can buy at the store. I wouldn't mind having an upgrade, but I wouldn't want it to be taken away.	1/30/2019 1:05 PM
622	Please add fun and big water slides	1/30/2019 1:03 PM
623	Update the big pool	1/30/2019 1:00 PM
624	They should just fix the big pool Since it wouldn't be very much more if not less than making a new facility	1/30/2019 1:00 PM
625	Have different sections for everything.	1/30/2019 12:57 PM
626	I don't know	1/30/2019 12:56 PM

## Big Pool Input Survey (7th-12th)

627	I would like to see you update the big pool. Everyone in town goes to it and it's a great tgubg for our communities. Make more events for it as well	1/30/2019 12:52 PM
628	...	1/30/2019 12:48 PM
629	Make it bigger and more for all ages	1/30/2019 12:34 PM
630	Make it fun and colorful and cheap	1/30/2019 12:33 PM
631	Make if fun for every families in and out of Garden City to come to the Big Pool and spend time in a cool place where they would want to visit every summer just to have a great time with family and friends	1/30/2019 12:31 PM
632	Please do it	1/30/2019 12:30 PM
633	We want more pools	1/30/2019 12:25 PM
634	Make sure it has something for everyone	1/30/2019 12:24 PM
635	Make the slides a little larger and make more splash water park For the little kids.	1/30/2019 12:22 PM
636	No	1/30/2019 12:19 PM
637	I would tell them to include more activities to do instead of just sliding and swimming.	1/30/2019 12:17 PM
638	A nice waterpark like dodge	1/30/2019 12:16 PM
639	To make a big waterpark that everyone from the surrounding areas can enjoy and have a fun time in and not have to drive 4-6 hrs away to get to a decent waterpark	1/30/2019 12:15 PM
640	I think we should have a water park like parrot cove that is not 30\$ to get in. I think a reasonable price would be 10-20\$ for an adult. That way more people can experience it. If there was a family of five that would want to go to parrot cove it would cost them 150\$. That is a lot of money for one family to go down slides for a couple of hours. On the other side 50\$ wouldn't be a bad price for a family. Or you could have a family package that offers food and a activity pass. Another option is a trampoline park. Because this is the closest one for about 3 hours around here. All the other small towns around us would also come. It's also year round. It's a new attraction that has never been in garden before so a lot of people will go there.	1/30/2019 12:15 PM
641	Make it fun and big!!!	1/30/2019 12:15 PM
642	Make sure that it isn't too expensive and make sure that all ages can have some sort of entertainment.	1/30/2019 12:14 PM
643	Nothing.	1/30/2019 12:13 PM
644	Sky's the limit. Be creative.	1/30/2019 12:13 PM
645	Have more pools	1/30/2019 12:12 PM
646	I just want multiple pools so it won't be crowded	1/30/2019 12:12 PM
647	The big pool is an extremely important park of garden city it is basically harden is known for if I could I would make it either all one pool or mostly one pool	1/30/2019 12:12 PM
648	To create a go cart race track	1/30/2019 12:12 PM
649	I would like it to be a skate park because, a lot of people would like that. It would also be a good hangout spot for meet ups.	1/30/2019 12:12 PM
650	Nothing	1/30/2019 12:12 PM
651	ldk	1/30/2019 12:11 PM
652	Why	1/30/2019 12:10 PM
653	Make it affordable	1/30/2019 12:09 PM
654	I would like to see a big water park with multiple slides and a wave pool and lazy river	1/30/2019 12:09 PM
655	If you really plan on doing this thank you	1/30/2019 12:05 PM
656	I would tell them that we don't need community pools we need a clean affordable pool with better sitting.	1/30/2019 12:03 PM
657	No splash parks	1/30/2019 12:01 PM

## Big Pool Input Survey (7th-12th)

658	Hi	1/30/2019 11:57 AM
659	I would tell them to try making this project a family friendly project and something that would catch the community's eye!	1/30/2019 11:57 AM
660	Leve it alone	1/30/2019 11:57 AM
661	They should made an All Star like the one in Witchita it would better and I feel like more people would go because they have outside activities like go karts and inside activities like arcade games like DDR.	1/30/2019 11:56 AM
662	Yeah it wiiuod be nice to have some kind of water activity at walking distance, but I am fine how it is right now. It would also probably raise the taxes but on the bright side, there will be more activities and occupations.	1/30/2019 11:47 AM
663	Remodel the big pool	1/30/2019 11:44 AM
664	N/a	1/30/2019 11:44 AM
665	Keep the big pool. Upgrade a little but don't completely change it. It is a landmark and a part of Garden City, Kansas	1/30/2019 11:39 AM
666	We need a water park that doesn't cost very much so that anyone and everyone is able to get in and experience something fun	1/30/2019 11:38 AM
667	I would like you to redo the pool we already have. It is part of the town. I would also like it to stay cheap to go.	1/30/2019 11:38 AM
668	Thank you for asking the community about the pool since it is closing.	1/30/2019 11:37 AM
669	Upgrade it, don't let the big pool be destroyed	1/30/2019 11:37 AM
670	To make it free to enter	1/30/2019 11:36 AM
671	Add a all star or something for the older kids like go karts or something of the sort	1/30/2019 11:32 AM
672	I think if we should cut back on the the chrimas decorations. It is a waste of money and man labor. With the money we make off of outr conservation idea we can put it to snow plowing. Like 3rd street it is a heavily use street and doesn't get the amount of attention as Main Street, Kansas Avenue, or Mary street. I am also an avid fisherman too and so are my friends, neighbors, family, and co workers. I think we could build a shallow pond for local use, add a member ship fee of some sort to make a profit and to stock the pond. If you set up regulations for the pond like length requirements and position amounts it won't get fished out so fast. And to the ones how break the regulations, they get a heavy fine,( wich there will be a lot) you can use that for more fish stocking and other local uses. This would take an estimated \$5k to \$20k. But that is still way cheaper than having to repair the pool or even a super expensive indoor entertainment center. Now you could say your kid or relative can go out side and experience what's outside, instead of playing video games and sitting on the couch. Thank you for taking time to read my statement that I wrote about for how we can make a stronger community. Mason Robert Vigil 2317 tonio Avenue 6202904343	1/30/2019 11:30 AM
673	I would tell them to not build anything water related they should build something else for us to use for example they could add more to parks and build new restaurants and places people around my age would enjoy hanging out.	1/30/2019 11:26 AM
674	Make multiple free smaller pools please 😊	1/30/2019 11:26 AM
675	Noting .l	1/30/2019 11:24 AM
676	To build it as soon as they can	1/30/2019 11:24 AM
677	Have a taller diving board such as the one in the dodge city water park	1/30/2019 11:23 AM
678	I really would love to see an enclosed pool so the waters chemicals could be kept normal.	1/30/2019 11:22 AM
679	I want multiple pools around town that people would be able to walk to easily	1/30/2019 11:22 AM
680	i dont care about pools	1/30/2019 11:22 AM
681	Big modern nice fun for days	1/30/2019 11:21 AM
682	To stop focusing so much on the pool and focus on other things to do in garden for entertainment we don't need more pools we need more of other things	1/30/2019 11:21 AM
683	It would be great if we could keep the big pool but upgraded.	1/30/2019 11:20 AM

## Big Pool Input Survey (7th-12th)

684	Try and make the Big Pool more better	1/30/2019 11:18 AM
685	I would want to see the commissioners actually do something with this. All this tax money and donations but where are they going? We, as a community, should be granted with a water park like dodge. Look at how much attraction they pull from other towns including ours.	1/30/2019 11:18 AM
686	I want it to stay the same just upgrade it up better slides in and better filters	1/30/2019 11:17 AM
687	Not to make the admission expensive	1/30/2019 11:17 AM
688	An outdoor pool! Some people like to go to the big pool because it is an out door pool.	1/30/2019 11:14 AM
689	If redoing the big pool then I would say to remodel it and make it better, just keep everything that is there already. Use the extra money to possible help Sammy build the ice skating arena, that help make more money if it's run right.	1/30/2019 11:14 AM
690	Make the pool a place for everyone to enjoy and never get tired of	1/30/2019 11:13 AM
691	Multiple locations	1/30/2019 11:12 AM
692	Build em	1/30/2019 11:12 AM
693	The YMCA is soo outdated and the chemicals in the pool are horrible for the skin. To add the aquatic director there keeps the pool above KSHAA regulations and it severely effects swimmer practice for high school swim team.	1/30/2019 11:12 AM
694	Make a bigger and better fun center or something like it	1/30/2019 11:12 AM
695	Just give it an update	1/30/2019 11:11 AM
696	I'm not sure but the project should be able to include everyone, so prices would have to be low and it would be nice if there was more than one water facility	1/30/2019 11:11 AM
697	To make a building that is full of games like an arcade but outside u can do goat cart racing and stuff laser tag to	1/30/2019 11:10 AM
698	To just improve the pool we have.	1/30/2019 11:09 AM
699	Make this shit interesting or I'm killing myself	1/30/2019 11:09 AM
700	Don't get rid of the big pool, just make it better.	1/30/2019 11:07 AM
701	If I could tell the city commissioners something that I would like to see in the water park. I would like to see areas where people could race laps	1/30/2019 11:06 AM
702	I think it is important to consider an enclosed competition pool to replace the YMCA as a swim meet location because of the terrible condition and lack of space at the YMCA. I also think it is important to have a facility similar to the big pool now—public, low cost, and large.	1/30/2019 11:05 AM
703	I think a big water park like the one in dodge isn't necessary because dodge isn't that far from garden and there's where most of us go. Instead we could provide mutiple swimming pools around town near locations we may live by and swim with people who we know and are comfortable around rather than being with strangers with a huge but such as like the one in Garden, the big pool. If we do keep the big pool, k think more activities such as sand volleyball, bigger slides, and more slides would be good for our community.	1/30/2019 11:04 AM
704	I would say try and keep the price reasonable like \$2 to \$3. Some people won't even think about going if it is like over \$5 unless if they are rich.	1/30/2019 11:04 AM
705	I would like to see one large water park with many new attractions so we can get more business than usual	1/30/2019 11:04 AM
706	Do something that will benefit every person in garden.	1/30/2019 11:03 AM
707	What I want the most is a well-kept, large indoor pool	1/30/2019 11:03 AM
708	Get a big water park	1/30/2019 11:03 AM
709	Think it through before spending the money and it not going well.	1/30/2019 11:02 AM
710	Make a pool at rotary park.	1/30/2019 11:01 AM
711	6 flags	1/30/2019 11:01 AM

## Big Pool Input Survey (7th-12th)

712	I would like to see community pools with slides or diving boards. I like the obstacle course at the big pool so if they had an obstacle course, I would go there a lot with friends, possibly. A water park would be cool as well.	1/30/2019 10:57 AM
713	If you thinking about a new pool/water park, Make something both affordable but also fun for all members of the community.	1/30/2019 10:57 AM
714	I hope they take all of the communities opinions in mind.	1/30/2019 10:57 AM
715	Add more activities to the water park. Allow people to buy a pass to just be able to show the pass and walk in without having to pay every time they go. Add an obstacle course or a arcade	1/30/2019 10:56 AM
716	Get a water park ASAP	1/30/2019 10:55 AM
717	i kind of want a large pool like the big pool, but with more options of things we could do there. i think it's better to have just one pool, so that you're more likely to see friends there and more likely to come back. thank you ! :)	1/30/2019 10:53 AM
718	An arcade would be cool.	1/30/2019 10:53 AM
719	It is a great idea. My family and I would use it.	1/30/2019 10:53 AM
720	Make a huge water park please. Parrot cove is to small and not that fun.	1/30/2019 10:52 AM
721	Murals painted on walls would be nice to have	1/30/2019 10:52 AM
722	Make a good competition pool Make a good competition pool Also make sure a good person is ruining the competition pool Competition pool	1/30/2019 10:52 AM
723	The Big Pool is a piece of history for Garden City. It would be very disappointing if it got tore down for sprinklers kids could run through. If you really want a splash park than put it in a different location	1/30/2019 10:51 AM
724	That they should definitely think about a ice skating rink :)!	1/30/2019 10:51 AM
725	The big pool is a part of garden city's history and it is an amazing thing in the community. I think we should keep it open	1/30/2019 10:51 AM
726	Make it a very colorful and fun place for the community	1/30/2019 10:51 AM
727	Make sure the pools are clean and affordable	1/30/2019 10:51 AM
728	I would tell them if they want for people to show up make it appeal to teens because if one teen goes their friends are likely to go with them.	1/30/2019 10:51 AM
729	I think there should be multiple pools around since alot of people who may not have a ride to the one pool and they could live far from it.	1/30/2019 10:50 AM
730	I'd like to see something like a trampoline park. Yes the big pool is something that is important to Garden but a trampoline park would be something I see a lot of family's going to since it would be the only one until Wichita. Everyone one from Salina, Scott, and small towns around Garden would go here since it is closer.	1/30/2019 10:49 AM
731	Outdoor Water park all the way!	1/30/2019 10:49 AM
732	I want see everyone happy with the new pool in town.	1/30/2019 10:48 AM
733	Get'er done	1/30/2019 10:48 AM
734	To make multiple swimming parks. In around the parks around people. Also to not make them crwded	1/30/2019 10:47 AM
735	I would like y'all for thinking about the community in your planning. It means a lot to me.	1/30/2019 10:47 AM
736	Make it huge	1/30/2019 10:46 AM
737	Upgrade the swimming pool it will bring more people to garden	1/30/2019 10:46 AM
738	Allow water guns or a play area for water guns.	1/30/2019 10:46 AM
739	More slides and big area for pool would be nice	1/30/2019 10:45 AM
740	I would like to tell them that they shouldn't create more pools and create something more like an arcade, a soccer turf field (open to public), and to maybe create a gym more advanced. Thank you!	1/30/2019 10:45 AM

## Big Pool Input Survey (7th-12th)

741	ldk	1/30/2019 10:45 AM
742	I just want something that's fun and different, something that will make Garden really interesting	1/30/2019 10:44 AM
743	Make a bigger pool and make it cleaner	1/30/2019 10:44 AM
744	Um put more effort in the sports of America thing because I feel like that'll be batter for older kids since we already have a new water park	1/30/2019 10:44 AM
745	I know the big pool is pretty costly but maybe if you get rid of it and replace it and put ice skating or maybe a go cart track more people would come and have fun	1/30/2019 10:44 AM
746	More slides	1/30/2019 10:44 AM
747	A water park would be nice. Like the one in hays	1/30/2019 10:43 AM
748	Make it fun and enjoyable:)	1/30/2019 10:42 AM
749	I would just say that I think at least one community pool is very important. As well as keeping the big pool. It is part of our history...	1/30/2019 10:42 AM
750	nothing.	1/30/2019 10:42 AM
751	I would tell them they need to get rid of the pool and make a funcenter or a go-kart track	1/30/2019 10:41 AM
752	I would like to have pool still in the community but if you are going to do a big splash park and take out the history of the pool whether we say to or not then I want garden city to have one big splash park in the middle of the city so it's not on just one side and multiple little swimming pools around the city one on each side of town with very little coast.	1/30/2019 10:41 AM
753	Don't get rid of the big pool.	1/30/2019 10:41 AM
754	Nothing.	1/30/2019 10:40 AM
755	I love growing up here, it's my childhood here, I remember all the times I've had here at the pool. I'm close friends with all th y'all life guards, the managers know me very well, they are very friendly. I'd love to see the high dive back,it will bring slot more attention to the pool, a lot more people to come, maybe a bigger kid pool because when it does get crowded the kids have nospace, I also think it needs to go back to \$1 to get back in, it bumped to \$2 when they added that slash area, it wasn't the best addition to it, if I was to pay \$2 or even more, I would stop going, maybe if they added the high dive or bigger slides. Thank you for listening to our small voices, we'd all love to see the change!	1/30/2019 10:40 AM
756	Close the pool if less than 15 people are there	1/30/2019 10:39 AM
757	Don't take away the big pool that takes a lot of high school jobs away	1/30/2019 10:39 AM
758	I think in order to bring in the idea of going to the pool into more people's heads you need to pair up water activities with other activities such as fitness, the spa, or collaborate with other food and shopping chains.	1/30/2019 10:39 AM
759	Pp	1/30/2019 10:38 AM
760	I would love to have big water park with multiple slides, diving boards, and lazy river. Look at Chulla Vista Resort Waterparks, that's what I want.	1/30/2019 10:37 AM
761	To better our pools and if possible also make a new and improved skatepark with bowls, better ramps, stairs, & rails	1/30/2019 10:37 AM
762	Look at what the people want and try to do what they want	1/30/2019 10:37 AM
763	Please make prices affordable	1/30/2019 10:34 AM
764	Teenagers will be the age group that is most likely to make or break this project, so cater towards that age group.	1/30/2019 10:33 AM
765	Do not do any community pools around the city. It'll bring people from surrounding cities to use increasing the probability of someone catching a fungus or something. If a new pool is make it half the size of the current big pool to make it cheaper to afford year round. Make a lap pool with diving boards for the HIGH SCHOOL ONLY to make it easy access for swimmers. If there's a diving board for the high school only that also makes the GCHS swim team eligible for competitions. It also makes it for useful and safer for the student swimmers	1/30/2019 10:30 AM
766	Will you guys actually go through with this idea?	1/30/2019 10:30 AM

## Big Pool Input Survey (7th-12th)

767	You should think of adding a laser tag place just like dodge has a ice skating ring it would bring a lot of people to garden just like the ice skating ring does for dodge	1/30/2019 10:29 AM
768	Make sure that there are plenty of activities available and not a repeat of the same boring obstacles	1/30/2019 10:29 AM
769	I would be interested in a big water park.	1/30/2019 10:29 AM
770	To have something for everyone. The swim team really needs a new lap pool, kids need more exciting water slides and activities, diving boards is a MUST, adults should have somewhere to relax and keep a close eye on kids, babies need to have a fun play area for them to enjoy. Plus, good food should be a necessity.	1/30/2019 10:28 AM
771	To have more activities rather than just swimming	1/30/2019 10:28 AM
772	Don't be dumb with your money but don't be too stingy with it either	1/30/2019 10:28 AM
773	Nitwit, blubber, oddment, tweak.	1/30/2019 10:28 AM
774	To keep having fun and never give up keep the in side pool clean all time	1/30/2019 10:28 AM
775	Kids our age in my opinion don't want more water theamd stuff, they want stuff like laser tag, go karts, trampoline parks and things like that	1/30/2019 10:28 AM
776	Be smart	1/30/2019 10:27 AM
777	I don't have anything to say really. I mean, if I was a person who attended everyday maybe I would say something. Ask a different person, sorry.(?)	1/30/2019 10:27 AM
778	I just don't understand why their isn't a better competition pool than the YMCA just fix that please	1/30/2019 10:27 AM
779	Maybe have more things like go carts or paintball and keep it open year round that way you make money year round and workers have somewhere to go	1/30/2019 10:27 AM
780	Thank you for all of this	1/30/2019 10:27 AM
781	Um they price can't be high most people go to the big pool because it's free that the only reason I've gone the few times I have plus the slides and that was can swim where ever. Also the cost for food and drink is too high most can't afford any they can only swim	1/30/2019 10:26 AM
782	Give us more sporting activities.	1/30/2019 10:26 AM
783	Cool please	1/30/2019 10:26 AM
784	Please	1/30/2019 10:26 AM
785	I want to swim in the summer of 2019	1/30/2019 10:25 AM
786	Make more things to do and open more hours and not a lot of breaks	1/30/2019 10:25 AM
787	Make something the kids will like not what you will like.	1/30/2019 10:25 AM
788	Don't need a lot of okay water parks just a ocupar good quality ones	1/30/2019 10:25 AM
789	Not to destroy things like schools for a pool	1/30/2019 10:25 AM
790	Something like the Fun Center.	1/30/2019 10:25 AM
791	more pools open!	1/30/2019 10:25 AM
792	I think it's a lot better if we could take expenses on fixing and modernizing the big pool instead of getting rid of our parks to build pools. The big pool is a very nice area although I do admit it could use some work, it's where community can go out and have fun!	1/30/2019 10:25 AM
793	To make it decent size with lots of fun activities!	1/30/2019 10:25 AM
794	Have heated swimming pools	1/30/2019 10:25 AM
795	Make it big and fun	1/30/2019 10:25 AM
796	Take it serious and don't get our hopes us and actually make a change.	1/30/2019 10:24 AM
797	I would like for there to be a skate park instead of a pool.	1/30/2019 10:24 AM
798	Make it cheap and simple kids in garden just want somewhere to hang out and eat with friends. Also don't have any wardrobe rules like "no shirt in swimming pool" that's weird	1/30/2019 10:24 AM

## Big Pool Input Survey (7th-12th)

831	Build a bigger and better water park	1/30/2019 8:16 AM
832	Skating rink	1/30/2019 8:16 AM
833	To add a laser tag	1/30/2019 8:16 AM
834	Airsoft airsoft airsoft airsoft airsoft airsoft airsoft.	1/30/2019 8:16 AM
835	I would like to see a water park like Dodge City	1/30/2019 8:16 AM
836	Huge slip and slide that leads into a lazy river	1/30/2019 8:15 AM
837	Go carts	1/30/2019 8:15 AM
838	I would like them to do a Water Park because I think it would be the most fun.	1/30/2019 8:15 AM
839	I would like swimming pools Within walking distance, but to turn the big pool into a fun park,like having a bumper car place,smaller swimming pool with bumper boats with water guns next ti the swimming pool,and arcade and karaoke for kids from 7 and older.	1/30/2019 8:15 AM
840	Multiple swimming pools or a trampoline park	1/30/2019 8:15 AM
841	I would tell them we need a upgraded skate park maybe some new ramps and new stuff there is broken stuff u get rid of the skate park us people who skate board won't have some where to go to do tricks and ride up the ramps in this town.	1/30/2019 8:14 AM
842	Skate park	1/30/2019 8:14 AM
843	I don't think we need multiple splash parks or pools if we are trying to save water, it's a bit counterproductive. Mabye try building more playground equipment, or make a go kart track.	1/30/2019 8:14 AM
844	I would say that whatever they choose should be a place where you could swim and a place for little kids. I would also like for it to be close to home.	1/30/2019 8:14 AM
845	I would want a arcade cent ice skating rink arcade games. A pool but not as big in the place etc... just a hangout place to have fun..	1/30/2019 8:14 AM
846	Make a arcade place.	1/30/2019 8:14 AM
847	I would want a giant water park, lazy rivers, intense slides, a very big area etcetera	1/30/2019 8:14 AM
848	Some things I want done for this project is a fun park. A fun park that has lots of activities in water and out of water such as (water)volleyball, bumper boats (with water guns), (water)basketball. Some things we could do on land is a indirect skate park laser tag, bumper car, and arcade.	1/30/2019 8:14 AM
849	If I could tell the city Comissioners anything about what I want to see them do is, maybe making a skate park and concession stand where the current big pool is located.	1/30/2019 8:13 AM
850	ldk	1/30/2019 8:13 AM
851	Water park (LARGE)	1/30/2019 8:13 AM
852	Have fun	1/30/2019 8:13 AM
853	Build multiple community pools with a small slide and 2 diving boards, like the pool in Holcomb, and upgrade the Big Pool, so small community pools and a upgrade Big pool, also a water park may be fine.	1/30/2019 8:13 AM
854	NO SWIM TEST. Faster and bigger slides, more lifeguards.	1/30/2019 8:13 AM
855	I think that this is a very good idea and if you make it really interesting more people will come and visit it and also it can't have a very expensive price because much people can't afford it and because they have a lot of kids. I would love to see the new pools or waterpark. I can't wait to see till it opens so we can go the first time it opens!!!	1/30/2019 8:13 AM
856	The big pool is really fun now, but I think people would like more pools so they don't have to make a whole trip to the big pool if they live far or maybe a some more pools a slide that is like a water park in the baby pool	1/30/2019 8:13 AM
857	Go carts please	1/30/2019 8:13 AM
858	My mom is a swim coach and she really wants a new indoor lap pool and a 50 meter outdoor lap pool for summer swim team and winter swim team.	1/30/2019 8:13 AM
859	Can you make the admission fee cheaper?	1/30/2019 8:13 AM

## Big Pool Input Survey (7th-12th)

860	I would tell them that I would like to have a pool, with a large area for fun activities inside that way it can be open during the winter.	1/30/2019 8:12 AM
861	I don't really want it to involve water I want it to be where we can ride go carts	1/30/2019 8:12 AM
862	I think it would be cool to have a cool water park with like surfing and different things to do in the water.	1/30/2019 8:12 AM
863	Make multiple pools. NO SPLASH PARKS.	1/30/2019 8:12 AM
864	They need to make splash parks or community pools around different locations and need to take down the big pool. But also we need more business in Garden City (restaurants, stores, and more fun places)	1/30/2019 8:12 AM
865	I would like a skating rink	1/30/2019 8:12 AM
866	No splash pads Multiple community pools for sure	1/30/2019 8:12 AM
867	Add a lazy river	1/30/2019 8:12 AM
868	We need to get an amusement park!!!! ASAP	1/30/2019 8:12 AM

871	I want to see bigger slides and more stuff to do around	1/30/2019 8:11 AM
872	Ok I would turn off al the water and turn the big to a big garden and u really just need cement and soil also it's a good way for children to learn how to grow things and yeah also can be used for community service. The reason why I would like this is because the sun hits well where the big pool is and would be good to grow plants and I would love to go for field trips and yeah I know we have one but look and it saves money and would be fun to visit. And my name is rubi Aguilar Espinoza nice to meet u😊	1/30/2019 8:11 AM
873	NO SWIM TEST and faster and bigger slides maybe some you can go down with tubes and multiple people	1/30/2019 8:11 AM
874	Do pools next to everyone's houses	1/30/2019 8:11 AM
875	Trampoline park	1/30/2019 8:11 AM
876	Make a pool in every park.	1/30/2019 8:11 AM
877	I'd tell my mom Christie Rojas that I don't want them to get rid of the big pool	1/30/2019 8:11 AM
878	Make sure everyone has access, because that's why water is getting wasted.	1/30/2019 8:10 AM
879	I love the Big Pool's history I think that you really need to keep history in mind and not just completely change everything.	1/30/2019 8:10 AM
880	I would want a air soft area with a big open area and a lot of air soft guns for us to use and we would pay 5\$. You could bring your own guns but it's optional and it's open 9am-7pm	1/30/2019 8:10 AM
881	To make a pool in all the parks because if they do that more people might go every day and if that many people go we could make more money than what we did at the big pool and they could maybe build something else at the big pool so I would really like for them to build a pool at every park that way I could go to the pool every day during summer so I won't have to be bored at my house doing nothing and we could also build some splash parks in the parks that aren't big enough for a pool and that way people can have fun without getting into a pool.	1/30/2019 8:10 AM
882	People having fun	1/30/2019 8:10 AM
883	Not mush just like a pool or a water park at Harold long park	1/30/2019 8:10 AM
884	Build more pools. Splash parks aren't that important. Taxes aren't necessary when at concessions like I didn't see the point of why you did so in the big pool but you have to understand you will be taking wild life	1/30/2019 8:10 AM
885	Make a laser tag arena	1/30/2019 8:10 AM
886	Make a dirtbike track.	1/30/2019 8:10 AM
887	To build something that would last and people would always go.	1/30/2019 8:10 AM
888	To get a water park or upgrade the community pool	1/30/2019 8:10 AM

## Big Pool Input Survey (7th-12th)

889	Don't just do what people want do what people need because we need water here in Kansas and if the pool uses all the water we won't have any	1/30/2019 8:10 AM
890	Made the pool big with a lot of slides	1/30/2019 8:10 AM
891	I think it would me better if you guys make a trampoline park for kids and adults and not make it cost a lot	1/30/2019 8:09 AM
892	More soccer fields	1/30/2019 8:09 AM
893	That they should put a new big pool.	1/30/2019 8:09 AM
894	Get a better pool los	1/30/2019 8:09 AM
895	Taking a year to do this is to long of a wait	1/30/2019 8:09 AM
896	Take the shallow end and make it a water park and take gather splash pool and make a lap pool	1/30/2019 8:09 AM
897	To make it big and to make it so everyone can swim and have fun.	1/30/2019 8:09 AM
898	Lots of big slides and at least 5 medium sized pools, a baby area, no admission cost, and a concession stand that has low prices.	1/30/2019 8:09 AM
899	Try to keep the big pool	1/30/2019 8:09 AM
900	Gucci or supreme store	1/30/2019 8:09 AM
901	A Panda Express and a fun building	1/30/2019 8:09 AM
902	I would like to see a new pool and not a splash park	1/30/2019 8:09 AM
903	i would really like a roller skating rank	1/30/2019 8:09 AM
904	Higher diving boards and more slides	1/30/2019 8:09 AM
905	When will it be done	1/30/2019 8:09 AM
906	I don't want a pooli want a mall or different restaurants because I feel like even if you guys take the big pool out no one is really going to go	1/30/2019 8:08 AM
907	I'd tell them that they should build a water park.	1/30/2019 8:08 AM
908	I would want them to keep the big pool.	1/30/2019 8:08 AM
909	Bigger tube slides and higher diving boards and more elaphants	1/30/2019 8:08 AM
910	I want community pools so I can walk to them because they will be within walking distance and I can play with my friends.	1/30/2019 8:07 AM
911	Make a pool with many activities	1/30/2019 8:07 AM
912	A wave pool so surf on	1/30/2019 8:07 AM
913	It is extremely hot in Kansas. We have to have a water facility somewhere that we can cool down. It would be better if it was a pool. If it was a splash park people might shove each other, trying to cool down. It barely matters what kind of facility you make, but rather the people who go there.	1/30/2019 8:07 AM
914	That to at least make it fun	1/30/2019 8:07 AM
915	It would be cool to build a race way for boats to be driven around	1/30/2019 8:06 AM
916	Something that costs less money.	1/30/2019 8:06 AM
917	Make a motorcross track in an area for 4 wheelers and dirtbikes	1/30/2019 8:05 AM
918	Nothing	1/30/2019 8:05 AM
919	Idk	1/30/2019 8:05 AM
920	I would tell them that I think an area that has a pool for people to play in would be nice and the building where lockers and bathrooms are should have a mini restaurant and an arcade and they should charge \$3-5 for admission	1/30/2019 8:05 AM

## Big Pool Input Survey (7th-12th)

921	Something I was thinking about is having an arcade roller rink the old fashion ones unless there was a way to make it more modern. With one medium size arcade roller rink there would most likely be plenty of money to still make nearby community pools around the city, maybe splash parks to be more precise. But something I've been asking my peers and they think it's a great idea and that is somewhere that kids can hang out with the admission cost as the rental cost for roller skates and maybe a con session stand for snacks	1/30/2019 8:05 AM
922	Big slides	1/30/2019 8:04 AM
923	Too make it so kids enjoy it more	1/30/2019 8:04 AM
924	Don't build splash parks there trash a community pool would be better	1/30/2019 8:04 AM
925	Something different	1/30/2019 8:04 AM
926	Trampoline park	1/30/2019 8:04 AM
927	Even though I have never been to the big pool it has been a part of our history but it has cost too much to maintain so I think you should make a museum of the big pool	1/30/2019 8:04 AM
928	Make lots of pools a good price and good snacks for consession stands and make garden city's pool the best so everybody can access it and have a. Great time	1/30/2019 8:03 AM
929	Um idk um maybe a theme park	1/30/2019 8:03 AM
930	I would want them to make it more fun and affordable and also make some ice rinks.	1/30/2019 8:03 AM
931	To make an amusement park instead.	1/30/2019 8:03 AM
932	Make more activity's at the big pool	1/30/2019 8:03 AM
933	Something diffrent	1/30/2019 8:03 AM
934	Why?	1/30/2019 8:01 AM
935	If you do put community pools around garden then let the jlc kids run concessions for there hours	1/30/2019 8:01 AM
936	To make it more fun	1/30/2019 8:01 AM
937	Carnival or ice skating	1/30/2019 8:01 AM
938	Make a big cool pool	1/30/2019 8:01 AM
939	Have people join the pool even if they don't have their swim suit on	1/30/2019 8:01 AM
940	I don't have anything to say.	1/30/2019 8:00 AM
941	If they can please upgrade our pool so people wouldn't say that this place is boring.	1/30/2019 8:00 AM
942	To make a big water park	1/30/2019 7:58 AM
943	Not to get rid of the big pool.	1/30/2019 7:58 AM
944	Keep the big pool	1/30/2019 7:58 AM
945	Hi	1/30/2019 7:58 AM
946	Nothing	1/30/2019 7:58 AM
947	Cleaner water	1/30/2019 7:57 AM
948	I would like there to be a huge pool with everything there already is but moreand it needs to be bigger because it gets really crowded when it's hot out. It should have an indoor concession stand and an indoor pork for you to go and eat your food in the conditioning. You should also put in a party room so people can tint it out. Add more,better, and faster slides. Just make it really fun	1/29/2019 8:34 PM
949	Honestly just update it.	1/29/2019 7:24 PM
950	We need something we can use all year not just in the summer.	1/29/2019 1:25 PM
951	Make a giant water park	1/29/2019 12:29 PM
952	If we could keep a big pool, but with different activities	1/29/2019 11:36 AM
953	What about lions park	1/29/2019 10:53 AM
954	We need a new skate park.	1/29/2019 10:52 AM

## Big Pool Input Survey (7th-12th)

955	I want a record store	1/29/2019 10:51 AM
956	As long as the new project isn't as wasteful of water as the Big Pool is right now then anything really works, but I think a waterpark would be the best choice.	1/29/2019 10:51 AM
957	Why did the city get the big pool from the rec in the first place if it was leaking and wasting water? What reasonable person thought of that? I would rather have some climbing rocks and a better skate park than some pool that wastes fresh water that frankly not every one in the world has.	1/29/2019 10:50 AM
958	Adults need more things to do and not just all for kids	1/29/2019 10:47 AM
959	Yes, western Kansas isn't big . But to be this far west and to have had the biggest out door pool was a huge thing for GC. So I would like to have a pool still. Maybe just better build and organized. Make something that will bring more families to GC . Because GC is growing and will continue to grow. GC can be a vacation City in a couple of years after all the new recreational building are built and open.	1/29/2019 10:47 AM
960	Probably just that what seems like a good idea is having a pool like the big pool and maybe some splash parks around normal parks	1/29/2019 10:46 AM
961	Remove the no parking signs outside the high school and add a new skate park	1/29/2019 10:46 AM
962	Personally, I don't care too much for any of the new updates but I would be fine with any of the decisions. What I would rather see the money spent on is an updated skatepark, so if any of these options have enough money left to build an updated skatepark I would appreciate that decision.	1/29/2019 10:46 AM
963	I would love to see a roller rink, or ice skating rink and multiple community pools. I don't think baby's that haven't been potty trained should use the pool unless they have a designated kiddie pool.	1/29/2019 10:46 AM
964	Make sure to make it colorful and big!	1/29/2019 10:45 AM
965	We should have a large water park located in the city.	1/29/2019 10:43 AM
966	Keep the history of Garden.	1/29/2019 10:39 AM
967	Incorporate more activities for older teens and more activities after 6:00 pm	1/29/2019 10:27 AM
968	If they could invest into a skatepark. A lot of people turn away from skating due to the fact that we don't have a good place to skate. The skatepark we have right now is broken the ramps are safety hazards. The city should invest into updating the skate park and possibly even make it like the one liberal has.	1/29/2019 10:27 AM
969	Ice skating rink or arcade	1/29/2019 8:38 AM
970	Make the watermark have multiple thrilling slides and different attractions. Also maybe considered putting in a activity center that teenagers will be able to use during the winter when the pool is closed.	1/28/2019 6:30 PM
971	Ice skating rink	1/28/2019 2:09 PM
972	It is beyond disgusting and something needs to be updated or taken down Nd put something to bring in attractions. We need people to come to garden City and want to come and swim or come to a water park and not just have an embarrassment of a town by a dirty nasty pool and a Locker room/restroom that is a place looking for athletes feet and fungus and health problems. I think it is completely disgusting Nd so does my family.	1/28/2019 10:23 AM
973	I think Garden would enjoy a water park or an upgraded pool the best.	1/28/2019 9:58 AM
974	Splash park	1/28/2019 9:53 AM
975	You're doing great	1/28/2019 9:52 AM
976	A water park like dodge city, it's really nice.	1/28/2019 9:51 AM
977	I would like to see a pool or some sort and maybe a roller rink again cause I miss that	1/28/2019 9:50 AM
978	Take some of the money and put it towards the skate park. It has been neglected for years with no support and as someone who skates sees there is a rising number of people interested in the park. We need new ramps and rails as well as new half and quarter pipes.	1/27/2019 8:56 PM
979	That it needs to be friendly for everyone. Family's, and everyone in between.	1/24/2019 6:08 PM
980	I would like another big pool, similar to the old one.	1/24/2019 2:52 PM

## Big Pool Input Survey (7th-12th)

981	Maybe open more areas for teenagers to hang out at. Like an arcade or skating rink	1/24/2019 2:46 PM
982	Well the number of kids going to the big pool has decreased by a substantial amount in the past years. Maybe we don't need a pool anymore. The money could go towards something more productive.	1/24/2019 9:32 AM
983	If I could choose one thing that they should do is to make a bigger and better and with more stuff Fun Center	1/24/2019 9:17 AM
984	I would like a skating rink or go cart place.	1/24/2019 9:13 AM
985	I would want to see large water park with different areas and have go carts, laser tag, and different games included with the water park. It would be nice to be able to have a good time in different areas because maybe, after you're tired of playing other different games, you might want to go and relax and cool down in the water park.	1/24/2019 9:11 AM
986	I think turning the big pool area into a skate park would be a good idea and I would definitely go there and be willing to pay to get into the park.	1/24/2019 9:06 AM
987	Would the lifeguards have a better work environment if it was updated? A new and bigger pool house with a section dedicated to the lifeguards in the pool house. A new facility would be great but I enjoy the concept of the big pool but maybe with more features and more land space.	1/24/2019 9:04 AM
988	I think an enclosed pool open year round would be a great addition to the town	1/24/2019 9:03 AM
989	keep the size, location and it an outdoor pool, add a lazy river, keep cost reasonable, adjust open and close times to 2pm-8pm. Open it from April-Sept.	1/23/2019 3:45 PM
990	Do whatever you want I don't care I live in south wind I can just go to the pool there	1/23/2019 1:21 PM
991	I would like something similar to the big pool but just an upgraded version.	1/23/2019 12:25 PM
992	I think we need to put in pools. We need to maybe fix the pool and move the entrance. I like the big pool it is fun and I like to relax there.	1/23/2019 12:17 PM
993	Y'all need to make the big pool expand it gets boring seeing the same thing and doing the same thing every summer we need more things to do we need a high dive!! Make a park just like dodge has one!!!	1/23/2019 12:15 PM
994	I hope what they decide is going to be a good big great change for the community that it's not gonna be like boring or bland. And that they shouldn't just stick to the idea of needing water areas and possibly go in a different direction	1/23/2019 11:36 AM
995	The big pool has been around for a long time so it would just be a big difference in town	1/23/2019 11:32 AM
996	Big pool	1/23/2019 11:24 AM
997	I would like to see activities with the water park with like skating and maybe other activities	1/23/2019 11:24 AM
998	Skating rink	1/23/2019 11:24 AM
999	REPLACE	1/23/2019 11:24 AM
1000	Good locker room	1/23/2019 11:23 AM
1001	An arcade sort of thing instead with many areas that have different activities such as ice skating, go karts, arcade games, etc. It could be near the highschool or other schools since that's the main people that go to these type of things.	1/23/2019 11:23 AM
1002	I would like a more bigger pools and less splash parks	1/23/2019 11:23 AM
1003	Activity venter	1/23/2019 11:23 AM
1004	Make garden fun with a water cheap water park and add community pools around garden	1/23/2019 11:23 AM
1005	Keep the history of the Big Pool, just do whatever needs to be done for it to be a fully functional water park, pool	1/23/2019 11:23 AM
1006	Make something worth our time, more people come to Garden City every year for some reason, and we want something that will bring people in and catch everyone's interest, so I think a Fun Center would be a smart spend.	1/23/2019 11:22 AM
1007	This project should be fun and not very stressful	1/23/2019 11:21 AM
1008	Put an ice skating ring	1/23/2019 11:20 AM

## Big Pool Input Survey (7th-12th)

1009	I think you should make the old big pool into a shooting range put a roof over it and make it safe for shooting, because a lot of people in Garden City Kansas like to shoot guns but there is not a lot of shooting ranges here in Finney County Kansas, and people do not want to drive 30 minutes outside of town because of gas and it's time consuming.	1/23/2019 10:12 AM
1010	I hope this project will be open year-round, modern, cost-effective, and more environmentally sound than the Big Pool. I think it's very important for teenagers and kids to have fun, safe, cheap places to go so they don't get into trouble, and while many attend the Big Pool, it's only open during the summer and is so wasteful. Whatever facility you chose, I hope it serves as a community center with events that engage and improve the community. I really appreciate this opportunity to give my input, and would love to see more community engagement and interaction with students in the future!	1/23/2019 10:07 AM
1011	Get rid of the big pool & remodel it. It's 2019 garden city citizens deserve a new attraction or an upgrade. People like BRAND NEW things. Also add MORE UPDATED essentials basketball courts, picnic areas, etc, small splash parks in each park. We can also add not just water parks but maybe an indoor sports facility for the whole city of garden to use.	1/23/2019 10:05 AM
1012	I would like to see that the job application requirements don't change much, I would like to still work there when it's done.	1/23/2019 10:01 AM
1013	Make the pool bigger or make something that is enjoyable for the whole community like a go kart track or fun center	1/23/2019 10:00 AM
1014	HUGE WATER PARK something really fun	1/23/2019 10:00 AM
1015	We get very hot summers and a pool is something we all need with lots of shade	1/23/2019 9:59 AM
1016	Yes I would	1/23/2019 9:59 AM
1017	Bulldoze the pool add more basketball courts and move the location to rotary areas or Harold long area	1/23/2019 9:59 AM
1018	Size doesn't really matter, I think it's more of the activities that can be done. Instead of having two big pools, we can have a lazy river, and stuff that a water park has but in a smaller version.	1/23/2019 9:59 AM
1019	I would tear down the big pool, and make it into basketball courts and I would turn Rotary Park into a waterpark or a big pool with better features (big slides, diving boards)	1/23/2019 9:58 AM
1020	Be interesting, I do not care, disregard this I was told to take it.	1/23/2019 9:56 AM
1021	For it to be fun and never tiring	1/23/2019 12:38 AM
1022	Make a pool that is big and that is so cool that it can be the top most awesom pool ever created, make a pool so huge and cool you'll drive other pools out of business	1/23/2019 12:19 AM
1023	Well don't do anything stupid and actually give the people of garden city something to do instead of having us say let's go to the movies or the pool	1/22/2019 5:20 PM
1024	To make the pool for everyone	1/22/2019 2:38 PM
1025	I would like it to be closer to the location of where I live. Make it easier on the people who don't drive and want to relax by a pool.	1/22/2019 2:34 PM
1026	I would suggest making good use of the funding and To be mindful of the community's wishes	1/22/2019 2:34 PM
1027	Just listen to what people have to say.	1/22/2019 2:34 PM
1028	I would like a inclosed facility that would house swim meets/events, be very friendly with the locals, have a concession stand that is hopefully unlike the big pool's, and have enough activities for one to enjoy themselves most of the time. Thank you for letting the community voice their opinions and taking your time to read my opinion thoroughly.	1/22/2019 2:33 PM
1029	I would tell them that they should think about setting up a water facility or pool on the other side of town	1/22/2019 2:31 PM
1030	Make it a nice, clean, upgraded and safe place to be.	1/22/2019 2:27 PM
1031	Expand the deep side of the pool	1/22/2019 2:25 PM
1032	I would tell them to upgrade it and for it to look way nicer specifically in the locker room area/showers. I would also tell them to make snacks less costly and to allow people to bring their own snacks incase someone is allergic to what the options the concession stand gives.	1/22/2019 2:25 PM

## Big Pool Input Survey (7th-12th)

1033	A fun center	1/22/2019 2:24 PM
1034	I would like to see the fact that we still have a pool because the big pool is part of garden city history because of the elephants.	1/22/2019 2:23 PM
1035	I would give the entire community some question about what they think about the idea and show him the results and make sure the city commissioners follow through what the people want.	1/22/2019 2:22 PM
1036	The temperature definitely needs to go up in areas because by the time you get out you are purple and even in the 4ft if you are wanting to bring a baby to float that is dangerous because of the very low temperatures. You should also definitely update the cleaning system as well because as it is not as dirty it still is quite dirty and the bottom is very slimy. The slides also can get very slimy. I think the locker rooms are absolutely disgusting, I don't mean to hurt feelings but I feel as if they have never been updated and it's gross in my opinion.	1/22/2019 2:22 PM
1037	If your going to change anything, I would say please update it and have more activities	1/22/2019 2:21 PM
1038	Make it somewhat similar to Hays, Ks swimming pool	1/22/2019 2:20 PM
1039	It don't matter	1/22/2019 2:20 PM
1040	The more slides the merrier	1/22/2019 2:20 PM
1041	Please make us enjoy the summer a little more , thank you.	1/22/2019 2:18 PM
1042	Take the idea of the obstacle course and small splash park and make them bigger. Make a real functioning course and upgrade some of the splash park items that broke.	1/22/2019 1:29 PM
1043	I would prefer that this project satisfy the majority so it has better chances of being successful for years to come.	1/22/2019 1:26 PM
1044	In all honesty I have a pool at my house so I don't see myself or my family visiting a community pool. Although I may not go, I thought the big pool was the greatest place on earth when I was little so I think it is necessary for the community	1/22/2019 1:25 PM
1045	I would like to see that there is no splash parks around the city I would like to see a bigger pool with more activities not caring that the admission rates went up at about \$5 to \$10 with options of family packages.	1/22/2019 1:24 PM
1046	Do better.	1/22/2019 1:24 PM
1047	I want the project to not also think about the people who are going to go to it, I want you to also think about the environment. When making decisions think thoroughly about not just the people but everything else around it.	1/22/2019 1:24 PM
1048	I would like to see cleaner water and less people. So a more spacious place where people can be set everywhere.	1/22/2019 1:23 PM
1049	Nothing	1/22/2019 1:22 PM
1050	I would tell the City Commissioners that they should take into account the diversity, ages, and mobility of Garden City.	1/22/2019 1:22 PM
1051	Just renovate the pool or make a brand new one.	1/22/2019 1:21 PM
1052	Keep the pool clean and waste free pls	1/22/2019 1:20 PM
1053	Yes	1/22/2019 1:20 PM
1054	A splash park with carnival would be nice.	1/22/2019 1:19 PM
1055	Well if it's anything, then I'd say to make one big pool or water park like Dodge but even better because we're Buffalo's of course.	1/22/2019 12:38 PM
1056	I think we should get a skatepark because our skate park is Garbo.	1/22/2019 12:36 PM
1057	Uhhhhhhh	1/22/2019 12:28 PM
1058	I would definitely still like there to be a pool open to the public	1/22/2019 12:28 PM
1059	A fun center	1/22/2019 12:27 PM
1060	I would want tell them is to have great ideas of how to improve pools.	1/22/2019 12:26 PM
1061	Fuge center	1/22/2019 12:11 PM

## Big Pool Input Survey (7th-12th)

1062	I hope they consider that a lot of people find the space too crowded or too expensive to go too often, making those the biggest concern I have.	1/22/2019 11:44 AM
1063	I would request that it be a good place for all kinds of families.	1/22/2019 11:40 AM
1064	Make a more fun and safe area for adults.	1/22/2019 11:23 AM
1065	Nothing because I never even went to the big pool	1/22/2019 11:23 AM
1066	I would tell them I want to see them build an aquarium or upgraded zoo.	1/22/2019 11:19 AM
1067	put some aquatic animals in there	1/22/2019 11:11 AM
1068	no	1/22/2019 11:11 AM
1069	If the pool doesn't work out make a fun center	1/22/2019 10:59 AM
1070	Nothing	1/22/2019 10:56 AM
1071	Nothing.	1/22/2019 10:55 AM
1072	I would want to make an open water park where there is huge slides and also like a chill area. Also a kids area but also a place where babies can be. Also I would have a lazy river and a place for just hanging out with friends.	1/22/2019 10:49 AM
1073	Put in an area that you could rent for a day and it will only be for you and who you invite.	1/22/2019 10:49 AM
1074	If this project doesn't work out I would recommend rebuilding the fun center. It attracted a lot of young people because of the roller skating, arcade, and a dance room.	1/22/2019 10:48 AM
1075	BBO- migos, make a better skatepark	1/22/2019 10:48 AM
1076	Tell them when they have a movie night they put a poll for the movie	1/22/2019 10:48 AM
1077	Give the new pool a high dive	1/22/2019 10:47 AM
1078	I got nothing.	1/22/2019 10:47 AM
1079	Put in more activities	1/22/2019 10:46 AM
1080	I would tell them that if they could put more activity's for the older kids/people because us teenagers don't have anything to do there everything is basically for the kids	1/22/2019 10:46 AM
1081	That they should consider just making the big pool better and bigger	1/22/2019 10:46 AM
1082	We need something new and exciting	1/22/2019 10:45 AM
1083	Hopefully this would happen soon for the future generations to go outside more instead of being inside	1/22/2019 10:44 AM
1084	To have more activities	1/22/2019 10:44 AM
1085	I think garden city should have at least one outdoor swimming pool.	1/22/2019 10:43 AM
1086	I would tell them to make it the best project they've ever had to do.	1/22/2019 10:43 AM
1087	Convert a project that the community would feel safe and protected and have fun with their families.	1/22/2019 10:20 AM
1088	I would tell them that a new water park is not needed and would like for them to invest in other things such as a skatepark or bike park or even (this ones a stretch) hosting a offroad race in river. My point is that there are a lot better things than a pool or splash park that are easier on the budget and can affect the community in the same way.	1/22/2019 10:18 AM
1089	To make the pool bigger and add more activity's	1/22/2019 9:56 AM
1090	Make a pool close to vo and make it indoor and all year around	1/22/2019 9:32 AM
1091	Dear city commissioners I think instead of a pool I believe a mall would be better because I think more people will go their instead of a pool. Like an actual mall not the one u walk outside like one that u can go in and shop and their is different stores inside of it. They would also be toys food and other thing. I think teens and even older woman would love to go their. That's why I think we should build a mall instead of a pool. Oh and the mall should be placed in the middle of town so it would be kinda that same distance to everyone.	1/22/2019 9:32 AM
1092	Make a indoor competition lanes	1/22/2019 9:27 AM

## Big Pool Input Survey (7th-12th)

1093	I just want a pool near my house that I don't have to walk for three hours to get to. I live by the ethanol plant.	1/22/2019 9:24 AM
1094	Don't take the pools away	1/22/2019 9:23 AM
1095	Please don't put a splash park in Steven's park.	1/22/2019 9:21 AM
1096	Try to make more shade	1/22/2019 9:16 AM
1097	I would like to see a sand volleyball court	1/22/2019 9:15 AM
1098	Just that they actually takes these surveys into consideration	1/22/2019 9:08 AM
1099	My opinion is to make the outcome of the project a friendly and safe place for families but still very fun for everyone of any age to enjoy and have a good time.	1/22/2019 9:04 AM
1100	I would tell them to make a water park because people would go ther more and they could get more money out of it	1/22/2019 9:03 AM
1101	I think it's very important to keep the big pool its historically a very important part of garden city and is still today it would be devastating for future generations not to be able to enjoy somthig that we did and our parents did before us	1/22/2019 9:03 AM
1102	Definitely to add sand volleyball. I'd go just for that. Definitely add more things that don't include getting wet	1/22/2019 9:03 AM
1103	I think the community should turn the big four and still have a little spot to swim	1/22/2019 9:02 AM
1104	Can there be a indoor picnic area so the bugs can't bother people when they're eating	1/22/2019 9:00 AM
1105	Do something that admission wouldn't be too overly priced, reason being because not many people I know go to parrot cove because of how pricy it can be.	1/22/2019 8:58 AM
1106	I would love to see the big pool get an advancement, new locker rooms, add a lazy river, high dive, wave simulator, just add more things that will attract kids my age and older to the big pool, also keeping the pool cleaner, updating the food court, I feel if some of these things get added/updated then it will cause the big pool to attract a lot more people in GC and around GC	1/22/2019 8:57 AM
1107	More sparking space.	1/22/2019 8:57 AM
1108	The big pool is tradition, people depend on it.	1/22/2019 8:56 AM
1109	If there's going to be more pools and splash park around garden that would be amazing bring in more community	1/22/2019 8:55 AM
1110	Make the big pool fun again	1/22/2019 8:53 AM
1111	Pool isn't that important	1/22/2019 8:51 AM
1112	Improve	1/22/2019 8:50 AM
1113	The big pool has to stay, also a skate park would be cool or a roller skating ring would be awesome	1/22/2019 8:47 AM
1114	Make a chic fil a	1/22/2019 8:46 AM
1115	High dive, competitions,wave pool, lazy river	1/22/2019 8:45 AM
1116	We should keep something water related over the summer for kids, teens and grown up because that's also a key of alot of money the city makes. People come from all over just for the big pool. If we had different water related activities we would have more people coming and bringing more money. And people would be more content with all we actually have and not complain about how "boring" garden city is.	1/22/2019 8:39 AM
1117	Just turn the Big Pool into a skate park rather than destroying it and trying to make a better pool just find a new location for a new water park.	1/22/2019 8:39 AM
1118	A bigger obstacle course like the show wipe out	1/22/2019 8:38 AM
1119	To have a movie type of thing	1/22/2019 8:37 AM
1120	Turn big pool into a concrete skate park	1/22/2019 8:37 AM
1121	I don't want a water park !	1/22/2019 8:37 AM
1122	Spend money on something bennifical	1/22/2019 8:37 AM

## Big Pool Input Survey (7th-12th)

1123	Please build us a new skate park	1/22/2019 8:33 AM
1124	Have a fun center (with arcades, mini golf, bowling, etc), an all year round pool, and a go-kart/skate park at one of the many locations	1/22/2019 8:25 AM
1125	Do what you believe is good for you and don't give up hope	1/22/2019 8:22 AM
1126	I'd tell the City Commissioners that having big (pool's) and water (park's) are very important to our community and they need to be more of them and they need to be more accessible and clean.	1/22/2019 8:13 AM
1127	I would love to have an indoor pool for year round swim team swimming, and some fun water slides	1/21/2019 8:49 PM
1128	Something like a fun center or a davin busters or something active not swimming	1/21/2019 3:31 PM
1129	I would want the splash park to look like the jungle	1/21/2019 2:33 PM
1130	I would really like for you guys to make 2 splash parks and if they turn off at 9 you could make them light up with different colors, it'd make them look peaceful and just soothing to look at. We could also use an area where children/teens/adults/elders could hang out for instance a skating ring or a mall because in this town you can't really hang out with anyone unless you're going out to eat or to their house.	1/21/2019 2:33 PM
1131	multiple locations that offer different things would be way more appealing than a single location. Maybe you should consider something other than a pool that people could use year round. Like a rollerskating rink. Something all age groups would be interested in.	1/21/2019 2:28 PM
1132	Water fountain area with a garden or something aesthetically pleasing with lights or something affordable.	1/21/2019 2:25 PM
1133	Gocarts	1/21/2019 2:24 PM
1134	I really don't swim much. If I had a full say I would just recommend a fun center. A place where we can all go and have roller/ice skating, putt putt golf, bumper cars, go carts, an arcade. Maybe even something where we can play laser tag, or glow in the dark mini golf. But if it came down to swimming things I think a big water park with many attractions would be fun. It might even encourage me to wanna go swim more often. But it would need many fun attractions and large fast fun slides	1/21/2019 2:23 PM
1135	While I think that Garden City should have a pool or water park or whatever, I think that something different like an ice skating rink or a regular skating rink would be better. I also don't think the recent lack of attendance is just because the pool is uninteresting. For a long time I've heard everyone around me saying that there isn't anything to do in Garden City and I don't think that will really change with a different pool.	1/21/2019 2:23 PM
1136	Make the cost affordable so that everyone can have a chance to go and have fun	1/21/2019 2:22 PM
1137	I would like to see an arcade, Something that we can do year around. I would also like go carts or mini golf. It would be nice for it to be near the Big Pool so during the summer you have all the options not just to swim. It would also be nice to have a small pool near my home so I can take my sister so she won't be bored at home.	1/21/2019 2:22 PM
1138	Make a huge water park	1/21/2019 2:21 PM
1139	I would want a big water park that's \$3-\$5 l'm admission or something along the likes of a bigger pool. I think what people want now are big slides and big obstacle courses. Fast slides and nice	1/21/2019 2:21 PM
1140	Stray away from water and do more of a mini golf course or go carts type of deal	1/21/2019 2:20 PM
1141	I'd rather have a big building that includes go karts and laser tag and a area for people just to sit and chat and a skating ring	1/21/2019 2:18 PM
1142	Good luck	1/21/2019 1:42 PM
1143	make it less expensive	1/21/2019 1:25 PM
1144	i would tell them to uprgade the full like brand new and put new and fun things for the pool	1/21/2019 1:23 PM
1145	they should build multiple pools so everyone could go close to their house.	1/21/2019 1:23 PM
1146	better slides, bigger swimming areas	1/21/2019 1:23 PM
1147	I prefer we stay away from the pool or water park ideas and try something new.	1/21/2019 1:22 PM

## Big Pool Input Survey (7th-12th)

1148	i want to see them to make a pool with real courses that are hard that need a lot of endurance so people can have fun but be exhausted	1/21/2019 1:22 PM
1149	I just want a better and a more well cared pool.	1/21/2019 1:22 PM
1150	spend the money on something that the city would like	1/21/2019 1:21 PM
1151	MAKE SOMETHING THAT WILL MAKE MONEY INVEST THE MONEY IN SOMETHING GOOD	1/21/2019 1:20 PM
1152	i would ask them if they can put like water type rollercoasters	1/21/2019 1:17 PM
1153	make it better and worth it also for all ages to be able to join in the fun	1/21/2019 1:17 PM
1154	nope	1/21/2019 1:17 PM
1155	water is not it anymore chief.	1/21/2019 1:16 PM
1156	we dont need vary much water recreation	1/21/2019 1:13 PM
1157	to make it a big pool with fun activities	1/21/2019 1:00 PM
1158	Make a new baseball feild or a new bowling alley	1/21/2019 12:55 PM
1159	Cut down on rules	1/21/2019 12:53 PM
1160	I'm glad you guys are taking consideration of making gc a little more fun and taking in our ideas. I'd like to see a waterpark of just slides with a lazy river. Other than water related things maybe we should get a skating rink or an ice skating rink. an arcade for family and friends including like race carts. Thank you guys!! :)	1/21/2019 12:52 PM
1161	I would tell them that there should be go cars and a pool by side also a roller skating	1/21/2019 12:50 PM
1162	An upgraded *fun center* would be great to see but not at the location of the big pool, I do, however think we should keep the big pool, just improve the water conditions and "tanning" area because it is very small.	1/21/2019 12:50 PM
1163	Make it fun and bigger	1/21/2019 12:44 PM
1164	Surprise us	1/21/2019 12:41 PM
1165	Make sure upkeep is #1.	1/21/2019 11:46 AM
1166	Please don't forget about maintenance costs and renovation costs.	1/21/2019 10:13 AM
1167	I love swimming but need a place to practice that isn't so crowded and has more available times to swim. Please give us an indoor pool. I want to swim in college and there are other kids that want to swim in college. We have a growing swim team and we need a facility for practicing and competing. Thank you for your consideration.	1/21/2019 9:46 AM
1168	more concession stand options	1/21/2019 9:35 AM
1169	I want you guys to save all this money and build a dodge dealership and bulid a walking bridge over the highway on spruce street.	1/21/2019 9:33 AM
1170	To make it amazing	1/21/2019 9:32 AM
1171	i know this is not about water parks but please build us a new skate park that could be connected to a regular park or something. The one we have now isn't to great but it's something but i think we should have an upgraded one that more in town for more people to be able to get to.	1/21/2019 9:29 AM
1172	just leave the big pool but upgrade it	1/21/2019 9:29 AM
1173	YOu guys should just put a few of them areas and use the rest of the money for places that could be used year round like Dave n busters or places like that where it could be family fun or a go kart track or maybe even a mall or something	1/21/2019 9:28 AM
1174	very simple you dont have to go build anything new just update are bigpool	1/21/2019 9:28 AM
1175	big pools	1/21/2019 9:28 AM
1176	Just to improve the pools and keep them more clean than the big pool now and keep prices within reason for all people.	1/21/2019 9:28 AM
1177	Make Another Community Pool since everyone in Garden City tries to cram into a pool with limited space.	1/21/2019 9:28 AM

## Big Pool Input Survey (7th-12th)

1178	I would like to see the big pool shut down, the amount of water that the big pool goes through in a day is sickening. I do still believe that there should be a water recreation option for Garden City, be it the splash parks or smaller pools that are spread out around the city. My biggest issue right now is the amount of water that is used in the big pool, I think we could do smaller pools across the city and use less water than the big pool and they would be more available to residents.	1/21/2019 9:13 AM
1179	do y know de way	1/21/2019 8:59 AM
1180	N/A	1/21/2019 8:57 AM
1181	Surfing station, lazy river, competition pool, open year round park, indoor/outdoor areas, large slides, slash zone for small kids, swim lessons, water aerobics, water walking, picnic areas, tubes, life vests, family nights, concerts, movies. Community events all year, Halloween/Easter activities ect. Year round events!! I love Dodges park but it's open air, it should be both to be open all year to have funding coming in all year.	1/21/2019 8:37 AM
1182	Year round swim. Facility for all ages more shade outdoors	1/20/2019 10:03 PM
1183	Turn it into a Indoor Competition pool. PLEASE!!	1/20/2019 12:01 PM
1184	We need a pool in garden city . Especially since we have so many kids including myself that swim competitively. Dodge city's water park is awesome. We need one like that to accommodate everyone's needs.	1/19/2019 11:56 PM
1185	We really really need an indoor facility so that we could use it for swim team practice for high school and so that we can get wag more people involved in the amazing sport we know as swimming because everyone deserves the chance to get to swim and have fun with friends instead of being inside playing video games like Fortnite and Minecraft or call of duty	1/19/2019 11:39 PM
1186	make avail lane for all people. most water parks are based around kids or adults but we also need to look into swim team when building	1/19/2019 9:23 PM
1187	Water	1/19/2019 9:04 PM
1188	I like the big pool a lot. There is nothing else like it	1/19/2019 7:04 PM
1189	Don't let the big pool go! It's a historic landmark for this city and a lot of people would be devastated to see it go.	1/19/2019 5:23 PM
1190	Do not change The Big Pool! It is valuable to the community and my family has been going there for years! If anything, it should be a preserved historical landmark! I don't know what I would do without it in the summer	1/19/2019 5:10 PM
1191	An indoor swim facility would be beneficial to the city. Possibly partner with USD 457 and the College. With the ability to have bleachers for event viewing. Barton County CC has a very nice facility.	1/19/2019 5:02 PM
1192	Make a competitive level pool for swim teams. The YMCA does not work well.	1/19/2019 4:55 PM
1193	we need a pool at our high school	1/19/2019 4:25 PM
1194	We need a 50 by 25 meter pool.	1/19/2019 4:21 PM
1195	Pool!	1/19/2019 4:05 PM
1196	We need a competitive indoor pool. Many kids are engaged in summer swim team and need an opportunity to swim the rest of the year to be competitive in HS swimming!	1/19/2019 3:56 PM
1197	We need an indoor facility where people can come compete for swim meets. There is a high need for an enclosed pool in Garden City. We only have one indoor pool in garden city and the facilities are inadequate. the hours for lap swim are limited and there isnt enough room to support all those interested in lap swim. We have several people in garden city who swim for fun and health reasons. We have a large youth swim program needing a facility for practices and a high school boys and a girls team needing a good place to practice and host meets. Please include an enclosed lap pool in the plans for Garden City. This would be a great addition to a water park plan or even just improvement to the current pool.	1/19/2019 3:43 PM
1198	I am a high school swimmer and the pool conditions at the Y are awful. The conditions routinely make swimmers sick and give them rashes. The pool heat makes throwing up at practice a common occurrence. Every high school and club swimmer would love a clean, healthy, indoor competition pool.	1/19/2019 3:43 PM

## Big Pool Input Survey (7th-12th)

1199	We need an indoor and outdoor facility that is competition ready. We need this so that way we don't have to use the Y any more because it is so shady there. Also many adults drop of their kids at the pool and they need a place to hang out in the summer so they don't get in trouble. Also a large number of teens use the big pool as their summer job.	1/19/2019 3:39 PM
1200	We need a better indoor competition pool than the YMCA.	1/19/2019 3:39 PM
1201	I would like to see the big pool stay open	1/19/2019 3:38 PM
1202	Indoor pool	1/19/2019 3:34 PM
1203	Better locker rooms	1/19/2019 3:32 PM
1204	If you look at the surveys you could see what the people want and what they don't want	1/19/2019 3:32 PM
1205	The swim community is growing. We have over 80 summer swimmers that like to compete. It would be nice to have a competitive pool that will help the community and bring in others to the area for competitive swimming. The swimmers can not compete in the winter like they can in the summer. The YMCA is not adequate for the number of winter swimmers and there is no way for an audience to watch swimming with the current facilities	1/19/2019 3:28 PM
1206	An indoor pool with a nice layout and good locker rooms.	1/19/2019 3:27 PM
1207	Get a good pool to swim in	1/19/2019 3:27 PM
1208	We need a better indoor lap pool for competitive swimming. None of the pools in our community are adequate year round for this.	1/19/2019 3:26 PM
1209	N/A	1/19/2019 3:25 PM
1210	I would them to keep the big pool open it is the best part of garden City in the summer and it should take be removed	1/19/2019 3:25 PM
1211	Our community needs an indoor facility where we can host swim meets and hold practices. Our local swim teams are competitive, but we need adequate facilities. Come to a swim meet at the YMCA... there is no room for teams or spectators. Lakin and Ulysses have better indoor facilities than we do.	1/19/2019 3:24 PM
1212	Nothing	1/19/2019 3:24 PM
1213	Build a pool for swimmers at the high school. If a new pool is created make it half the size of the current big pool to make it easier and cheaper to manage.	1/19/2019 3:02 PM
1214	Need an enclosed swimming pool to be utilized year round and have and adjacent outdoor pool for use in the summer months. The indoor and outdoor swimming facilities could make money with competition swimming and promote exercise for all ages. GARDEN CITY NEEDS AN INDOOR POOL!	1/19/2019 2:59 PM
1215	We desperately need and would utilize an indoor competitive swimming pool!!	1/19/2019 2:58 PM
1216	Compared to other towns in Kansas of similar size, the facilities for our swim teams are atrocious. The interest in swimming in Garden City and the surrounding areas is growing fast and a new, competitive facility is necessary to meet that need and provide swimmers with the tools to be successful.	1/19/2019 2:56 PM
1217	Keep the big pool! Important part of our history! Great place for junior high and high schoolers to hang out in the summer and not get into trouble! Plus it keeps them active!	1/19/2019 2:51 PM
1218	It would be nice to have a pool at the high school and easier to access	1/19/2019 2:49 PM
1219	Keep something like the big pool. We need a place for teenagers to go during the day when all activities are in the morning.	1/19/2019 2:48 PM
1220	We need an indoor pool to use year round and teach kids how to swim. Not dumpy splash parks so no poor kids never learn how to swim! Easy to tell some rich person wants splash parks. Leave the low income kids behind because they don't have a pool in their back yard.	1/18/2019 10:23 PM
1221	Create a variety of things for all ages. Not all of us will love a splash park or just one big pool or a single pool in general. Make lots of things ice rink roller blading a Dave and busters. Think for all ages even adults	1/18/2019 3:18 PM
1222	Arcade, go karts and anything like that	1/18/2019 1:17 PM

1228	To keep an good amount of the pool for people to swim and then another part or competitions. Then with the extra space at like other activities kids and adults can play. I would also tell them if they could at splash parks at dean wilee and at peebles complex because there are a lot of event that happen and parent who have younger kids that don't play baseball or softball then they could go and play in the splash park instead of being bored.	1/18/2019 10:47 AM

1234	A project that reduces water waste. We don't NEED a splash park or a water park. If anything, there shouldn't even be community pools. We could change things up by getting something like a roller skate place. We don't need to waste all the water.	1/18/2019 10:46 AM
1235	I would tell them to create more entertaining activities inside.	1/18/2019 10:45 AM

1261	After seeing the power point and seeing how much water and money is used for the big pool I don't think we need one that bad. BUT If you can use A LOT less water, have it be a lot more inexpensive, have an arcade and we definitely need to have sand volleyball then I think a newer big pool might be nice	1/10/2019 4:39 PM

1279	?	1/8/2019 11:35 PM
1280	Sand Volleyball pits and a public waterpark	1/8/2019 1:43 PM
1281	I believe it is vitally important to recycle the water to conserve our resources. I would suggest only doing one splash park to see how it goes. I think a good location could be the downtown park. To get more people involved like elderly, handicap, swim teem. It would be more feesable to to an inside pool Year round pool with Holliday activities. You could look at a roll back top for the summer months, again using a recycle watering system! Sand volleyball could beneficial to using for fundraisers or completions! How about doing selected party nights for girls night out, singles/mingles night. Church youth nights!	1/8/2019 1:29 PM
1282	I am excited to see what they come up with	1/8/2019 1:18 PM
1283	I am very excited to see what you guys decide.	1/8/2019 1:17 PM

## Big Pool Input Survey (7th-12th)

1284	All I would say is that there really shouldn't be a need for more than one pool. As it seems now, and no offense at all, but it seems as if by the amount of water that is wasted and hundreds of thousands of dollars going down the drain, I would stick with just ONE pool or park. Having more than one pool is only going to cost more money and time for maintenance, and like I said no offense, but it seems as if there's not enough money to pay for the first pool anyway. The last thing that needs to happen is for more money to spent and then not get much of a show for customers. Customers will drive to what they want. That's just a fact. If they really, REALLY want something, they will go and get it. The pool should also not be free, because you will not earn anything if you don't. Concession stands are not enough to pay for maintenance and taxes and lifeguards and etc. The pool HAS to have some sort of money to go with in order to survive. In short, don't waste money on other pools and parks, customers should pay for admission for about \$2-\$3, and there should be enough money to keep the pool.	1/8/2019 1:15 PM
1285	I'm very glad that that you guys aware others about the water situation and how to help the community	1/8/2019 1:14 PM

1290	Don't make the price go up for people who live out of town please, Deerfield (the town I live in) makes those who live out of Kearny county pay \$3 when those who live in Deerfield is only \$1-\$2	1/8/2019 1:06 PM
1291	Try to change things up as much as possible and keep introducing new little things to keep people interested and wanting to come back	1/8/2019 1:04 PM
1292	I would like to have a water park near me.	1/8/2019 1:04 PM
1293	All the locations should be very nice clean and just a fun place to go to	1/8/2019 1:03 PM

1304	Bigger is better	1/8/2019 12:58 PM
1305	Save the water there is other things people can do with the water bad enough that farmers use a lot of water to plant don't need a pool to take more water of course it would be fun but it's gonna take a lot of water	1/8/2019 12:58 PM
1306	I think haveing multiple splash parks would be great but what I feel like that would be better is just to have a big water park	1/8/2019 12:58 PM
1307	Drop the pool idea and make and arcade/ roller ring place instead	1/8/2019 12:58 PM
1308	Just clean the pool and not have it dirty	1/8/2019 12:58 PM
1309	I have nothing	1/8/2019 12:58 PM
1310	Community pools is not a good idea. I think updating the Big Pool is the best way to go.	1/8/2019 12:58 PM
1311	I believe the community pools is not a really good idea. I feel like with updating the big pool is good enough.	1/8/2019 12:58 PM

## Big Pool Input Survey (7th-12th)

1312	I would just ask to find a better way to conserve water. Us farmers to here hear the amount of gallons used or wasted and almost pass out because of the use the wasted water could have had on the crops or livestock. I would like to know if there was a better way to recycle the water at a water park or regular pool, and if there would be a way to reuse the water at a splash park since the water would essentially squirt out onto people and wash off and down into a drain. Would we be able to run it through filters and reuse it? Or would it be a waste of water?	1/8/2019 12:57 PM
1313	To make the water park big and fun for both kids and adults	1/8/2019 12:57 PM

1322	I feel like a water park would be the best option.	1/8/2019 12:56 PM
1323	I believe that the water park would benefit the city the most because in stead of being in the hole money wise you could now profit compared to many community pools and splash parks were you may break even compared to the big pool now but you wouldn't have profit coming in. Also for garden and surrounding communities a water park would be a lot of fun, maybe attracting more tourists to garden and allowing the city to expand more.	1/8/2019 12:56 PM
