81	To crowded	2/19/2019 10:06 AM
82	because I liver on Holcomb and the pool is more small on Holcomb.	2/19/2019 10:06 AM
83	The staff at the pool is really unprofessional and it seems as though the kids can not have fun. Wearing a life jacket in the baby pool is not allowed, that is not right and not safe. The water in the baby pool is to high for most small children.	2/19/2019 9:41 AM
84	My grandson is only 2 and we have not taken him yet.	2/19/2019 9:30 AM
85	Water is to cold and it's an outdated facility	2/19/2019 8:55 AM

97	The pool is not a safe environment. is is not clean. it is too big to let kids play in as there are not enough safety measures in place to make sure they will not drown. To far away from our home to get them there.	2/15/2019 11:28 AM
98	I don't go there anymore, but growing up here we went to the Big Pool several times a week and took swimming lessons there for many years in the summer. I took my kids there, too, when they were young.	2/15/2019 10:06 AM
99	I have been there in past years, using the slides, but not last summer.	2/15/2019 9:52 AM
100	DIRTY WATER. DON'T WANT TO SWIM IN URINE.	2/15/2019 9:41 AM

142	I grew up in Garden City. Both of my parents are deceased and my siblings live elsewhere. Therefore, my visits back to Garden City are infrequent. Nevertheless, it is important to me that this icon is preserved and improved. The Big Pool played a very large part in my growing up. Garden City would never be the same without the Big Pool, Finnup Park, and Lee Richardson Zoo.	2/8/2019 11:15 AM

473	There are nicer pools (cleaner, warmer water, more shade) in the surrounding area, as well as the waterpark in Dodge City that my sons prefer. I think the Big Pool has run its course. Keeping it simply for nostalgic reasons is pointless. Garden City needs swimming/water facilities that are comparable to neighboring cities/towns in order to keep patrons (and their \$\$) in town. We spend our "swimming" \$\$ in other cities because their facilities are better.	1/16/2019 11:14 AM

493	It is to big for my age of kids and tonsorrad out. I also feel like some of the rules do not make sense-like if my child has a life jacket on they have to be with in arms length of me. I would never let one of my kids go by themselves to an area of the pool without me as they are to young for that and I feel that the big pool is to crowded and the life guards can't possibly watch my child as good as I can. For these reasons we haven't been to the big pool in several years. It is just to big.	1/10/2019 9:20 AM

#	RESPONSES	DATE
1	nothing	3/4/2019 5:27 PM
2	Transportation is an issue for my kids to get there while I'm at work	3/4/2019 10:17 AM
3	Once our child is old enough we will utilize the pool	3/3/2019 4:12 PM
4	If I had grandkids I would utilize the big pool	3/3/2019 12:08 AM
5	We would consider visiting more often if waterpark like features were available.	3/2/2019 10:52 PM
6	Well, probably nothing you can do to fix #5	3/2/2019 9:06 PM
7	more shade and more guards	3/1/2019 1:05 PM
8	If my grandkids lived closer	3/1/2019 12:29 PM
9	Seating. Shade. Bigger splash area.	3/1/2019 11:01 AM
10	ease of access	3/1/2019 10:32 AM
11	I like the idea of having separate splash parks or water features throughout the city...	3/1/2019 10:24 AM
12	closer to home	3/1/2019 8:39 AM
13	If there were longer hours	3/1/2019 1:12 AM
14	We love the big pool	2/28/2019 11:28 PM
15	Clean facilities. We need to keep it in our mind that it is a fun summer destination. We did enjoy the pool last year with out grand kids ages 3-11. We also took our teen church youth group to the pool last year. The teens enjoyed the slides, the obstacle course, and water to just relax and swim in.	2/28/2019 1:46 PM
16	less crowds, more cleanliness.	2/28/2019 12:43 PM
17	Family get to gethers	2/28/2019 9:41 AM
18	More activities for little oncep	2/27/2019 8:50 PM
19	Having a space for the kids is important of course, but I'd like to see more events and attractions for the adult population.	2/27/2019 7:00 PM
20	Lazy river summer passes	2/27/2019 5:00 PM
21	Warm water, shade trees,	2/27/2019 4:00 PM
22	Make it easier to keep track of kids, more shade, and more places to sit.	2/27/2019 3:37 PM
23	If we were able to bring in pool inflatables and if we could wear shorts and a tshirt instead of just swim wear.	2/27/2019 3:17 PM
24	Morning hours to accommodate families with smaller children. Opening at 1pm makes it difficult to visit when you have to juggle naps and dinner. I feel I would visit more even if the pool opened at 11 a few days a week.	2/27/2019 2:58 PM
25	If it were closer, but we love traveling to Garden. It would be nice to have just a baby section.	2/27/2019 1:37 PM
26	kid friendly	2/27/2019 1:10 PM
27	I like it. I work a lot.	2/27/2019 1:05 PM
28	More slides	2/27/2019 12:56 PM
29	Too far	2/27/2019 12:51 PM
30	Allowing our swimwear.	2/27/2019 12:44 PM

31	Nothing	2/27/2019 11:43 AM
32	My grandkids vary in age so it's hard to keep track of all of them at such a large facility. Needs more seating options.	2/27/2019 11:05 AM
33	The lazy pool would be very nice for us adults if it has rules about being on your tube if you're using it. And it is for floating. It would also be nice during water aerobics and laps for resistance if the jets are going correctly.	2/27/2019 10:53 AM
34	Being able to bring your own floating devices	2/27/2019 10:49 AM
35	More slides	2/27/2019 10:47 AM
36	More attractions	2/27/2019 10:30 AM
37	Cleaner, better landing spaces, more shade	2/27/2019 10:13 AM
38	Would not use it in its current form	2/27/2019 9:45 AM
39	The pool is always really cold and the bath houses need upgraded.	2/27/2019 8:58 AM
40	More shade at the pool	2/27/2019 8:40 AM
41	If there was more to do, and bigger area to swim with my children.	2/27/2019 8:38 AM
42	A better facility	2/27/2019 8:18 AM
43	I don't swim but husband does. I used to do water exercise class, that would probably get me there.	2/26/2019 11:49 PM
44	A newer facility.	2/26/2019 9:40 PM
45	Nothing	2/26/2019 9:21 PM
46	The kids swim 3 to 4 times a week during the summer. Not normally on game days	2/26/2019 9:20 PM
47	Turn it into a water park	2/26/2019 8:46 PM
48	Shaded areas	2/26/2019 8:40 PM
49	If it was more like a water park.	2/26/2019 8:32 PM
50	More adult-only events	2/26/2019 8:22 PM
51	Better places to take breaks at	2/26/2019 8:21 PM
52	More shade	2/26/2019 8:10 PM
53	Cleaner water; new bathroom/locker room; more central location; shade	2/26/2019 8:08 PM
54	We think the update are great. The pool could be cleaner	2/26/2019 8:02 PM
55	Family event, outing	2/26/2019 7:36 PM
56	More visits	2/26/2019 7:08 PM
57	More space	2/26/2019 6:36 PM
58	Schedule busy. Now they can drive themselves there	2/26/2019 5:58 PM
59	Family swim. A time when it's less crowded	2/26/2019 5:51 PM
60	Splash attraction and a heated pool.	2/26/2019 5:08 PM
61	yes	2/26/2019 4:51 PM
62	More time in my schedule	2/26/2019 4:27 PM
63	work during the day can only go at night	2/26/2019 4:26 PM
64	More adult activities	2/26/2019 3:59 PM
65	Adult activities and areas to relax and enjoy being "in the community".	2/26/2019 3:55 PM
66	more awareness about what is going on	2/26/2019 3:48 PM

173	N/A	2/15/2019 11:32 AM
174	If there was something closer to our house	2/15/2019 11:31 AM
175	Nothing really it is to far from our home. I think the city would be better off with community pools. Smaller and easier to maintain. More of a community gathering spot for kids and easier for them to get to.	2/15/2019 11:28 AM
176	I would take my grandchildren there if there were a lot more features.	2/15/2019 10:06 AM
177	give the pool more options for fun water activities instead of the same slides that have been there for years	2/15/2019 9:54 AM
178	maybe more lounge chairs	2/15/2019 9:52 AM
179	CLEAN WATER	2/15/2019 9:41 AM
180	We like it already, but living in Manhattan, KS previously we really liked the splash park they had.	2/15/2019 9:39 AM

219	Make it free again. There r many family's below proverty level in the area the big pool used to be something everyone got to enjoy.	2/12/2019 10:05 AM
220	Love it. Bathhouse needs demolished and redone.	2/12/2019 10:04 AM
221	Better enforcing of rules in the little kid area	2/12/2019 10:02 AM
222	It is an affordable resource for entertainment in the summer. There are water parks around the area but I either have to drive or they cost an arm and a leg. When the big pool has everything my kids like.	2/12/2019 10:01 AM
223	Better hours. I worked a lot during summer with hours like 12-9	2/12/2019 9:59 AM

228	I think the pool is dirty, it is not well kept	2/11/2019 4:45 PM
229	Water park	2/11/2019 3:01 PM
230	My husband and I both have full time jobs. I don't get home until 5:30 from work. It would be pointless to go during the week when the pool closes at 7. Also, the weekends are busy and sometimes we can't fit it into our schedule to go on the weekends	2/11/2019 1:17 PM
231	Nothing	2/11/2019 12:58 PM
232	More events and better promotion	2/11/2019 12:56 PM
233	Nothing we love the big pool as it is	2/11/2019 11:36 AM
234	More things to do at the pool. Don't get me wrong, the pool is great but having a lazy river and other rides would make it better.	2/11/2019 10:56 AM
235	Less rules, more shade, more central location for easy access.	2/11/2019 10:47 AM

255	More shade, permission to enter wearing clothes (to watch grandkids), better competition facilities.	2/9/2019 10:53 AM
256	The Water being more warm.	2/9/2019 10:51 AM
257	Our biggest concern is the cleanliness of the big pool. Rules are not enforced, babies are still in the kiddie pool with regular diapers on, people swim with clothing on.	2/9/2019 8:09 AM
258	Overall, there isn't anything wrong with the pool, we were just too busy. Our kids wanted to go, but we would probably go only a few times if we didn't have our own pool.	2/9/2019 12:57 AM
259	Ensuring its clean and being bigger so it is not as crowded	2/8/2019 10:32 PM
260	Would love to see updates to restroom and dressing rooms! Also a more shady area to sit! Also for the water no be icy cold	2/8/2019 9:26 PM
261	Indoor pool	2/8/2019 8:03 PM
262	Cleaner	2/8/2019 7:42 PM
263	Warmer water and more shade	2/8/2019 5:52 PM
264	Better seating or lounge chairs!	2/8/2019 4:07 PM
265	Clean!! Clean clean clean. If it had more to do, taller slides, just imitate dodge city's pool	2/8/2019 3:19 PM
266	The hours were not super convenient for us. I wish they opened around 10 am. My babies nap in the afternoon.	2/8/2019 3:17 PM
267	Upgrading the bottom/lining of the pool. Perhaps heating it and having more seating/flotation devices.	2/8/2019 3:13 PM
268	Take 50 years off of my age	2/8/2019 2:33 PM
269	More places to sit! More lounge chairs. More attractions (slides, lazy river,etc) Something more than just two sides (deep and not deep). Better concessions. Better bathroom facilities. It has improved over the years but GARDEN CITY needs something in comparison to the Liberal and Dodge City water parks.	2/8/2019 2:32 PM
270	I do not believe at my age there is anything that would make me use the pool more.	2/8/2019 2:27 PM
271	Adult swim nights	2/8/2019 2:27 PM
272	The use of floating devices, or maybe an area for that use.	2/8/2019 1:23 PM
273	Having our kids be older. Our youngest is 15 months.	2/8/2019 12:59 PM
274	A fun family atmosphere. The times that we have gone it's pretty dry and almost unfriendly.	2/8/2019 12:33 PM
275	Well, we are all working during the hours it is open.	2/8/2019 12:26 PM
276	More toddler activities would induce us to bring our grandson (like the small slides and splash pads at Parrot Cove). Or a "lazy river". Or even better - An adults only area! Also, more pet-involved events would be fun.	2/8/2019 11:48 AM
277	It's great as it is!!	2/8/2019 11:39 AM
278	Continue to maintain and preserve it.	2/8/2019 11:15 AM
279	Knowledge of pool areas, activities and accessibility. It's great for kids, but lacks appeal for adults.	2/8/2019 11:12 AM
280	Less crowding	2/8/2019 10:53 AM
281	Nothing really. We love our memories of learning to swim at the pool though.	2/8/2019 9:57 AM
282	Nothing. Already have YMCA, Parrot Cove, Dodge City has a facility.	2/8/2019 9:54 AM
283	Lazy river	2/8/2019 9:50 AM
284	Cleaner pool, more things to do	2/8/2019 7:17 AM
285	More features	2/8/2019 7:11 AM
286	If it was a water park, more chair to sit on and umbrellas. We would drive over to Dodge City a lot because of their water park.	2/8/2019 6:16 AM
287	Nothing.	2/8/2019 2:41 AM
288	More shaded areas and food vendors	2/8/2019 12:47 AM

299	Less expensive, more shade	2/7/2019 5:44 PM
300	Warmer water. Better parking.	2/7/2019 5:11 PM
301	Having different things the kids can play with would be great. Since there are a lot of people that go to the big pool I feel like it should take up more space, it starts getting crowded in there and that's not fun.	2/7/2019 4:08 PM
302	Better weather/Work Hours	2/7/2019 3:36 PM
303	I don't think we would use it more than twice a week	2/7/2019 3:30 PM
304	Less rules and time out of pool	2/7/2019 3:24 PM
305	We currently use the big pool.	2/7/2019 3:16 PM
306	Free or cheaper admission. A family season pass for a reasonable amount. Currently we drive to Deerfield where I can pay \$75 a year for my family. That's what I would spend in a week at the big pool!	2/7/2019 2:42 PM
307	If there was more big slides and a lazy river	2/7/2019 2:42 PM
308	Attractions	2/7/2019 2:03 PM

316	Have warmer and cleaner water.	2/7/2019 11:31 AM
317	Extended hours	2/7/2019 11:08 AM
318	Make it free or a dollar per family	2/7/2019 10:48 AM
319	More little kids pool activities	2/7/2019 10:26 AM
320	Allowing brought in snacks	2/7/2019 10:23 AM
321	Move it to the North side of town and install a heater.	2/7/2019 10:03 AM
322	We would visit more if there were 3 smaller pools located around town with different slide options.	2/7/2019 9:45 AM
323	I have taken out of town guests and/or their children to the Big Pool.	2/7/2019 9:36 AM
324	Opportunity for activity with grandchildren	2/7/2019 9:25 AM

335	I am not sure...I just have four kids and one of me...they are getting older so I will probably use it more if it's still available.	2/6/2019 9:42 PM
336	Updated locker rooms More shade	2/6/2019 9:34 PM
337	?	2/6/2019 9:29 PM
338	It is a great attraction, just needs to be modernized..Dodge City did great with their water park.We can do better to keep visitors and the community. I would pay to take my grandchildren who live to swim.	2/6/2019 9:27 PM
339	A smaller facility more of a community pool. Similar to Holcomb.	2/6/2019 8:35 PM
340	Got turned into and roller skating arena with arcade and have a splash park somewhere else	2/6/2019 8:35 PM

347	The hours, as a working family, it was sometimes hard to make it to the pool due to the closing time.	2/6/2019 7:13 PM
348	If it had more activities for the kids. Like the one in Liberal.	2/6/2019 7:04 PM
349	Warmer water lol	2/6/2019 6:53 PM
350	Better hours, better slides/attractions	2/6/2019 6:49 PM
351	Friendly employees. Reasonable rules. 10 min breaks. Not 25 min breaks! Open earlier in the spring and close later in the summer.	2/6/2019 6:22 PM
352	Grandchildren in Garden City	2/6/2019 6:07 PM
353	Nothing	2/6/2019 6:05 PM
354	More time off work	2/6/2019 4:59 PM
355	First we would like bigger water slides and higher diving boards. Second we want more shade and seats and it would be nice if it were open for a longer time.	2/6/2019 4:56 PM
356	An indoor pool. A hotter temperature in the pool. My kids complained it was too cold.	2/6/2019 4:48 PM
357	More chairs to relax on. Better lay out. Seems crowded when there really is not that many in the water.	2/6/2019 4:34 PM
358	More shade and seating options.	2/6/2019 4:26 PM

365	We already use it.	2/6/2019 3:16 PM
366	I would use the big pool more if there were more beach chairs and spots to sit down rather than just the one eating area. I feel like if I could go with a group of friends and maybe get a table that's not just in a restricted area for eating. As well I love the idea of night swims, movie nights, and adult nights, similar to parrot cove (indoor water park) they have events like this that bring in lots of people.	2/6/2019 2:32 PM

406	Special events	2/6/2019 12:44 AM
407	The big pool is great	2/5/2019 11:46 PM
408	If the facilities were cleaner and the water warmer.	2/5/2019 11:42 PM
409	If it was updated and cleaner	2/5/2019 10:59 PM
410	Not sure	2/5/2019 10:39 PM
411	It's definitely fun for the kids as far as the slides go and the obstacle course	2/5/2019 10:32 PM
412	More adult activities. More movie and live music events	2/5/2019 10:25 PM
413	We will be this summer! Thankfully my husband is home every night now and the kids love swimming!	2/5/2019 10:19 PM
414	Water park	2/5/2019 10:17 PM
415	We enjoy the one in Dodge & Liberal as long as the cost is reasonable. The parrot cove is great but not something I can afford to do more than once or twice a year.	2/5/2019 10:07 PM
416	Not having swim lessons in the way of people swimming.	2/5/2019 10:01 PM

582	More shade. Warmer water. Lazy river.	1/31/2019 7:24 PM
583	More splash pads around town would make water play accessible to children that can't transport themselves to the pool. More shade around the edges for family members that can't be in the sun long periods of time.	1/31/2019 5:32 PM
584	Discounts for school direct members and allow us to bring in our own food and cooler.	1/31/2019 5:25 PM
585	More safety measures by the city. Cleaner facilities	1/31/2019 2:47 PM
586	A Water Park	1/31/2019 2:24 PM
587	Adult only options. We just don't want to be around a bunch of screaming kids when we are trying to relax. Open longer; better hours.	1/31/2019 12:56 PM
588	More variety of activities rather than just free swim. My boys can't go down the slides so all they can do is splash around. That's fun for about an hour.	1/31/2019 11:40 AM
589	We love the Big Pool. I was especially excited about the later hours during the week that was implemented last year. We went 4-5 days a week.	1/31/2019 11:14 AM
590	Temperature and Cleanliness Cost	1/31/2019 10:59 AM
591	More water park type activities	1/31/2019 10:49 AM
592	New restrooms/locker, chairs, shade, I also like the option that DC Waterpark has to pay a fee to bring your own cooler in. A lazy River option would be fantastic! The small town of Beloit even has one!	1/31/2019 10:48 AM
593	Not having small children!	1/31/2019 10:44 AM
594	If there was a lazy river and if costs were lower.	1/31/2019 9:04 AM
595	More events like "adults-only" nights	1/31/2019 8:07 AM
596	I think it is great the way it is. Could use some renovations but I would prefer a big community pool rather than smaller ones.	1/30/2019 10:59 PM
597	I think it's wonderful the way it is, but could use shade	1/30/2019 10:48 PM

801	A competition, indoor pool would be a game-changer. This would bring multiple large meets to the city each year in addition to year-round fitness swimming for community members. Many residents have memberships at the YMCA for the lap pool only. The maintenance issues and management style there have many people eager for a change. As a lifelong GC resident, our young people deserve a facility that is at least as good as Great Bend and Hays, two much smaller communities. Please consider a competition pool. It is embarrassing that the youth swimming programs in almost all small western kansas communities are larger than the GC YMCA team. Holcomb's program is huge compared to the Seahawk team.	1/21/2019 9:55 AM

876	I only use it when my nieces come to visit	1/17/2019 9:44 AM
877	if there was shade and chairs all around the pool like the big pool in Dodge. And have the water more clean.	1/17/2019 9:38 AM
878	Just a suggestion: if multiple pools are decided on, it would be nice to have one pool that was "no kids allowed" from like 5pm on. Maybe add a swim up bar. Sell alcohol free slushies and such during the day.	1/17/2019 9:23 AM
879	If there was more shaded area available to sit at	1/17/2019 9:16 AM
880	maybe more lounge chairs	1/17/2019 8:53 AM
881	Several smaller community pools, rather than one huge pool. It's hard to keep track of everyone in such a large area.	1/17/2019 8:42 AM
882	Having less people and more shaded areas to sit.	1/17/2019 8:18 AM
883	The biggest factor would be to make the pool admittance free again like it was once before. A secondary option would be to provide free lockers to store my belongings safely and securely.	1/17/2019 8:14 AM
884	free again	1/17/2019 8:13 AM
885	Open earlier and we LOVED the early 12 and under days!!! little less strict on slides	1/17/2019 8:13 AM
886	It would need to be cleaner, more water features (slides, lazy river, wave pool), and have more seating/shade.	1/16/2019 11:14 AM
887	Better regulated water temperature	1/15/2019 5:38 PM

893	I might use it in the summer with my grandkids. I do not feel any changes need to be made to make it appealing but the leak needs fixed or the pool rebuilt.	1/15/2019 8:39 AM
894	Fancier water slides and more fun interactive things for my grandkids coming.	1/15/2019 8:20 AM
895	Adults only times	1/14/2019 9:35 PM
896	Better snacks at the concession stand. More restrooms on the women's side and nicer inside changing/restroom areas. More shaded areas and seating.	1/14/2019 8:28 PM
897	A lazy river. High dive. More slides for teenagers. Competition pool so the pool isn't shut down when there is a swim meet.	1/14/2019 5:22 PM

9	I think we need more things instead of one BIG thing... More tennis courts(north of town), a public outdoor track, scenic walking park, better frisbee golf course, updated skate park, BATTING CAGES (I don't think we have any), Give the community more options with not a huge price tag or maintenance cost. Have a pool, but minimize size... Half the time there is nobody swimming out in the middle of the deep end. Too much swimming area. Make the pool big enough for swimming lanes, a couple slides, and diving boards, kid pool, splash area.	3/1/2019 10:24 AM
10	closer to home	3/1/2019 8:39 AM
11	Keep the pool the same, we love it	3/1/2019 1:12 AM
12	My husband and I attended 1 of the presentations that were available for us to go to. Times were good, lots of options. Before I went I was not wanting to change a thing about the big pool. After I left I felt good about redoing the pool. We need to have a facility that will draw people from other cities and county's. By using the available funds to upgrade the big pool with a facility to swim in, play in, the lazy river seemed nice, slides, and fixed water activities. I was also on board to furnish water features/ splash areas for kids and adults to enjoy. Ms. Cunningham mentions that the north west and the east side of town close to play ground areas, were ideal areas for local kids and adults to enjoy water feature.	2/28/2019 1:46 PM

121	Smaller pools to go to with activities like lazy river	2/20/2019 4:33 PM
122	More facilities around town	2/20/2019 1:41 PM
123	Make sure its clean. The current pool house has a grungy dirty feel to it. We also use the big pool for swim lessons for all three of our children.	2/20/2019 11:03 AM
124	Everything is done well	2/20/2019 10:08 AM
125	If there were a lazy river or slides like the ones at Dodge City...we would then stop driving to Dodge and go to the one here.	2/20/2019 10:03 AM

135	this ideal is good	2/19/2019 10:06 AM
136	affordable and no long lines. There is a water park I took my family too in Corpus Christi Texas, it was called Hurricane Alley and one in San Antonio called Splash town. those are affordable and fun.. please do not make another parrot cove where it is too expensive for families to enjoy as often as they would like. and I think splash parks around town would be great anyways. In other towns that I have visited there is splash parks in the park/picnic areas, they are free of charge, and kids love them!	2/19/2019 9:41 AM
137	I would have to be retired	2/19/2019 9:30 AM
138	Less burden to tax payers	2/19/2019 9:20 AM
139	Close to home, reasonable pricing.	2/19/2019 9:06 AM
140	Water park with a lazy river	2/19/2019 8:55 AM
141	More shaded areas.	2/18/2019 1:40 PM
142	Nothing, since my husband and I work during the day, weekends are the only time we go to a pool.	2/18/2019 11:16 AM
143	honestly, it is great for when I do have my grandchildren as there is something for all ages to stay entertained.	2/18/2019 11:08 AM
144	Better slides & diving boards. More area for little kids.	2/18/2019 7:19 AM
145	If they included a nice indoor facility for swim teamers. Preferably a 25 yard lap pool.	2/17/2019 6:45 PM
146	Multiple times per week? Hardly. Multiple times per year is more like it. I would like to see the current pool facility expanded to include such attractions as a lazy river, wave pool, surf ride and splash park.	2/17/2019 11:13 AM

151	Nothing	2/16/2019 8:11 AM
152	Nothing really, to be honest. While I think it would be a mistake to lose it being the biggest and free pool that Garden City is know for, I understand that it is going to cost keep the pool open so charging to get in will be the best option for us. I just don't use it and wouldn't use at this day and age for personal reasons so I honestly cannot give any info regarding what to do with it.	2/16/2019 8:10 AM

254	As a middle aged woman, there's probably not much that would make me want to go more than once or twice a month, unless it involved alcohol and prohibited children. Maybe an adults-only adjacent pool with a swim-up bar. Make it dog-friendly and my girls and I would be there every day. I like the idea of keeping the existing historical pool but adding to it. Not just cramming more activities into the big pool but actually adding separate pools for those activities (essentially converting the Big Pool into a water park or swimming pool complex).	2/8/2019 11:48 AM

288	I would hate to see the Big Pool go, but due to if infrastructure i totally understand getting a new facility. However, we should look into a design that molds GC and SWK. Def need a lazy river in it. A great concept to look at would be the City of Manhattans pool. The Salina concept as well looked really nice I worked for there sometime and it was a great pool. 297	I think there has been a misconception that the Big Pool is used by mostly kids and families from lower incomes. Maybe a campaign of some sort should be done to promote it for all. Get into the schools during April and May, put signs up in different neighborhoods, and even possibly give free passes out. It's such a great landmark that is an important part of Garden City history.	2/7/2019 9:36 AM

451	We love the extended hours of the splash park (before the pool opens & after the pool closes) & would definitely like to have that option in the future. It's great to be able to go burn some energy at the splash park after supper. We have small children & enjoy the "baby" part of the Big Pool the most. I think that whatever direction the City chooses to go with this (refurbishment of the Big Pool or new pool(s) location) I definitely think areas like this are very important. Shallow pools (more than just a splash pad) small child size floaties & slides & areas for parents to sit & watch while giving the children space to play is essential.	2/5/2019 4:32 PM

501	The new facility needs to be covered for year around use. It may be necessary to have an outdoor water park as a part of the development. A Covered aquatic center would allow use and revenue year around not just for less than 90 days of the year. A quality aquatic center would allow competitions to be hosted in our town. Swimming is a growing sport that all ages can enjoy and participate in. Because Garden City is considered the hub of southwest Kansas it is a great fit to have an aquatic center that could serve a large part of southwest Kansas. We have the retail stores that people come to from all over the region and there would be no difference if there was an aquatic center here. Garden City hosts lots of other regional events such as Baseball, Basketball, and Softball. Swimming needs to be a part of Garden City's repertoire.	2/1/2019 1:37 PM

However, if you are set on changing the pool, please do not make it very expensive to visit. Remember that some families cannot afford to send their children to Parrot Cove multiple days a week. Plus it is good to be outside rather than always in an indoor waterpark.	2/1/2019 12:57 PM

Q21 What else would you like the City Commissioners to know?

Answered: 597 Skipped: 452

#	RESPONSES	DATE
1	Our family was involved in swimteam for 15 years, both through the high school and the YMCA. We attended meets at many indoor pools, and they were miserable to be in for a long period of time. I don't think our community should build an indoor pool.... too expensive, and it just doesn't attract swimmers wanting to just swim for fun. It is too bad the high school didn't include a pool..... that is where it should have been built.	3/4/2019 5:27 PM
2	I myself do not have children but my niece and nephew come to visit and a neighborhood pool and/or splash park would be great!	3/3/2019 1:13 AM
3	Big pool is history and it is connected to the zoo which helps both places with attendance. Keep it feasible for all to use low middle high income. Garden City has alot of little kids in the low income bracket don't take away their means for water recreation. Meaning don't price it out of the means of lower income bracket.	3/3/2019 12:08 AM
4	Not sure.	3/2/2019 10:52 PM
5	I feel there really needs to be a good indoor facility for the swim teams.	3/2/2019 11:47 AM
6	There are very few things that set one city apart from another. The "Big Pool" is one such thing. Having traveled it is amazing that people far and wide know of the "Big Pool". There are also those that have moved away but bring their kids and grandkids to swim at the pool.	3/1/2019 12:29 PM
7	Since we do not have a lake, we at least need one or more swimming pools, especially considering the heat of summer	3/1/2019 10:32 AM
8	Give us more opportunity to exercise and have fun! Like I said before, more tennis courts, (sand volleyball is a good idea), better frisbee golf course, scenic walking park, outdoor workout park, FITNESS PARK would be amazing, a fitness equipment playground for seniors, updated skate park (its been the same since for over 15 years!), elderly . We can make Garden City FUN and interesting! We need to add more activities and give people things to do... not just places to shop. People who live here everyday need healthy entertainment.	3/1/2019 10:24 AM
9	Do not get rid of the big pool! It is a staple in our community and has so much historical value. It should be a landmark	3/1/2019 1:12 AM
10	Hopefully there will be improvements to the big pool and possibly splash parks located by playgrounds. I would like for Garden City to be a summer water activity destination. Advertising will be essential to letting the 125 mile radius of people know about the pool.	2/28/2019 1:46 PM
11	It is important for children to learn how to swim in a pool of water, for their future safety. Please consider cost maintenance and upkeep of the pieces of splash parks and water parks. What will these look like 10-20 years from now?	2/28/2019 12:43 PM
12	Would much prefer a tax hike than \$25 entry fees. A liquor license would be pretty cool too.	2/27/2019 7:00 PM
13	Fix the one we have!	2/27/2019 4:00 PM
14	PLEASE really look at what the kids are saying in their comments! They want a place to have unstructured physical play time ("to hang out"), the pool gives them that for the summer months but we have nothing all the rest of the year. Almost 1 in every 20 kids mentions something about building a skating rink. Think about that- if we were asking kids about amenities in a park and INDEPENDENTLY 1 out of every 20 kids in Garden City said "I want a baseball field" we would strongly consider including a baseball field in the park. Why then when we ask them about water recreation and they say "we want skating" would we not consider a skating rink? I think pools and splash pads are important for Garden City, but that is only part of the picture, if we are talking a \$12 million dollar project, why don't we split it into a \$6 million pool(s) and a \$6 million ice facility to give physical recreation time *throughout* the year?	2/27/2019 3:37 PM
15	I like to swim and appreciate what you are doing.	2/27/2019 1:05 PM
16	More facilities and we appreciate you working in other neighborhoods on this project.	2/27/2019 12:44 PM

Big Pool Community Input Survey

17	With an independent indoor water park I will always choose the indoor vs the outdoor because I burn easily. I don't want the City to compete with Parrot Cover but to offer services to the population that are cost effective and mainly supported by user fees. Increase in taxes is not an option I would support. Splash parks provide a cost effective opportunity for those in the community that are on a fixed income. There is not payroll tied up in the day to day operations although there is maintenance and upkeep required. I like the idea of smaller neighborhood pools considering the growth of Garden City. Although they might not offer the fancy water park feature it would give the kids a place to swim and hang out that is closer to their homes. I would like to see something done to preserve the historical importance of the Big Pool.	2/27/2019 11:05 AM
18	The Big Pool is already really great for everyone. If there could be a closed break from 5-6 and then reopen from 6-8 that would be very nice for us that work 8-5 jobs that would still like to take our children to the pool after work on week days and weekends. If the hours were until 8, we would go to the pool daily.	2/27/2019 10:53 AM
19	The big pool is a big part of our towns history. I truly believe even if the pool could be used as something else like an ice rink would be better than destroying it	2/27/2019 10:49 AM
20	The community needs a shooting range, to provide a safe place to Target shoot	2/27/2019 10:30 AM
21	Even though I grew up as a kid spending most days at the big pool, that was many years ago. The big pool has served its purpose and it is time to consider moving beyond it. The loss of 26.8 million gallons of water annually is unacceptable, as is the loss \$680,000 per year. I would love to have a fraction of that tax money back. Smaller area facilities and a "pay as you use" system makes sense.	2/27/2019 9:45 AM
22	The Big Pool is part of our history, our heritage. Eliminating another piece of our community history is a failure to preserve who we are and where we come from. Figure out ow to fix it, don't take easy way out and bull doze it.	2/27/2019 9:31 AM
23	We do not need a new sports complex.	2/27/2019 8:40 AM
24	Diaper changing stations would be great!	2/27/2019 8:38 AM
25	Recognize & keep a portion of Big Pool for historic remembrance in a creative way -honor the past, yet acknowledging the future. Really need to consider an ice rink for ice hockey, ice skating, recreational fun indoor facility. Or a roller rink. Listen to student surveys they want a place to hang out & be active.	2/26/2019 11:49 PM
26	The kids need a place to swim in the summer. But it has to be affordable so all children can go.	2/26/2019 9:20 PM
27	We are spending money we don't have on things we don't need, and taxes are getting out of hand in this town.	2/26/2019 8:46 PM
28	I like the location where it is now but if it moved to a different location, I think it should be where there are not a lot of businesses or homes nearby to avoid traffic. I also don't think the park on Main street should be an option. I like that it is a place that can be used for festivals and other events that bring the community together.	2/26/2019 8:32 PM
29	The town is growing NE - plan for the future.	2/26/2019 8:22 PM
30	Please consider splash parks around town and smaller community pools in different locations. A different direction would be indoor/outdoor pool in 1 facility like Ulysses has. Our local swim teams need an indoor...maybe a city-county-school district partnership?	2/26/2019 8:08 PM
31	The GCHS team needs a swimming pool for both the boys and girls. The YMCA pool is not a very clean pool or healthy for them to swim.	2/26/2019 8:02 PM
32	Teenagers want to have fun at the pool so fun features are a must. Splash parks integrated with playgrounds around town would be amazing. Lived in Valley Center a few years ago and we spent a lot of time at their splash park. It was free. Right next to a playground and park shelter. It also had a small pond you could fish at and a sidewalk around the whole place so that you could walk or run. It was a great use of space but having only one in town would probably cause overcrowding.	2/26/2019 5:06 PM
33	Do not raise taxes to build a new pool	2/26/2019 4:58 PM
34	I would like to see security in every location the project(s) will be taking place(s).	2/26/2019 4:51 PM

35	While thinking about serving the needs of the community please also stop to think about visitors and how our community is perceived. Current swim competitions held at teh YMCA are full of complaints due to overcrowding, not enough seating, parking, etc. Summer competitions held at the big pool are met with great reviews and several other competitions have requested being held here but due to winter months are not feasible due to lack of indoor facilities that can accommodate the number of competitors and spectators.	2/26/2019 4:27 PM
36	We need something that is family friendly and doesn't cost so much per person that a family of four or more can't afford to go at least two weekends a month. If it costs someone \$100 to just get in and just as much for snacks no one will be able to afford to use it!	2/26/2019 3:59 PM

44	Need to consider all age groups, teens and pre teens need something to do. Water park style of pool is better for tourism.	2/26/2019 11:37 AM
45	We live in Pierceville, so rarely get to use anything of Finney co and still have to pay taxes for it. Have multiple smaller water pads around town would be more our style so we dont have to fight 500 kids to get to play.	2/26/2019 11:24 AM
46	If you make a water park make something big that will attract people all around the area, different counties.	2/26/2019 11:22 AM
47	It's very important because there is very little to nothing for young people to do in GC!	2/26/2019 11:15 AM
48	You do a great job! Remember you can't please everyone. Just do what's best for the kids in town when it comes to the pool.	2/26/2019 10:58 AM

50	It needs to attract more to the teens because they'll more than likely be your biggest revenue.	2/26/2019 10:50 AM

57	Don't close the big pool that is history to Garden city just add a water park people drive to dodge city hays and even liberal keep people in garden city	2/26/2019 10:07 AM
58	I really believe upgraded big pool and then a place for lap swimming in and outdoors that could be used year around. This would also benefit the swim team	2/26/2019 10:05 AM
59	Our Big Pool is an important awesome Historical site of History in Finney county and our entire area! I love History! We need to try to keep up our Historical sites. As its important to pass on our wonderful History to our future generations. I love the location of our Big Pool! Feels like home to me! The Lee Richardson Zoo is absolutely awesome! And Park! All near the Big Pool! Wow! How awesome is that! How many other cities have such an absolutely beautiful area like Garden City! I feel blessed from Scott City to know I'm only 34 miles from what Garden City offers us! From Dr.s to shopping to recreation! We are truly v blessed! Thank you for the great job!	2/26/2019 9:59 AM

60	Nobody goes to the Big Pool because it is filled with rowdy unsupervised youth and isn't a clean safe area to take your kids. Personally you could save 100s if thousands of dollars by closing it and making a smaller pool in its place with multiple splash pads around town. Also charge a real fee to enter. Every other town around charges more than \$2, but they also have a newer cleaner pool. Splash pads would be awesome, but if left unsupervised and without upkeep, they will turn into the same eyesore and tax burden that the big pool is. It's astounding to me that the city government continues to lose half a million dollars on a crappy swimming pool. How many years has it been like this?	2/26/2019 9:47 AM
61	N/A	2/26/2019 9:41 AM
62	Why should you raise are taxes for all these things, enough our taxes just keep going up up up up up and up. Not all of us in town have the means of being able to afford living every time you guys raise taxes!	2/26/2019 9:32 AM

64	Loosing tens of thousands of dollars and wasting thousands of gallons of precious water are NOT options	2/26/2019 9:23 AM
65	We need skating arcades something to entertain today's youth instead of then running around being losers and doing things that are not good	2/26/2019 9:17 AM
66	Tip: A row of shower heads in the inside and outside for everyone to use would make things less crowded in the bathrooms/changing rooms. Basketball hoops in shallow water like in liberal make it fun for a lot of people, in other words more money!!	2/25/2019 12:08 PM
67	get an actual pool specialist to fix the pool leak! Dicks is not a pool specialist quit going with the cheapest bid! do not get rid of the historical big pool.	2/25/2019 11:06 AM
68	The Big Pool is a piece of Garden City History! Yes, it has been in need of an overhaul for a long time, but it needs to stay! Fix it so future generations can have as much fun as we all have!!!! Preserve the Big Pool!!!!	2/23/2019 8:52 AM
69	I don't think community pools would be a good idea. I don't believe all pools would be treated the same in all areas.	2/22/2019 8:46 PM

74	Thanks or your work in this matter. I like to think that the current commissioners are taking the needs of the citizens into its considerations.	2/20/2019 11:03 AM
75	Keep the big pool	2/20/2019 10:08 AM
76	Could there be a Fun Zone indoor arcade that kids pay for as another means of revenue that would also be a gathering place for young people?	2/20/2019 10:03 AM
77	Stop with trying to preserve the history of the Big Pool. That has been passed by a while back.	2/19/2019 10:50 AM
78	Bringing in more opportunities for family oriented fun activities that kids can also do on their own would be the best. There is little for the middle school/high school kids to do around here. Parrot cove is too high priced unless you go on a special day which then is too over crowded. Something affordable with various activities to keep the interest level up, however, NOT costing tax payers any more money... our tax rate is already high.	2/19/2019 10:32 AM
79	We do need more indoor swimming pools for lap swim or water aerobics since the YMCA is the only one that has those available during the winter. Swimming is very good exercise especially as your community gets older and needs to exercise.	2/19/2019 10:29 AM
80	Changes for the better is always a good thing. Please make it affordable for all families.	2/19/2019 9:41 AM
81	I grew up in this town and went to the pool daily in the summer. I think the pool should be free to allow everyone access to it. I know this puts a burden on the tax payers but to me it is worth it to continue to support the pool so all of the kids can use it even if they can't afford to pay.	2/19/2019 9:30 AM
82	Close the Big Pool and stop wasting tax money on an out dated facility.	2/19/2019 9:20 AM

84	I have 5 kids and they are all on swim team. And I feel that the YMCA is not cutting it for an indoor lap area. I think it is very important for Garden City to have a nice indoor lap pool facility.	2/17/2019 6:45 PM
85	I do not think additional pools or water attractions locations in our city is the answer here. We have a facility in place with plenty of room to expand on 2 sides, possibly 3. I believe we need to drastically improve the facility we currently have. These improvements should include fixing the water seepage problem, adding additional water attractions, drastically increase the number of shaded areas (gondolas) around the entire facility. Renovate the existing men's and women's changing rooms, expand the bath house to include an indoor/outdoor café.	2/17/2019 11:13 AM
86	As a lifelong community member I believe we must invest in new pool facilities. The Big pool has outlived its use. Stop literally pouring water and money down the drain.	2/16/2019 10:10 AM
87	Many of our teens use the big pool for a hang out spot. I doubt that teenagers would like to play or go to a water park/splash park. They are more into swimming and relaxing under the sun. The big pool as big as it is with the deep end all to the older ones is just fine. We have to acknowledge that yes maybe we waste \$3/4,000 per day while open. But it wouldn't hurt to turn the kiddie side or 5ft below into a water park. But leave the ice cube how it is. Turning this into a complete new thing would deteriorate the way us teens hang out. Most of us would prefer to stay this way. After all we're not such a big city after all. You want to spend less money on paying life guards, gate attendants etc.. when your just taking two or more jobs from teens that could of easily won money. More money more taxes for you guys. Think about it. That's a whole 50 people that you wouldn't have taxes coming in from..	2/16/2019 8:11 AM
88	If it's possible I'd like to see the city add something else besides a water park. I'd like to see something that could stay open all year long that teenagers could use and attend that would keep them busy on the weekends like another Go Cart place, or a large miniature golf place or something with a combination of the two. We had one at one point and I think it definitely helped give kids and teenagers something more to do!	2/16/2019 8:10 AM

93	Nothing else	2/15/2019 11:37 AM
94	Please add more seating to the Big Pool. I understand it gets busy, but on a good busy day there is almost no seating so you would have to settle by sitting on the concrete.	2/15/2019 11:32 AM
95	Garden City is growing/developing in really great ways, however, we need to have more places/things for our teenage kids to go/do.	2/15/2019 11:31 AM
96	It is time we look at communities as gathering places. This is the way I was raised and in a city that had community pools. As kids are more likely to go to areas they know and with people and friend, they are comfortable around. It allows these kids to also know the lifeguards and allows the lifeguard to have smaller areas of observation for improved safety	2/15/2019 11:28 AM
97	DO NOT START THIS PROJECT AND END UP NOT FINISHING SAYING YOU ARE OUT OF MONEY. WHEN ARE TAXES ARE STILL GOING TO BE RAISED. MAKE SMART DECISIONS. FOR INSTANCE THE PARKING IF THE POOL GOES DOWNTOWN GOING TO BE HORRIBLE. A POOL NEAR HOMES. HORRIBLE IDEA. MAKE SMART DECISIONS.	2/15/2019 9:41 AM
98	Visiting other cities a lot during the summers, we always end up finding ourselves at splash parks and my kids enjoy them very much. (Usually during down time and visiting park for scenery) Less preparation than swimming, and kids can play and dry off playing at the park afterwards during hot summer days. Splash parks are always fun and very busy in every city I've been too.	2/15/2019 9:39 AM

102	Taxes are already high. Please do not increase sales or property taxes to fund aquatics.	2/15/2019 8:39 AM
103	Garden City has to have some type of swimming/water park. There is nothing in this town to keep kids busy as it is, if you take away swimming that would be really bad.	2/14/2019 3:06 PM
104	Our summer weather REQUIRES water recreation for families with children. Let's keep residents from traveling to other communities for this. Parrot Cove is NOT affordable. If you do neighborhood pools, residents need to be able to afford to send their kids their every day.	2/14/2019 8:41 AM
105	I feel like the project should focus on use throughout the year, the community needs things for our children to do, skating ,go karts ,clubs. Even if the pool was smaller to have other things added at one facility I think many would be ok with it	2/13/2019 5:52 PM
106	Pools keep our kids active during the summer time. Without a pool and activities kids might grow to be more obese during the summer time	2/13/2019 1:08 PM
107	Could you please fix the road on the on ramp, next to the bypass heading towards old Chicago. I forgot the highway name, but its the bypass next to IHOP and Walmart. There's lots of potholes	2/13/2019 11:26 AM
108	The Big Pool is an institution- a landmark— and a defining characteristic of Garden City. It has already been altered/changed enough. No matter what other facilities are created or needed in Garden City, the Big Pool MUST remain. Generations of Garden Citizens have fond, lifelong memories of their times spent at the Big Pool. It remains the pride of Garden City and its heritage. It's unfathomable that it would be further altered, or God forbid, eliminated. To do so would be unacceptable, almost sacreligious. The Big Pool MUST remain a part of Garden City, Kansas!	2/13/2019 8:12 AM

113	I have a pool at my house so my usage is not a good guide though we do like to go at least once a year. I still feel good water recreation is important to the city as a whole.	2/12/2019 3:41 PM
114	I think the deep end of the big pool should be repainted as being a previous lifeguard there, the deep end has a light of paint chips and dark spots that would look a lot better if it was all white like the shallow end last summer	2/12/2019 11:34 AM
115	More activities for teens and young adults	2/12/2019 11:09 AM
116	Dont make it out of reach to the general population.	2/12/2019 10:59 AM
117	EVERYBODY talks about how much they love the water parks at Dodge City and Liberal. I know several families with small children, youth and families with older children/elderly who travel outside of Garden City to these facilities multiple times each spring,summer, fall. Garden City needs to build a competing water part with services and amenities for all ages.	2/12/2019 10:43 AM
118	The majority of people who use the big pool cannot afford high admission rates. It's my understanding that most community pools operate at a loss and are offset by taxes.	2/12/2019 10:39 AM
119	The Big Pool has always been a big tourist attraction for GC. Everyone have wonderful memories of going there and hoping their grandchildren could too. Out off town schools and people live to come here too. It's a historical piece of GC and should or preserved for future generations!!!!!!	2/12/2019 10:28 AM

124	The big pool is something nice to have. It is a very nice pool for the area. The locker rooms are a little less than desired but they aren't horrible.	2/12/2019 10:01 AM
125	I think neighborhood pools/splash parks will divide neighborhoods. Kids always make one place the "popular" place and the others not as "popular". We need to keep our community more united and not divide into areas.	2/11/2019 10:56 PM

126	Thanks for listening	2/11/2019 9:59 PM
127	Why are we being pushed into a water park/splash park? Why not stick to the original plan and finish the master plan for the big pool??	2/11/2019 9:46 PM
128	Garden City has grown so much it seems like it would be more practical to have several smaller facilities than one huge one.	2/11/2019 12:58 PM
129	The big pool is a large reason Garden City has an identity. Getting rid of it would be like changing the city's name from "Garden City" to Fulton City because of a drought. Garden City, the Big pool and The zoo thats Garden city. I would hate to loose our identity by closing the big pool. I think we should be looking forward to the 100th anniversary of the pool not twards closing it. Make it a destination celebrate its history but please don't close it.	2/11/2019 12:56 PM
130	I do not think that people in charge of aquatics should be pushing their personal agenda. Splash parks is not a good idea because after the children have come at an age that they are not longer interested in splash parks there will be no pool for them. I will be very upset with the city if they do not put the communities needs before their own personal agenda. The big pool is a service to the community and had always been. The member of this community love this facility and it would break our heart to see it gone. The big pool is a historical mark of Kansas. Please do not take your pool away.	2/11/2019 11:36 AM
131	I have fortunate enough to have a pool in my own backyard, however, most people in our community are not. Having somewhere for kids to spend their summer swimming and staying busy is a must. Weather it be one large pool or several smaller ones. We would be doing our community a huge injustice by not providing one. Also one that could benefit swim team since they currently have no where satisfactory to swim and practice as the YMCA is always in disarray and not capable of what the swim team needs it for.	2/11/2019 11:19 AM
132	We don't need to cater to local swim teams. If so, they should be asked to help raise funds. This is about fitness and recreation for kids who otherwise get none during the summer. We have a large population that cannot afford expensive water park rates. We need to offer something affordable. We need (minimal) rules that make sense to keep kids safe and areas where adults can be comfortable (i.e. shaded sitting areas) or we won't use the facility.	2/11/2019 10:47 AM
133	Add a water feature to the zoo that would allow people to get wet but does not need lifeguard supervision.	2/11/2019 10:00 AM
134	It's a landmark here in GC shoul not ever be closed.	2/10/2019 9:31 PM
135	Update the big pool	2/10/2019 8:41 PM
136	I think change is good but also remember people love the history of the big pool. Bring something back from the past. Keep the memory of the big pool alive. Even if it's with a remodel.	2/10/2019 7:39 PM
137	Please consider a year round competition swimming facility. The vast majority of surrounding communities have swim clubs, and a nice facility would benefit not only Garden City but all of SW Kansas. At some point, a local community will build a facility for competition swimming, I hope Garden City has the vision to be that community.	2/10/2019 7:17 PM
138	Not to raise taxes as they are high enough.	2/10/2019 11:32 AM
139	Smaller water facilities around town would be more convenient and my family would use these facilities more often. The big pool is outdated, too big in terms of safety, and not comfortable to spend more than one hour there as an adult with children. My family doesn't use the splash park much be of its location and hassle to use. I often just want a splash park experience with my kids but don't want to go thru the main entrance by the crowded pool and pay \$. Manhattan, KS splash park is ideal and easy to access. Right by a playground making it easy to use and have play dates with other families vs. current splash park in town.	2/10/2019 7:25 AM
140	I think having the big pool is a very good thing for the community. It allows people to come together and enjoy an activity that promotes physical activity in a fun way	2/10/2019 6:03 AM
141	An indoor/ outdoor facility would be incredibly beneficial for GC. Local swim competitions bring in a ton of people from out of town who would spend their money in GC. As you can see, the competitive swim programs in Garden/Holcomb are growing and only going to get stronger. I would love to have a facility (other than the Y) to go to in the winter to take adult water fitness classes. Splash parks are all well and fine, but the population they serve is very limited. What are pre-teens and teenagers supposed to do if all you have are splash parks? Although neighborhood pools would be nice, this community still needs an updated and clean competition pool.	2/10/2019 1:46 AM

148	The Big Pool is a landmark that should be preserved, especially after all the money that's already been spent on it.	2/9/2019 2:47 PM
149	USD 457 is not compliant with Title IX with respect to comparable facilities, i.e. football vs swim. Most schools that meet this challenge do so with some sort of partnership where facilities/cost/maintenance are shared. Our community should be leading by example...not lagging in this area.	2/9/2019 10:53 AM
150	For as large and "city like" as GC is, we are severely lacking in the area of recreation for families and kids. Having a pool(s) for older kids/teens to hang out at and actually be able to swim at is a must. Would love to see for younger kids some sort of indoor gym that is open (not membership required like the rec or just McDonald's). Hopefully that is what the sports emporium will include. Also, the Fun Center was an amazing place growing up... really think GC could support something like that again successfully. We really need that keep the whole family together kind of recreation. (Where as a pool different age kids go off to different areas. My 14 yr old does not want to hang out with 3 yr old in the kiddie pool)	2/9/2019 8:09 AM
151	I would like to see this icon remain open!!! I used to swim innit as a child and it also is historical for our city!	2/9/2019 12:57 AM

156	If the daily per person rates are raised, it would be nice to have a family pass option for the day. It can get pricey quick for families with kids otherwise...	2/8/2019 3:17 PM
157	Please make a decision on this. There has been talks about a Water Park and Big Pool improvements,etc. It's time to make a plan and then ACT.	2/8/2019 2:32 PM
158	Keep the Big Pool!	2/8/2019 2:27 PM
159	Property taxes in our city are getting out of control. It is difficult for the average citizen to finance all of the business and industry especially if they have tax abatements for 22 year. Our family has lived in Garden for generations however, we are considering a move to a location that has lower property taxes. I do not feel we should be a sanctuary city for illegals. Please consider your older citizens that wish to remain in their home town and lower property tax and address abatement issues. Thank you for your consideration.	2/8/2019 2:27 PM
160	The Big Pool has been a part of Garden City's history for so long. I hope we're able to keep it around for many years to come!	2/8/2019 12:59 PM
161	I think the Big Pool should stay where it is with a few improvements. I have lived here all my life and I can't see doing something different. We have been know for a long time as a community for our "Big Pool" let's keep the history here. I do not agree with having several different community swimming pools, we already struggle as a community as being divided, what do you think having several different pools will do? Keep the Big Pool open!!!	2/8/2019 12:26 PM
162	Whether it's one large facility or several smaller ones, I think it's important to have participation at different price points. A water park would be an amazing addition to this town but it's important to have water facilities available for everyday family use as well.	2/8/2019 11:48 AM

163	Thank you for the work you are putting into this important matter. The video presentation is superb and brings back many memories from growing up in Garden City.	2/8/2019 11:15 AM
164	I support youth activities. "Idle hands are the devils workshop." I like the idea of neighborhood swimming pools.	2/8/2019 11:12 AM
165	Don't put any more money into the current facility.	2/8/2019 9:57 AM
166	I put the user fees at the lowest price offered because I think poorer families raising multiple children need this facility for frequent use.	2/8/2019 9:57 AM
167	You are taxing us into leaving community. School taxes, college taxes, personal property taxes, all your STAR bonds for building. I know that not all of this is the City and some is Finney County, but seriously, seems like all you want to do is spend for new projects. Streets need fixed. Neighborhoods need cleaned up. To many junk vehicles around, yards are full of junk. Start thinking about people on fixed incomes. Or is that your point. Get older people to leave so you can keep this sanctuary city going.	2/8/2019 9:54 AM
168	Garden city needs to have a city pool. It's a landmark. It would be a shame to be the city commission that dismantles a beloved feature of Garden City. The pool brings a lot of people together, gives young people something to do in the summer and is a staple of Garden City. Not splash parks, those would only be useful to babies and toddlers.	2/8/2019 7:11 AM
169	The pool wastes too much water and we should get rid of it	2/8/2019 2:41 AM
170	Fix the streets and support DL for people without documents	2/8/2019 12:47 AM
171	Most teenagers would prefer to have more places like the old fun center that garden city used to have we would enjoy a skating rink or a(n) indoor entertainment place or a(n) indoor trampoline park.	2/7/2019 11:01 PM
172	Pool areas are esencial to this community especially in the summer when the kids have very limited activities. Our community also needs to have a pool for all the swimming athletes an indoor pool would be amazing.	2/7/2019 10:41 PM
173	I think the location next to the Zoo is important, surely it also helps bring business into the Zoo?	2/7/2019 8:52 PM
174	We love the big pool!	2/7/2019 8:39 PM
175	Just curious what your plans are for parking in these areas if it is not at the big pool and how that will affect neighborhoods. Also, curious if you think the zoo would lose business if the big pool is closed.	2/7/2019 6:13 PM
176	Make fun things to do for kids in garden city ks	2/7/2019 5:44 PM
177	The big pool is past its prime. Huge waste of money. That area should be made into a parking lot for the events at the zoo and baseball field. A splash park would be goo there too	2/7/2019 5:11 PM
178	Keep the big pool!!!	2/7/2019 3:30 PM
179	No new taxes.	2/7/2019 3:24 PM
180	The times you scheduled for pool information meets were not good for anybody with a job. You scheduled the only weekend meeting the day of a swim meet so it seems like you don't want the opinions of swimmers. The presenter of the meets made it clear she wanted to get rid of the big pool and wants splash pools for her kids. Maybe a non-biased employee should be in charge of this project. You should also take into consideration the number of working teenagers that you are taking their jobs away. The survey doesn't seem accurate since you can take it as many times as you want.	2/7/2019 3:16 PM
181	My family would love to swim daily at a local pool but unfortunately for a family of 5 the cost of \$2 per person everyday adds up quickly. I can not afford \$70 a week for swimming.	2/7/2019 2:42 PM
182	That gaining something fun in garden city to do would be great because there is not much to do in garden city.	2/7/2019 2:42 PM
183	Feel like multiple places would be harder to maintain and wouldn't be kept up.	2/7/2019 2:32 PM
184	Would like extended hours for pool. Especially when people get off work at 5pm. Also, I dislike the idea of having different pools throughout garden. That sounds like segregation.	2/7/2019 2:03 PM

185	The cost is very important and it would be helpful if we could bring in food and drinks. Time of operation is important as well since people who work until 5pm wouldn't reasonably be able to get to the pool until 630 at the earliest.	2/7/2019 1:38 PM
186	We need a swimming pool dont like the ideals of splash parks we need some kind of water park like Dodge city has maybe more people would use the water park if we had one like Dodge so Garden city people dont have to drive an hour to enjoy the water park in dodge please dont get ride of the swimming pool my childen enjoy the pool way to much not to have a pool but dont charge an arm and leg just to use the pool so people can afford to take their families and enjoy the pool not go because it cost way to much	2/7/2019 12:08 PM
187	Bringing a unique design to the area of SWK so we can provide something for everyone to enjoy in our area.	2/7/2019 12:06 PM
188	I think we should have multiple community pools, add more to the current pool with cleaner and warmer water, and we should also add a skating ring like the old place we used to have thwt was known as the Fun Center which was located where Parrot Cove and Core are.	2/7/2019 11:31 AM
189	How much longer till we address what we will do with the Windsor?	2/7/2019 10:48 AM
190	I recognize the "Big Pool" is a part of the GC identity, but I have always believed we are a community that adapts and changes with the times. Our current pool is de-lapidated and is a waste of natural and financial resources, that are both finite. A more efficient 2 or 3 pool setup with a splash park makes a lot of sense. A slide at each location would be nice, but the need for a water park is not necessary, we can go to Samy's and pay the high price or go to DC if we really need the thrill of a big slide, people who want these things will pay the gas to go over there, but that doesn't mean the city needs to pay for it. We do need to provide a community pool, but the current one is not efficient and a waste of taxpayer dollars, at some point we truly embrace change and move out of a bad investment, we got our use out of it, it is dead, let it go. One thing to remember when making any decisions, those historians that believe the Big Pool is the greatest thing ever, even though they are possibly the loudest barkers, does not mean they speak for everyone, they are just one voice talking louder and sometimes over everyone else. I do want to thank the commissioners for their willingness to review the current problems at the pool and looking for solutions and their willingness to listen to public input.	2/7/2019 10:03 AM
191	Do a careful study on lazy river water parks. People travel out of town to go to these, especially ones that are family affordable. \$15 or more per person is not family friendly.	2/7/2019 9:45 AM
192	Even though I am older and would not be as likely to use the facilities, I believe it is important for GC to provide families, especially our young families with facilities they can afford, enjoy, and their children can learn to swim. These would help to promote GC as a wonderful place to live and grow.	2/7/2019 9:36 AM
193	I understand the big pool has a ton of historical history but only a very small amount of people in the community ages from 1-100 actually swim at the current facility because it is out dated. The other thing is if you actually ask all those individuals that do want to keep the big pool? How many times a summer do they actually use it? I bet it will be a very small amount if they use it at all.	2/7/2019 7:40 AM
194	Bring the community together, this is definitely the way.	2/7/2019 6:48 AM
195	We need free splash areas within our parks like in the bigger citys. We don't always have funds to take 3 or more kids to the big pool. Most likely they'll want something to eat and drink and if your on a limited income it can be disappointing to have to deny your kids from going to the big pool and having fun.	2/7/2019 5:18 AM
196	I would be very dissappointed if the big pool was turned into a skate park or anything other than "the big pool". It could be a great place with the correct facilities updates, staff, and fun atmosphere.	2/6/2019 10:52 PM
197	Please move this process along so that we quit wasting SO MUCH water.	2/6/2019 10:15 PM
198	We need a good pool but not one that costs a million or more. We don't need more increase in our taxes. Also, put out a survey before building new EMS building!	2/6/2019 10:02 PM

205	An indoor competition pool would draw the smaller communities to the area all year round. In the summer these places are packed. It would bring additional revenue to the area. An outdoor facility is great for only about 90 days out of the year. Let's do something that benefits the entire community and not just a few for a few months.	2/6/2019 8:07 PM
206	The funds should be raised privately, or with usage fee. Tired of watching these tax monies get wasted, redirected and never seemingly enough to cover the original expense of the project	2/6/2019 7:39 PM
207	Thank you for the new restaurants and soon trampoline park! I am happy to raise my family here! Oh can we please have a catholic High school!!!!	2/6/2019 7:34 PM
208	We visit the pool regularly during the summer and very seldom once school starts.	2/6/2019 7:22 PM
209	To try to remember the families that the pool is the only thing that some kids get to do in the summer. So when deciding what all to put in the new swimming area to not make it so expensive that those families can't enjoy either. And with adding all the new accessories consider having an open pool area for those that do not or cannot use the side activities. And the warmth of the pool for the little ones .	2/6/2019 7:13 PM
210	It's important to remember that many children don't have access to a pool other than the big pool. We need to keep some kind of pool, big or small in the future plans.	2/6/2019 7:04 PM
211	It's hot in the summer! There are no close lakes, parrot cove is too much \$\$, we go to dodge at least 1x week for the water park. Garden needs something similar! Please!!	2/6/2019 6:22 PM
212	Love the splash park idea!	2/6/2019 6:07 PM
213	Do it right or sell it to a private company	2/6/2019 6:05 PM
214	If we can have the big pool double the size.	2/6/2019 4:56 PM
215	For our community, I think it is important for the children and young adults to have an inexpensive swimming location to spend time at during the summer. We already have a year-round water park with Parrot Cove. It doesn't make sense to compete with them, but rather provide an alternative for the families that can't afford to frequent that facility. It doesn't have to be fancy, just functional and affordable.	2/6/2019 4:26 PM
216	Please, please provide more shade - our SW Kansas sun is so brutal.	2/6/2019 4:04 PM
217	I love seeing the City ask the kids what they want, its seems (from what i have heard) that the kids want things to do in the community. more than a movie theater or a bowling alley.	2/6/2019 3:31 PM
218	The pool was very clean last summer and the facilities looked cleaner than they had in the past. People who worked in the gate house and concession were very nice and helpful. I feel that it was nice to have them nice and appreciative when we came to the pool.	2/6/2019 3:25 PM
219	N/A	2/6/2019 3:16 PM
220	I don't believe we need a new location. We need the to make the current big pool a must go to destination. Have events on Friday and Saturday nights that makes the 18+ people to come out. We need fresh ideas maybe a one or two different additions like a lazy river. I believe more night events would bring many more people in, I personally love the night events and attend with my brothers and sisters as well as nephews.	2/6/2019 2:32 PM
221	I feel a pool environment is very important as it teaches kids to swim with independence and confidence.	2/6/2019 2:16 PM

224	Many, many people drive to Dodge and Liberal. We need a water park here, year round would be great, but just summer is better then nothing. Like parrot cove, only with more for bigger kids/adults and not so stupid expensive.	2/6/2019 12:26 PM

225	There is so little for youth to do in our community as it is. Loosing this asset during this time of year especially with Bo school would be a horrible situation. Making anything to expensive to go to is no different then getting rid of it completely. We need a happy medium in this decision. We don't want the kiddos that utilize this on the streets because they have nothing to do. Idle hands don't create good situations.	2/6/2019 10:49 AM
226	Build a 3rd fire station quit waiting money out the people first	2/6/2019 10:26 AM
227	It would be great if kids in Garden City could learn to swim. So many kids do not know how to swim. The swimming facilities for kids who are on swim team and not adequate. If we had a better facility we would have more people involved in being fit and engaging in healthy activities.	2/6/2019 10:16 AM
228	Garden City has a water park, as do the surrounding communities. I would much rather see a quality pool, with adequate shade and seating be built. Water parks are very expensive to maintain and the novelty quickly wears off. Swimming pools and slides are universally popular and will provide entertainment for many years. Perhaps a facility like Lakins could be built - with an indoor and outdoor pool. This would allow competitive swimming to expand in garden city and would benefit the high school as well since the YMCA pool is difficult to host competitive events in die to the lack of seating, etc.	2/6/2019 10:12 AM
229	The Big pool is Garden city prominate destination. People still love to come to town just to go to the pool and enjoy their summer.	2/6/2019 9:11 AM
230	I think a water park with a smaller pool for swimming would be a great compromise. I think a water park with multi-levels of activities would best serve our community.	2/6/2019 9:08 AM

246	The garden city pool is a very important recreational facility to our county. It is the only thing our children and families have going here for family entertainment in the summer. Our kids need more affordable activity in this town. Skating rink, fun center something to keep the kids off the streets and doing something fun and positive.	2/6/2019 5:23 AM
247	Having something indoors would help bring in money all year long. Several surrounding towns are always here even during sport competitions that would visit too.	2/6/2019 4:43 AM

256	I do like the idea of the smaller community pools for the fact that a lot of our children and Garden City are latchkey kids. If there were smaller community pools in their neighborhood they would be able to walk their younger siblings if they have to babysit to the pool instead of multiple children having to walk clear across town for some of our kids. I do believe that we need something that is Affordable for all families that way it can keep children out of trouble during the summer months.	2/5/2019 10:32 PM
257	A fun park with go karts, putt putt golf, laser tag, etc. That would be great for families with middle aged kids to teens.	2/5/2019 10:19 PM
258	Shut the pool down. it is a huge waste of money.	2/5/2019 10:04 PM

260	The big pool is a part of our history and y'all should be ashamed to even think about getting rid of it. Just update it and maybe every once in awhile make it free. Like the good ole days	2/5/2019 9:33 PM
261	I believe it would be in the best interest of the community to build a new facility that would contain both a pool and small water park. It would also be good if this could be used year round instead of just the summer.	2/5/2019 9:32 PM
262	Need a pool and park at Chappel Heights Addition and only people who live in that area are allowed to go plus their family and friends. Not open to everyone	2/5/2019 8:46 PM
263	I feel like some of these questions are misleading and I hope that there is transparency in this process. Also I hope the City sees not only the value the big pool is to the city as a pool but historically I feel they need to tread softly.	2/5/2019 8:43 PM
264	Even though not all historic places, sights can be restored, maintained or used forever, it is still very important to a large number of people in Western Kansas, to keep the spirit of the Big Pool alive and well. If there is no viable way to make it better and all that can be done is tearing it down, then I hope that the City of Garden City will erect some kind of historical site on the property; to celebrate the many years of fun and enjoyment had by thousands of people over the years.	2/5/2019 8:42 PM
265	Summer recreation is a clean, supervised pool. The big pool is all of that. We love it especially the slides.	2/5/2019 8:36 PM

271	I don't think it necessarily has to be a matter of water park, water doesn't have to be involved. It's about having a place for kids without breaking the bank of the parents.	2/5/2019 7:17 PM
272	In cimarron there is a fee we have at on our city bill if 3 dollars each time. Maybe GC course massively improve swimming locations and add indoor all year pools. The high school really could improve for their swim team as well!	2/5/2019 7:09 PM

Whether it's an outside water park or swimming pool people will be happy with either or because it's water and it's outside. The inside water park just isn't the same, yes it is convenient of course but everyone and their grandma looks forward to the nice cool water on the 90 degree weather days. I also think that if the current leak in the big pool cannot be found and has not been found yet, then it should be shut down for two reasons. One, it could be dangerous. Literally anything can happen while there are people inside swimming, has anyone ever considered a sink hole developing? It is very logical, and two I'm sure there is a lot of money being wasted in refilling it every day as much as they do during working times. It makes more sense to put that money as well as everyone else's money into a facility that is high quality and that delivers what the people want that is also going to make it exciting to go to! I hope you come to a decision soon!	2/5/2019 6:03 PM
284	Leave the big pool alone it is great for kids my family goes several times a week dutlring the summer it is a city land mark which is loved	2/5/2019 5:56 PM
285	There is a need for "fun" facilities for children in the community.. safe, well ran, clean facilities. Preferably with an admission to keep it from being over crowded and run down.	2/5/2019 5:47 PM

290	I don't actually believe that the City wants our input. If the city wanted to keep the Big Pool they would be presenting proposals about updating the Big Pool and would have consulted with engineers about fixing the problems at the pool rather than presenting the city with what Hays and Dodge City already have. We have an amazing historical pool unique to our community and until the City presents a proposal that approaches the pool as an asset that ought to be preserved, I don't think these surveys are presented to the public in good faith. The last questions on this survey indicate the problem. I'm not willing for taxes to go toward anything until the City actually seeks a solution to preserve our community's history.	2/5/2019 5:01 PM
291	The Big Pool is an asset to the community. I like the idea of one large pool in our community. Close to the zoo and all the zoo has to offer. All friends can meet there and I think it would be easier to staff (lifeguards, concessions, etc) than multiple locations.	2/5/2019 5:01 PM
292	After hearing in a presentation of the staggering amount of water being lost by the big pool daily, I think there needs to be an investigation into where the water is coming out at, where it's going, and how it can be fixed. I think this should be top priority for anything concerning the Big Pool.	2/5/2019 4:59 PM
293	Close the pool down. You're wasting our money	2/5/2019 4:53 PM
294	While I understand the big pool looses money from the water leaks, please don't take away the only other option we have to expensive parrot cove. I would prefer to take my family to the big pool anyway, even if cost was not an issue. I have a large family and it costs over \$100 per visit to parrot cove. I would be ok with a small increase over entrance fee to the big pool to help ensure it will be a staple in our community for years to come!	2/5/2019 4:51 PM

297	To keep our children active and productive citizens they need more things here in Garden City to do. Things that aren't going to brake the wallet for larger sized families.	2/5/2019 4:43 PM
298	Pools are needed for kids to enjoy and stay active, but need to remain cost efficient for lower/poverty income families. Sometimes that's all a child is able to do and needs to be available for those kids	2/5/2019 4:42 PM
299	Having a diverse selection of facilities throughout the town would increase accessibility for many different types of families. Having water facilities closer to my home would be extremely helpful.	2/5/2019 4:41 PM
300	I went to the presentation & enjoyed all of the information presented. I am very pleased to see that the community's thoughts & ideas are all being considered. I think it is great that the children of our community have had a say as well. I am a born & raised GC resident & my family loves the Big Pool & would love to see it remain in its current location, partially for nostalgic reasons I suppose. But something must be done about the water usage. Even if the pool was made smaller, rebuilt or reinvented somehow I would still love to see some sort of water activity remain at that location. I would love to see the Big Pool rebuilt with less deep water, more medium sized slides & a lazy river added. With that being said I can definitely see one of the new location ideas being used more than the current location because of the proximity to the neighborhoods where more children live. I think that a small simple pool at the scout park would be very popular & enjoyed by so many kids who live in that area. The smaller basic option shown in the presentation could allow for a \$1 admission & would be affordable enough for parents to allow their children to go to the pool daily or at least multiple times a week. I think that the Dean Wiley area, or somewhere in the north east part of town would also be great for some sort of water activities, a small water park or Splash park/ pool/ lazy river combo. That is an area with lots of children & I believe would be highly popular as long as the admission is kept between \$2-\$3 per person. Small splash parks throughout town would be great as well. And our children would definitely enjoy having a variety of water activities to keep them busy throughout the summer. I absolutely love the idea to have a building, not concession stands, just a building at any of these potential locations that could be rented or used for clubs to do fundraisers out of, for example cub scouts could reserve the building to have a bake sale. I think that would be great addition for our community. I think it is important in all of this planning to have spaces for birthday parties! Areas for setting up & gathering. With rental options as well. No matter the location I do think it is very important that our community has a pool. An actual deep water swimming pool. Water & splash parks are great but not the same as a swimming pool. In closing I appreciate all the time spent planning & thinking about these possibilities. I am excited to see what is decided. Thank you for all of your time!	2/5/2019 4:32 PM
301	save this landmark, why not a pool include in the star bond, you have decided already to get rid of the big pool. corn hole throwing courts good job	2/5/2019 3:03 PM
302	Utility bill add on to pay for facilities and keep them affordable. We could build an indoor competition pool and an ice rink.	2/5/2019 1:37 PM
303	It needs to accomodate families with multi aged kids /people so that the entire family can enjoy it together. We will use it if we can go as a family and with our friends. Don't divide the community by neighborhood locations. Another consequence of that would be socioeconomic segregation and separation. We do not want that.	2/5/2019 9:47 AM
304	I think it is important that children in our community have access to swimming pool(s) so that they learn the important skill of learning to swim as well as have a beneficial activity for excercise in a good environment.	2/4/2019 2:08 PM
305	Splash parks seem like the way to go due to more accessibility throughout the community, and less operating costs and liability for the City. Plus many more kids who don't know how to or are scared to swim could still enjoy them.	2/4/2019 9:40 AM

312	I don't know	2/4/2019 8:08 AM
313	I definitely don't like the idea of multiple facilities located around town--that would eventually have to lead to more money spent on facilities upkeep, employee's salaries, etc. It would also destroy a sense of community by having one pool for everyone. I understand that the GCPD have to respond to trouble at the pool; this could potentially increase the number unnecessarily for places to police have to patrol. I don't think the BP is so busy that you could justify breaking it up into smaller areas--and GC isn't so big that the BP is hard to get to for everyone. (rather than take the pool to the people, find ways to get the people to the pool, as in promoting & using City Link busses to get kids to the pool)	2/3/2019 3:07 PM

316	Garden city is known for our big pool. Why would you take that away? We already have a water park. Why would you build another. You should be supportive of the growth. Instead of going into competition against parrott cove.	2/2/2019 11:47 AM
317	Don't get rid of the pool kids love it, bring other things into GC for kids to do theirs lots out their, form a committee of Grandmas together you'll get ideas😊😊😊	2/1/2019 6:53 PM
318	Garden city needs a lap pool facility. The ymca is not good. It is difficult to watch swimmers when competing there. Other communities have great facilities. Garden city needs to step up and build a nice facility for lap swim that is open year around.	2/1/2019 6:13 PM
319	Garden City needs an indoor facility that can be used for many purposes, including competition and swim team practices.	2/1/2019 5:57 PM
320	We NEED an indoor competition pool... the high school has a swim team, and our community should support children in the community growing in the sport... other towns have nice host facilities...	2/1/2019 5:12 PM
321	LeVe it alone	2/1/2019 5:04 PM
322	It would be nice to also have a competition pool. We have youth and school swim teams without adequate facilities for competition and practice. During competitions at the big pool, relays can't dive in on both sides and watching is a pain as you have to be outside the fence. The YMCA is not well maintained and there is not enough space for competitors or families during events.	2/1/2019 4:08 PM
323	I think it is very important to have a public place that can offer swimming lessons, if we move toward only splash parks, we will have generations of children who don't learn how to swim! I love the idea of having smaller neighborhood pools, but I think there could be a good mixture of splash parks, and pools if funds allowed.	2/1/2019 3:58 PM
324	We don't use the pool, but enjoy watching grandkids do swim lessons.	2/1/2019 3:47 PM
325	its hard to answer questions about the smaller community pools without knowing what they will include. i have a 12 year old who mainly uses the diving boards, 6 year old, slides and under 1 very shallow water. i think the idea of having pools closer is nice because my oldest could get himself there but would he want to go without diving boards? Probably not.	2/1/2019 3:29 PM

327	That swimming is a life long sport. Many youth would benefit from year long swim club access. As a middle age adult I am discovering the benefits of swimming vs other higher impact forms of exercise. Better access in the winter would be great!	2/1/2019 3:19 PM
328	Nothing I HATE swimming.	2/1/2019 3:16 PM
329	Swim team interest is growing in Garden City and western Kansas. The facilities currently available are not adequate to meet the growing needs. A year round indoor facility with a 50 meter pool could bring in outside competition and interest to Garden City multiple times a year instead of the swimming community always traveling to Wichita, Topeka, and Lawrence. This is something that would bring people into our community to see everything we have to offer	2/1/2019 2:40 PM
330	Older children need a place to spend their summer. The Big Pool offers a safe place where kids can hang out, have fun and get exercise. My family has enjoyed the Big Pool for over 20 years, through all the stages of our family. If we must lose it, I would like to see a similar set up that meets the needs of all GC residents. GC is in desperate need of an indoor competition pool, we have great interest in swimming in the youth and have high school teams that suffer from the lack of better facilities to train in all year long.	2/1/2019 2:33 PM

332	It is extremely important this project includes an enclosed competition pool.	2/1/2019 2:26 PM
333	I think offering a heated enclosed pool facility it's most important. The YMCA is an option, but parking and additional fees for classes, etc. in addition to the dues, makes it difficult for large families. An affordable heated pool and/or water park offered year round would be beneficial to those who like the benefits of a pool without all of the additional programs that come with a YMCA membership.	2/1/2019 2:06 PM
334	With the rapid growth of our city, I think multiple pools would be great. However, because of the history of the BP I think something should be done to preserve it (even if it's not used in the future like it has been in the past). I think if there were options for people my age who don't have kids and don't want to be surrounded by them, an adult only pool would be a great option. You could charge quite a bit more to get in and have a restaurant attached to it. There are many examples of restaurants like this in the Ozarks. If Garden had cleaner facilities I think we could get away from the reputation of being "dirty".	2/1/2019 1:58 PM
335	We need a pool large enough to support swim team and lap swim with spectator seating. Incorporated recreation would be nice, but the Y pool is not sufficient for the needs in gc.	2/1/2019 1:56 PM

Health and fitness are important items that contribute to making our community a leader in our region. Thank you for considering the importance of an aquatic center to our town.	2/1/2019 1:37 PM

341	Don't spend money just to spend money. You can't force people to use resources. The people who use facilities now are the people who are going to use the facilities when you build a new one. Quit trying to change a culture that doesn't want to be changed. Also quit hiring terrible people to lead because that is a large effect of why no one wants to attend those places and why it isn't largely recruited. Honest conversations need to happen and things need to change. Our city doesn't need to keep spending money we don't have for projects people aren't going to use.	2/1/2019 1:32 PM
342	NA	2/1/2019 1:25 PM
343	Please keep entry cost in mind. Nothing more than 3-5 dollars per person, when you are a family of five that is \$25 just to get in and spend an afternoon at the pool with your family.	2/1/2019 12:57 PM

345	We love going to the Pig Pool	2/1/2019 12:07 PM
346	Cost and availability play a huge part in our decision and ability to go to the Big Pool. When I was young and single, I spent every day of the summer at the Big Pool and those were the best ways to spend the summer as a kid! I would hate to see the Big Pool go, because we need a large space for open swim with kids, with diving boards and slides, and easy access into the pool. Places like Parrot Cove are too small, I HATE being inside there (if it had an outside area AS WELL, that would be SO MUCH BETTER!). And Parrot Cove is just too busy and it gets very boring. They don't have a pool where you can just free swim, and I feel like I'm swimming in chemicals. I like being able to lay out in the sun in the summertime, enjoy the warmth, and watch my kids have room to play. Any small neighborhood pool that is too small could get easily overrun with people and not make it enjoyable. That's the best part about the Big Pool - you are hardly ever crowded (except sometimes in the shallow ends with our kids, but even still, it's okay).	2/1/2019 11:35 AM
347	The open grass area at Dean Wiley would serve perfect for a small community pool. It already has the open picnic area, a playground, and softball fields. Also, Wams is right there.	2/1/2019 11:10 AM
348	The presentations to schools did not show the cost option of keeping and fixing the big pool. It only showed the options for the new pools and splash parks/water park. I don't think we need a water park, we have parrot cove. We need to just fix the big pool and maybe add a few splash parks around town.	2/1/2019 10:32 AM

We need a nice indoor pool. Believe it or not it would grow the community by a lot. People would actually move to Garden to swim if we had a nice indoor pool. I strongly feel that we need something for people like me. Garden City Ks could be very good at swimming. 362	Low cost summer recreation is important. I think the concept of neighborhood splash parks is intriguing and would be useful for those farther from the current pool location. There is also a need for non-water based indoor activities for small children.	1/31/2019 10:28 PM
363	The big pool bring garden city together. I'd hate to see it closed and not renovated and improved to be something like dodge city has. It would be a shame to close the big pool and not replace it in the same location with something like the Dodge water park.	1/31/2019 10:03 PM
364	I take my grandchildren, ages 10, 7 & 5 at least once a week. They prefer the big pool over the Holcomb pool because there is more room to play in the shallow end and isn't as crowded. While I stay with the two younger ones in the shallow end the older one can go into the deeper water and down the slides. I can keep an eye on all three of them and they don't get bored! It truly is an activity they look forward to all week. I grew up swimming in this pool, took my children and now my grandchildren. Please keep "the big pool" a big pool!!!	1/31/2019 9:53 PM
365	Outdoor water recreation opportunities are so important during the summer when kids are home all day and it's often too hot to play at the park. As a mother with three children under 5, splash pads are THE way to do that best for our family.	1/31/2019 7:24 PM
366	I love the Big Pool. It's an important part of our town and has been for a very long time. I know it's hard for the city to take care of, but it's valuable. It's purpose is to serve the community and provide a safe place for kids and families during the summer. It's purpose is not to make the city a lot of money. It's so valuable to so many people. It may be a lot of work but in my opinion it's worth it. The city should focus more on reinstating some of the safety measures they've taken away from the pool and renovating what we already have. Multiple smaller pools would not be the same and we already have a water park. Please keep the Big Pool	1/31/2019 2:47 PM
367	It's great that Garden City has many opportunities for young families to be active and involved in town, but if you want to keep young couples in town you need to expand your adult options. My Fiance and I moved here for job opportunities, but have been disappointed in what is available for young couples, without kids, to do in town. We want new and fun opportunities too.	1/31/2019 12:56 PM
368	This community and surrounding communities are growing at such a rapid pace. We need to be able to cater to tourists and residents alike with exciting attractions that are worth driving over for or even taking a day off work to enjoy with family. If Dodge City can maintain a casino AND a decent sized water park it's time to step up our game. With the addition of Schulman Crossing and our drive to bring in tourists and revenue it just makes sense to build a good sized water park and make Garden City a summer family destination.	1/31/2019 11:40 AM
369	The Big Pool is one of my favorite things about Garden City. The size makes it unique and great for big families. We love it, and would be very sad to lose it.	1/31/2019 11:14 AM

370	I am a lifetime lover (43 years) of the BIG Pool. I have never really wanted to see it go, this presentation tells me it needs to go. In recent years I have noticed that I take my family there less, this presentation made me reflect upon that for a bit. The big pool holds many memories for us, but as my children have grown it has not been as much fun. I think the temperature has something to do with that. My teenage girls think it is gross, lots of dirt and debris in the corners on a windy day. One summer my family made an event of going to all of the water "parks" in the surrounding area. Dodge City, Liberal, Great Bend, Hays, Colby... Our all time favorite is Hays. Hays is our favorite because of the lazy river, slides for all, and clear defined spaces for swimmers of all ages to use. Its been a few years, but at Hays no one need to pass a swim test to use the slides and the height requirement was small. We like the theme of the Liberal park. Dodge City is too cold most days for us, we don't like that you have to work really hard on the lazy river to stay dry...If Garden would build a park similar to these communities, people from all around will come. Garden City has more to offer than most of the other communities. Lastly I like the location of the big pool, I think it should be considered for a site of the new water park. The close proximity to the zoo make it a great place to visit for out of town guests. I love the idea of keeping the current bathhouse as a tribute to BIG POOL. The uses could be endless. Sad to see the BIG POOL go, but completely understand.	1/31/2019 10:59 AM
371	Why the concept of splash parks is cheaper with less overhead, there still needs to be an outdoor pool facility where people learn to swim and can exercise.	1/31/2019 10:48 AM
372	As a kid, growing up in garden city, i would ride my bicycle across town to go to the pool. There was something cool about going to the pool during summer break that i just cant remember.	1/31/2019 10:44 AM
373	Other towns our size, they have at least 2-3 pools the size of the Big Pool (or slightly smaller) with a higher cost (\$5/person). They are always PACKED and there doesn't seem to be too much of an issue with the higher cost.	1/31/2019 8:07 AM
374	I think that the big pool is awesome and it's been here for forever so it's be sad to see it go. 402	I like the facility from what I've seen. My roommates use it. I want to have a pool. I think they are great. And a wonderful use of space. I think we need to keep part of the big pool area.	1/29/2019 10:08 PM
403	A water park will bring more teacher with families because it has a place for them to go.	1/29/2019 9:24 PM
404	Shade is really important. Early hours for babies, moms and elderly. Night hours in summer. Kids sleep half the day because of the heat. Night hours will increase revenue.	1/29/2019 8:41 PM
405	We need to have a swimming pool. I do not want the only water activity to be Parrot Cove. I would like the pool to be outside and the same price or cheaper than it is now.	1/29/2019 5:49 PM

412	It is sad that in our growing community that we do not have a better swimming pool. Many families leave town and go to out of town to pools in other communities. We have a growing swim team club and need a better facility to host swim meets and swim practice. We have a great down town and great shopping districts but need to improve what we offer to families.	1/29/2019 12:44 PM
413	This survey was formatted with the mindset that The Big Pool is being replaced and what the options are. There should have been more about what can be done to update The Big Pool. Repair what needs to be repaired. Money has been poured into The Big Pool for years as an investment. Why are we throwing that away now? The Big Pool is part of Garden City's culture and is a historic landmark. It should be treated as such. SAVE THE BIG POOL!	1/28/2019 12:22 PM
414	could keep the big pool entrance, use the building as restrooms for the basketball courts. keep splash park. elephant can be kept as slide and fill its pool area with sand or tire pieces. rest of big pool can be made into basketball or soccer courts or used for more picnic areas.	1/28/2019 11:54 AM
415	It would be nice to keep the old pool around for a use like a skate park area or other activities. It is an attraction being the Worlds Largest Municipal Pool.. Would like to say it's still free but we can't continue to operate these type of facilities without charging a FEE	1/28/2019 10:39 AM
416	The Big Pool has ben in existence for many many years. I believe it has been there since the 1920. It definiety was a great source of fun and happiness for myself and 6 siblings. It is a staple of Garden City, Kansas and puts us on the map. In addition it gives families with limited resource the option for fun!	1/28/2019 9:55 AM
417	Important to keep Big Pool. May build new pool within its confines.	1/28/2019 7:29 AM
418	The pool we have now cost a lot of money for the short of time used. It's right to explore other options, such as a city - private partnership similar to what Derby Kansas has but maybe smaller.	1/27/2019 5:40 PM
419	KEEP THE BIG POOL! Don't get rid of history. You already do that enough as is!	1/27/2019 2:23 PM
420	Where would you create parking for these new facilities? A lot of tax money went into fix the leaks and updat the big pool, who is responsible for it not being managed after all of the money was dumped into the project? I understand that you want student's perspective but, they aren't the ones paying for it and of deciding if they could even go to the pool. We need an indoor/outdoor facility that is affordable.	1/27/2019 10:13 AM

Big Pool Community Input Survey

421	I believe a large pool needs a number of lifeguards in comparison to number of people in the pool and pool areas,	1/27/2019 9:46 AM
422	I feel that it is very important in our community to have a place like the big pool or similar to it. My family only goes 1-2 times a summer because its on the other side of town from where we live. I would strongly support multiple smaller pools at parks like Dean Wiley, which is much closer to my house. My sister and I could walk while our parents are at work. That was one of the other reasons we didnt go very much,my mom cant get off work to take us.	1/25/2019 10:01 AM

426	we need a nice pool for our children have something to do in the summer.	1/24/2019 9:07 AM
427	I would like splash parks at the Scout and South east parks. That way many children whose parents have no vehicle would be able to use them. To me those are the parks located in the areas of the most children in need.	1/23/2019 8:50 PM

430	If you are doing a Star Bond for athletics to bring revenue in town, why would a indoor competition swimming and diving not be included. People will come from Colorado, Nebraska, Oklahoma, Texas, New Mexico. I thought that is the impetus to get people in hotels restaurants to spend money? Get this going quit talking about it. You lose money on Buffalo Dunes this is something one doesn't have to spend a lot on equipment for the individual to swim.	1/23/2019 4:23 PM

464	You took away the guiness book record, you are just looking to spend money, if you put this on property taxes my home valuation needs to come down to where it is valued instead of you inflating it to get more taxes out of poor people. The city should not be partnering with Samy, O'brate and giving them tax cuts, paying them for use of their facilities. We are paying taxes for all of this and then you are helping with the new sports complex that doesn't even belong to the city. Using the excess electrical fund for this stuff is also not good. We own the utilities in Garden city, we should get that money back at the end of the year. Fix the pool, quit this stuff, and a vote on this should be taken by people who pay the taxes.	1/23/2019 2:14 PM

474	So excited for this project. I truly believe what is decided will be better than what we have currently. I am looking forward to taking my son to the Big Pool.	1/23/2019 12:37 PM
475	The indoor water park is great, but it appears to only target families of younger children under age 5. The big pool appears to target high school and college kids, but there is nothing targeting the 6-14 age range. Neighborhood splash pads or pools would be amazing!! Our kids could walk there and create relationships with other neighborhood children/families.	1/23/2019 12:35 PM
476	Free would be great for our population. Distance and accessibility are important factors. A mixture of these ideas in multiple locations makes sense. I think at least one pool needs to be indoors, not just for children but people of all ages, especially seniors. Keeping something substantial at the current Big Pool site is important. I like the idea of multiple smaller pools but understand the staffing and liability issues. Maybe one BIG pool, one indoor pool in a neighborhood, one smaller pool in a neighborhood, and splash parks in the remaining parks?	1/23/2019 12:15 PM
477	It is worth finding a solution to the Big Pool leaking problem, not just patching it year to year. Start from scratch if you have to, Use contractors with experience in these kinds of projects.	1/23/2019 11:13 AM
478	I heard the presentation about the amount of water leaking from the Big Pool, so it is clear that a major renovation needs to be done. I would not like to see the water park at that location because the site could not handle the noise and parking. I could see a smaller community pool, splash park and extended picnic area at the site of the Big Pool. I also like the idea of several splash pools with picnic and perhaps other outdoor games, volleyball, etc. located at the various sites on the map. I especially think a Downtown splash park and maybe vendors would be a draw. Thank you for taking on this important project for our community!	1/23/2019 11:04 AM

479	Learning to swim and having an accessible place to youth is important	1/23/2019 10:06 AM
480	nothing	1/23/2019 10:01 AM
481	I feel like there is already an indoor pool at the YMCA and the indoor water park (that is new to town).....so I don't really think we need another indoor pool. It would be nice to have some updates to the big pool. And it would be great to have a couple of splash pads around town in already established parks for kids to get to during the summer months (east side/west side) maybe. But, it will be sad to see "the big pool" go away.....	1/23/2019 9:27 AM
482	Having more pools at different areas around town would be great! Splash pads too. The big pool is too far away to walk for many people and it gets too crowded. Smaller pools would heat up easier. Also, healthier choices at the concession stand would be great. I wont buy the junk food for my kids and I see other kids all the time eating it as their meal for the day. Real meals, even sandwiches, would be really nice.	1/23/2019 9:19 AM
483	A water park is absolutely necessary for our county, we have great shopping, a movie theater, and bowling but we are lacking in a outdoor fun area for the entire family. A water park would bring in more families which would make Finney county more profitable! We also need a olive garden, Panera, and chic- fil- A please!!	1/23/2019 8:56 AM
484	I would hate to see the history of the Big Pool go away but I understand it is going to be costly to upgrade and maintain. I really like the splash pad ideas at the different parks around the city, those definitely will attract kids that can't or don't have access to the big pool	1/23/2019 8:42 AM
485	I live in Holcomb so location close to my home isn't as important to me as having smaller safer community facilities with options like sand volleyball, concessions and party facilities.	1/23/2019 8:42 AM
486	You all do a wonderful job making Garden City a great place to live. Happy Wednesday!	1/23/2019 8:42 AM
487	we need more summer activities that are affordable for our lower income families. Raising the cost will only limit people to use them.	1/23/2019 8:16 AM
488	Nothing more to add	1/23/2019 7:51 AM
489	I absolutely loved the idea of having a small splash park with light features at Stevens park on main street. I also like the idea of having a large splash park with a lazy river and shade! I do wish we had an indoor facility that was accessible year round and affordable. Parrot Cove is very expensive.	1/23/2019 7:30 AM
490	If there is no place for kids to go in the summer to swim I would expect the crime rate to increase. If you do not keep them busy doing things good for themselves they will create other options.	1/22/2019 5:40 PM
491	We think our current parks should be updated including playground equipment	1/22/2019 5:31 PM
492	I know this is a complex and emotional issue. Whatever the Commission decides, I do think it is imperative that we keep outdoor swimming facilities of some kind that are available at very low cost/no cost to community members and their families. Thank you for tackling this issue.	1/22/2019 5:02 PM
493	I would love to have a facility that could be used for water activities that you don't traditionally think of for a pool. could there be times for using stand up paddle boards, etc..? Might be a great idea if you haven't already to survey the past staff members as well.	1/22/2019 5:01 PM
494	I think there would be people that would be willing to donate toward water recreation.	1/22/2019 4:57 PM
495	keep the big pool	1/22/2019 4:56 PM
496	Pools are not money makers for any town no matter the size so usage only fees will not support a very big pool area. While we are taxed on a lot of stuff I think a vote of the people at an election is important. Not everyone in town is of the upper socio-economic area so having something within walking distance of a lower socio-economic area is a good idea. However, the big pool is a big draw for some people and I would hate for us to build something and compete with an indoor water part someone else already has or lose patrons to the zoo who then also go to the big pool. In the summer months the parks in town are used a lot. It would be nice to have more picnic tables and trashcans at the parks.	1/22/2019 4:52 PM
497	Splash pads near school zones serving a higher population of lower income level children would increase summer child activity. Depending on the location, collaboration with the Summer Food Program could increase use of facilities.	1/22/2019 4:50 PM

Big Pool Community Input Survey

499	The Big Pool is part of our heritage. There are too many decision makers who don't care or respect our heritage. Fix the Big Pool. I don't believe it would cost more to fix it then building something new. Probable just more lies we are regularly fed (remember the high school football stadium?)	1/22/2019 10:34 AM
500	Make a decision regarding the Big Pool sooner rather than later. Too much time and water have been wasted moving the project forward or off the table.	1/21/2019 10:08 PM
501	Why don't you just have a professional repair the big pool and leave it as a staple of the community instead of tearing it down. You're not going to win any votes for tax dollars to fund a bunch of newer pools. When we were kids we'd ride our bikes or walk to the big pool. Give the kids of GC a chance to enjoy the same thing.	1/21/2019 2:28 PM
502	Add a small golf course to the zoo to bring in some additional things for kids to do during the summer.	1/21/2019 1:30 PM
503	That Garden City is know for the largest pool, I would just do some change not much.	1/21/2019 1:04 PM
504	This city really needs a modern competition pool facility	1/21/2019 10:38 AM
505	It will get used more if not too expensive.	1/21/2019 10:16 AM
506	I would like to have what we had in the past with the Fun Center, and a skating rink. Skating rink was a lot of fun we need to bring that back	1/21/2019 10:05 AM
507	the city pool is like an historical spot and what I have seen in the summer for 60 yrs a tourist attraction improvements should be addressed and the pool stay where its at-----	1/21/2019 9:57 AM
508	Pools are important to the community. Splash pads are a luxury but eliminating pools would make the community much less attractive for people moving in. We need to catch up to Hays and Great Bend and make an indoor lapswim/competition pool available to our residents. The YMCA is not an option, both physically and philosophically. Their management style is hostile and unprofessional. Our young people deserve better!	1/21/2019 9:55 AM
509	For the size of our town we should be able to support an indoor pool with competition lanes. This could allow us to bring people into our community by hosting large swim meets both through youth and high school swimming. Also many areas have both indoor and outdoor pool facilities. It would be great to have a water park and indoor pool as part of one facility.	1/21/2019 9:36 AM
510	Already having Parrot Cove in town makes me hope for several new pools around town or revamping the pool we have. I don't think we need two water parks in GC.	1/21/2019 9:30 AM
511	The big pool is great. It would be awesome to have some neighborhood pool access as well.	1/21/2019 9:12 AM
512	We could replace the city pool area with an activity center that includes options outside of just swimming. I do think it is important that we have a swimming pool in Garden City. Unfortunately, I just believe that the big pool is losing too much water for us to continue to maintain.	1/21/2019 9:09 AM
513	Thank you for exploring this project! We appreciate your efforts to help our city group and improve!	1/21/2019 9:06 AM
514	A better skate park	1/21/2019 8:57 AM
515	The current pool is not appealing to many adults. Security is non-existent, the changing areas are dingy, dirty, and there is not enough shade.	1/21/2019 8:54 AM
516	Make a better Skatepark, ours is truly trash.	1/21/2019 8:53 AM
517	Not sure this town cares that much about recreation or health.	1/21/2019 8:41 AM
518	WE NEED AN INDOOR COMPETITION POOL!!!!!! THE YMCA IS NOT ADEQUATE TO HOLD SWIM MEETS OR FOR SUMMER SWIM PRACTICES AND THE BIG POOL IS WAY TOO COLD IN THE MORNING FOR 60+ KIDS TO BE SWIMMING!!!!!!	1/21/2019 8:41 AM
519	I reside in Pierceville, so there would be no park within walking distance.	1/21/2019 8:38 AM
520	WE NEED AN INDIOR COMPETITION POOL	1/21/2019 8:35 AM
521	Why does the street department not clean up the streets after it snows. I know the city has snow plows	1/21/2019 8:26 AM
522	property taxes are to high the way it is now, this needs to stand on it's own.	1/21/2019 8:09 AM

527	If it is time to replace the Big Pool, ok. Some people will have nostalgic feelings towards the old pool, but probably are not users. We need to keep the entry cost fairly low so all kids can participate. I am ok with the city continuing to bear most costs. Splash parks with shade around a few locations seems to be a good solution.	1/19/2019 7:03 AM
528	The big pool has served its time its outdated it doesn't serve the public many different facilities scattered throughout the city probably all of them different to include an indoor swimming Arena I think would be much better money spent.	1/18/2019 8:22 PM

Big Pool Community Input Survey

543	<p>I think it is important to upgrade and make changes in our town and keep our neighborhoods looking nice. Splash parks I believe are a high demand in our area due to Garden City being so much involved with outdoor sports. Baseball/softball games and tournaments, plus soccer game the playground equipment get so hot and there isn't much shade to keep our children cool and entertained. Having Splash parks would be great at these locations. Scott park on Eighth Street... I think a small community pool would be nice for those in that area. Now the Big Pool, in my opinion I would try to keep the bath house and the competition lanes for summer meets and maybe a small section of the pool for others to swim. This way we would be keeping part of the historical marking of the Big Pool. I would not bring in a Miniature Golf course because we've had one before and it didn't workout. Plus Hard Rock Lanes has one. We have Parrot Cove now too for the water park! I think we need something that the Community can use all year around like a Roller Skating Ring, Trampoline House or a Discover Zone, something that adults can participate along with their children or grandchildren. I know of a lot of people in our community that drive 4-6 hours or more just to spend a day at one of these places. Their average cost with gas, food plus entrance fee to the facility is about \$150-\$250 for the days event. Why when we could have something like that and pay \$7-\$10 a day right here. Plus we are giving it back to our community and not another. If you are going to be worried about the liabilities of injuries and all that well please let me say there is a risk in everything we do. I grew up at the Big Pool and the Skate Plaza and let me tell you them were the best days of my life as a kid! My family members still to this day drive 8 hours from Texas every summer to come visit the Big Pool and bring their children and grandchildren. It would be sad if you took it all away. I know you only mean right and are concerned about the cost and wanting to give the community what they want. I just think we need something else beside a bigger water park. Thank you for your interest in making Garden City the best home town ever!</p>	1/18/2019 10:54 AM
544	Nothing at this time.	1/18/2019 10:47 AM
545	I feel like if we had a special needs splash park or a pool park for kids who do have special would be a really cool park to bring to Garden City	1/18/2019 10:46 AM
546	<p>There should not be any new taxes for this project. Many residents of Finney county will not use this facility, so if the county/city need money for a new facility they should close the big pool until they have saved enough to start a new project. Why would you be concerned about other counties interest in Garden City getting a new facility? Most of these counties have their own public pool. Lastly if the Big Pool is losing 200,000 gallons of water a day it should not be re-opened. The city of Garden City and Finney county should be ashamed of themselves for allowing this to go on. Our aquifer is being depleted at an astounding rate, but Garden City doesn't care they just keep pumping for a pool?!</p>	1/18/2019 8:54 AM

550	<p>The current interest in swimming a a competitive sport is on the rise. We have hosted meets with over 600 swimmers in the big pool facility. The city of garden needs to evaluate the potential income and growth of swimming as a sport. The current trend in Garden City and surrounding areas is hindering the sport of swimming as well as the overal ability of swimmers in the community this should be addressed.</p>	1/18/2019 7:49 AM
551	Great job!!!	1/17/2019 3:35 PM
552	<p>When deciding on what to do think of everyone, Garden City has grown a lot and this town is more busy on the weekends because of the people that come from other towns close to Garden City coming to all the stores that their town don't have</p>	1/17/2019 3:18 PM

555	<p>I would hope and pray that our Big Pool would be worth a piece of our local history and well worth preserving. This Big Pool is very well know for GC and for many generations of the community. I would hope and pray it is worth saving. There is so much wasted money elsewhere. Please save the BIG POOL!</p>	1/17/2019 1:00 PM
556	<p>The big pool has always been a part of Garden City's history. Please don't tear it down! They've already gotten rid of numerous animals at the zoo and now this?? Unspeakable! We have a healthy economy with all the tax revenue and the big pool is well worth preserving.</p>	1/17/2019 12:36 PM

Big Pool Community Input Survey

557	We are in great need of an indoor completion swimming facility with lap lanes for both exercise and competitive swim practice. Numbers of swimmers in youth and high school swimming in garden city are increasing and the ymca can't support the need. It's facilities are not adequate.	1/17/2019 12:20 PM
558	Someone to act as a sort of security-type guard would also be nice - to ensure that pool rules are being followed and that you feel safe being there.	1/17/2019 11:51 AM
559	nothing other than I think more splash parks or multiple pools would be a great idea. But there also needs to be parent supervision. Lots of kids get dropped off at the big pool with out a parent being in charge of them	1/17/2019 11:25 AM
560	We can't forget the importance of accessibility for EVERYONE. We need to have a place to offer swim lessons for children and adults. Supporting our local swim teams, by providing a facility for practice and competitions should be a priority.	1/17/2019 9:54 AM
561	We need more activities for kids to have in Garden. Like back when we had a fun center but better then that. I think kids would really like it and also more money for business.	1/17/2019 9:38 AM
562	I believe having multiple splash parks around town and still be able to have a pool for the swim teams or swimming lessons is important in our community. splash parks would help us parents who want to take our kids without the dread of knowing we have to get in the pool with them. Thank you for allowing us to be part of this survey.	1/17/2019 8:50 AM
563	It would be great if there were multiple water parks/pools in Garden. It feels like the only one available is the big pool and it is usually really full that it does not make me want to go because of the big crowds.	1/17/2019 8:32 AM
564	N/A	1/17/2019 8:18 AM
565	Any type of water event that is free would be the most helpful. If the water events are spread out across town then one place (the big pool) would not be as crowded.	1/17/2019 8:14 AM
566	Family passes are good. I'd like to see it as buy X# of passes and they be interchangeable between people. I'd buy 5 if 2 could be for my kid's friends. I'd rather not worry about having cash for the pool.	1/17/2019 8:13 AM
567	The Garden City area has a vastly growing number of youth involved in school as well as area swim teams. With the failure of adding a pool to the new high school building as it was projected in the plans and the fact that the poor quality of water and maintenance at the YMCA as the only other option for the swimmers, it is very important to me and other swim families to have an outdoor as well as an indoor competition pool with adequate spectator room. It is a shame that we are the only 6A school in the state without adequate pool facilities and are unable to serve our area youth in that matter. As a community, I expect this project to include ways to adequately meet the needs of this growing program, which will bring other teams into the area for swim competitions, that we will be proud to be able to sponsor. Also, I am unwilling to see this project being completed a two the expense of the taxpayers. The model I suggest I see that of the Ulysses community, that charges every household, regardless of size, a \$10 charge on their monthly water bill in return for unlimited pool usage year round. As the community grows, the income from those charges will become higher and therefore provide sustainable income going directly and exclusively to the maintenance and operation o the pool facility.	1/15/2019 5:38 PM
568	I think a mini golf course would be great in town maybe connected with a new pool or splash park.	1/15/2019 4:58 PM
569	Nothing	1/15/2019 2:04 PM
570	I love the Big Pool. I think you just need to advertise more about it and then you will see more people come. It needs to be kept clean. The life guards need to be top notch and not look bored. If possible - I think if you can warm the water a little - this might bring more people on a daily basis - some days it is just too cold.	1/15/2019 9:49 AM
571	Getting the pool fixed and maybe building another facility needs to be a priority. Our youth need things to do in the summer, especially to stay active. I think the location of the current pool and the area it is in keeps some families from using the facility.	1/15/2019 8:39 AM

Big Pool Community Input Survey

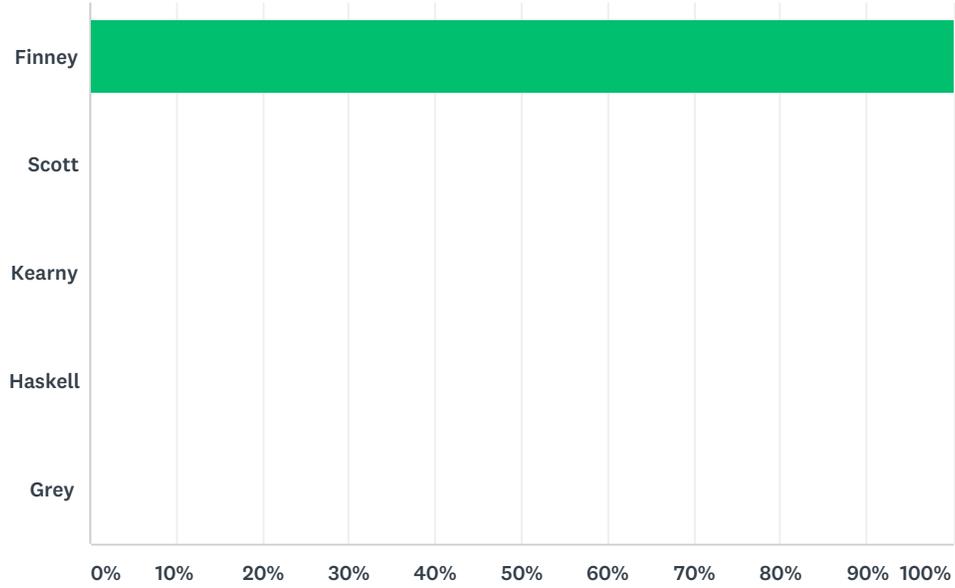

575	Again, although being county residents and "older" , I see a great benefit to the attractiveness of several "water features" & "splash parks" to offer as an enhancement to our town. We have a younger community and we do attract trade from our surrounding area. Do NOT want to compete with Samy...losing battle	1/14/2019 11:13 AM
576	I love the Big Pool for what it has been. But it is a "has been". The tremendous amount of water that is lost each year borders on criminal in this part of the county. If closing the Big Pool is the best way to stop this wastefulness then our community should do so. That being said I totally support a public "water facility" that people, especially young people, can enjoy during our oppressive summers.	1/11/2019 7:06 AM
577	In the arcade maybe they can add a laser tag game or even add water with it if it was safe	1/10/2019 2:57 PM
578	I think the current pool size and amenities, once updated would serve the majority of the public with a couple of smaller pools in highly populated area's of lower income families that may not have access to bringing the children often to the Big Pool.	1/10/2019 2:38 PM
579	It seems sad to close the Big Pool before it hits its 100 year mark. Should keep it open until then and work on new projects until then.	1/10/2019 2:35 PM
580	Preserving some parts/aspects of the Big Pool is important historically to the community.	1/10/2019 11:13 AM
581	The Big Pool is a major asset and draw for Garden City. If there are plans for a new water park, I would like to see it go adjacent to the Big Pool to make it even more impressive.	1/10/2019 10:55 AM
582	A year-round facility makes the most sense. A splash park in Stevens Park would be a great addition to downtown. Neighborhood pools are always nice.	1/10/2019 10:47 AM
583	Raising taxes to pay for something like this is unacceptable.	1/10/2019 10:44 AM
584	I am a big proponent of smaller neighborhood pools and splash parks! We only swim at the Deerfield pool every summer due to is great size. I can see the whole pool and know exactly where my kids are. We also due swimming lessons at the Deerfield pool. We haven't been to the Big Pool in like three years.	1/10/2019 9:20 AM
585	we need a place for open lap swim year around other than the YMCA at a cost people can afford.	1/10/2019 9:01 AM
586	N/a	1/10/2019 8:40 AM
587	The Big Pool is a community icon. It is also one of the only places where the entire community comes together. Neighborhood pools will foster more division and fracture our community at a time when MORE division is certainly not the goal for our country. One of the reasons Garden City is great is the Big Pool. Slides and features will become outdated. An enormous pool will always be amazing just for being itself. I understand it will take an enormous investment to save the Big Pool. To me, it is perhaps the only tax raise I would be in favor of. I'm a teacher, and I would be happy to take money from schools for it. ;) I love to see my students there in the summer. Families who play together are tremendously important for success in school and life. Parents who can't read to their kids can still play in the water with them. Families without A/C can enjoy the water and cool down. Screens don't work in the pool. For every socioeconomic group we have, the Big Pool is an advantage. I love taking my kids to the pool and hearing all of the languages, I love talking to them about the different things we hear and see. I love that my kids can play with kids from all over the world, and language doesn't matter. Everyone understands catch, or how to race for the ring sinking to the bottom of the pool. The Big Pool is more than just a water recreation facility. Please save it.	1/10/2019 8:38 AM
588	Busy kids means less trouble.	1/10/2019 8:36 AM
589	I think it would be best if there were multiple places for children to go, however I feel a pool is needed.	1/10/2019 8:28 AM
590	I think it is important to have places for the citizens of Garden City to enjoy. It needs to be accessible to everyone who is interested. It is difficult for many children to get to the pool because of its current location.	1/9/2019 8:39 PM
591	none at this time	1/9/2019 2:03 PM
592	People travel to Dodge City from Garden City to participate in their water park. If we want to keep that revenue here, we need to build a water park.	1/9/2019 1:08 PM
593	We need to find something for these kids to do year round not just in the summer like an indoor skating rink or other activity. I understand needing to maintain upkeep on the pool but beyond the summer there is nothing else for these kids to do.	1/9/2019 1:04 PM

594	Cheaper water park!!	1/9/2019 12:29 PM
595	I appreciate the work the city has completed at the Big Pool.	1/9/2019 12:26 PM
596	Please do not raise property taxes to pay for this, they are already very high	1/9/2019 12:10 PM
597	The kids in our community need places they can be together to have social interaction like a skating rink once offered. It was very healthy and active activity that they individual student could build on there own with without coach or parent involvement. It allowed kids to connect a centralized safe location with controlled atmosphere.The skating rink on highway 400 by pass was to slick for the average learner and increased injuries it discouraged many parents from this activity. We do offer many very nice locations for families in our community and for those Thank you So Much.	1/9/2019 11:54 AM
